MEMORANDUM SUPPORT MOTION

The court permitted the parties to discuss the pending motion of the Alliance to intervene in this case, at the scheduling conference on February 17, 2005. This enabled the Alliance to elaborate upon its motion and reply to the opposition set forth by the Ohio Republican Party and the Ohio Democratic Party.

The Alliance proposes to make a number of documents a part of the record available to the court as it considers the pending motion. These documents establish that there is still the pending controversy which should be resolved in the public interest by this court in this case, if the court sees fit.

Respectfully submitted,
