Dr. Engstrom

I am in the process of getting the funds to pay your \$5,000 retainer.

We received an Order from the Court giving us until May 20<sup>th</sup> to submit our expert report. Since that falls on a Saturday, we have until that Monday, May 22<sup>nd</sup> to submit a report.

What I need to know from you is that if I can get you the \$5,000 and get you additional documents from the case (such as information from the depositions, files, etc.) would you be able to create a report by the 22<sup>nd</sup>.

Obviously we are in a serious time crunch and I was not able to get as long as an extension as I had requested but everything is dependent on your ability to get us something by the 22<sup>nd</sup>.

Please let me know asap.
