2. I have been eligible for food stamps since the year 1993. In connection with my receipt of public assistance, I have visited public assistance agencies located in St. Louis.
3. In Spring of 2007, I went to the public assistance office to renew my benefits. On that occasion, and on each prior occasion that I visited the public assistance office, the person who assisted me did not ask me if I was registered to vote or whether I would like to apply to register to vote. On that occasion and on each prior occasion, the person who assisted me did not present me with any paper that asked me if I was registered to vote at my current address, or whether I would like to apply to register to vote. On that occasion and each prior occasion no one offered me a voter registration application.
4. I personally go to the public assistance agency every six months to recertify or renew my benefits. In more than twenty (20) years of contacts with the public assistance agency in St. Louis, I have never been offered an opportunity to register to vote or to update my voter registration address, no one has asked if

I am currently registered or if I would like to register, and no one has offered me a voter registration application.

5. I am not registered to vote at my current address, and I need to submit a change of address.
6. I would like to update my voter registration address when I go to the public assistance agency.
