Subject: Mitchell deposition

John and Reed:

With respect to Mr. Mitchell’s deposition, Part I below outlines the topics or portions of topics for which OAG has designated Mr. Mitchell in its written objections.

Part II lists the slight modifications to OAG’s designations that we requested and that Reed thought were reasonable, subject to discussing with John and Major Mitchell. The only outstanding issue, then, would be to limit the topics temporally as John and I agreed last week. We’d be amenable to limiting the topics temporally to the time period since Mr. Mitchell was deposed in the Section 5 litigation (I don’t have that date in front of me). That limitation would cut across all of the topics.

Finally, Part III lists the documents that, again, Reed thought were reasonable to be produced prior to the deposition. Our agreement was to stand down on all other requests, subject to a right to seek additional documents depending on what we learn or don’t at the deposition.

We are planning on going forward on July 8 at OAG for Mr. Mitchell, as I trust any remaining issues can be resolved.

Thanks very much, Kelly
