

DECLARATION

Pursuant to 28 U.S.C. § 1746, I, Joseph Amrine hereby declare as follows:

1. On February 15, 2008 I visited the Midtown Department of Social Services office located at 4900 Swope Parkway, Kansas City Missouri.
2. I stood in front of the office and talked to individuals who were leaving the office. I spoke to a number of individuals who told me that they had applied for, sought to recertify or change their address for Food Stamps or Temporary Assistance for Needy Families.
3. I asked them if they had been offered the opportunity to register to vote while seeking the services in the office. All of them advised me that they had not been asked if they wanted to register to vote.
4. After a period of time a security guard confronted me and grabbed the clip board that I was carrying. I told him that I was surveying individuals leaving the Department of Social Services office to see if they were being offered the opportunity to register to vote. He told me I had to leave. I went across the street
5. After the security guard left, I went back in front of the Office. I overheard a worker talking about an email she had received telling workers they had to ask clients if they wanted to register to vote.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on this 3 day of 11, 2008.
