of the LGBT community and people with disabilities, the Nevada Democratic Party will implement Inclusion Programs in order to achieve the full participation of members of these and other groups in the delegate selection process and in all party affairs, as indicated by their presence in the Democratic electorate. Concerning people with disabilities, outreach efforts will be appropriate to accommodate persons with disabilities. An example is choosing sites with wheelchair accessibility. A sign language interpreter will be present at site, if needed, at any point during the delegate selection process and meetings. In addition, the State Party will in a good faith effort utilize culturally sensitive and/or appropriate terminology when conducting outreach efforts. The party has identified and appointed a staff person to seek out leaders within the people with disabilities community to assist the Party with community outreach and delegate training. The Nevada Democratic Party may use goals to achieve these ends, but in no event will such participation be accomplished by the use of quotas. [Rule 8]

**Subsection B: Efforts to Educate on the Delegate Selection Process**

1. Well publicized educational workshops will be conducted in each of the delegate districts beginning in August 2007. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate candidates of the availability of financial assistance. These workshops will be held in places which are easily accessible to persons with physical disabilities. The times, dates, places and rules for the conduct of all education workshops, meetings and other events involved in the delegate selection process shall be effectively publicized by the party organization and include mailings to various organizations representative of the Democratic voting populace. [*Rules 3.A. & 3.C.*]

3. The State Party's education efforts will include outreach to community leaders within the Democratic Party's constituencies and making sure that information about the delegate selection process is available to Democratic clubs and Party caucuses representing specific constituencies.
4. The State Party will publish and make available at no cost: a clear and concise explanation of how Democratic voters can participate in the delegate selection process; an explanation of how, where and when persons can register to vote; and delegate district maps. As well, the State Party shall also make available copies of the State Party Rules, the Delegate Selection Plan [and its attachments], the Affirmative Action Plan, and relevant state statutes at no cost. Copies of the documents related to the state's delegate selection process will be prepared and the Affirmative Action Committee will distribute them in the various delegate districts not later than October 10<sup>th</sup>, 2007. [*Rule 1.H.*]
5. The State Party shall take all feasible steps to encourage persons to register and to vote as Democrats and will seek to ensure simple and easy registration procedures. [*Rule 2.C.*]

#### **Subsection C: Efforts to Publicize the Delegate Selection Process**

1. Special attention shall be directed at publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process and where to get additional information. The foregoing information will also be published in the state party newspaper. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. [*Rules 3.C. & 3.D.*]
2. Newspapers, radio and television will be utilized to inform the general public how, when and where to participate in the delegate selection process. Specifically, this information should provide details as to how to qualify to run as a delegate candidate. Special effort shall be directed to the major daily newspapers, radio and television stations by the State Democratic Chair, Affirmative Action Committee members and staff. Regular releases during the delegate selection process to all other media sources, weekly newspapers, and wire services should complete timely coverage. [*See Exhibit 1*] [*Rules 4.B.[3] & 7.D.*]
3. A priority effort shall be directed at publicity and education among the Democratic Party's constituencies.
  - a. Information about the delegate selection process will be provided to minority newspapers and radio stations, ethnic press, Native American, Asian/Pacific American, Spanish-speaking and other non-English press,

radio stations and publications, and women's organizations, student newspapers, LGBT press, disability press, and any other specialty media in the state that is likely to reach the Democratic constituency groups set forth in the Introduction of this Affirmative Action Plan.

- b. The State Party shall be responsible for the implementation of this publicity effort. [See *Exhibit 1*] For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of County Central Committee meetings, Affirmative Action Committee meetings, social events, town meetings and rallies, precinct meetings, County Conventions, State Convention and Affirmative Action workshops, shall be effectively publicized, bilingually where necessary, to encourage the participation of minority groups. [Rules 5.C. & 7.D.]
4. Not later than August 30<sup>th</sup>, 2007, a press kit shall be made and provided to each daily and weekly newspaper as well as to the electronic media. The press kit will include:

    - c. a summary explaining the operation and importance of the 2008 Convention; and
    - d. materials designed to encourage participation by prospective delegate candidates.

#### **Subsection D: Representation Goals**

1. The State Party has determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian/Pacific Americans in the state's Democratic electorate. These constituency percentages shall represent minimum goals for representation in the state's convention delegation. [Rule 7.A.]

**Nevada Minority Breakout Chart 7.1**

	African American	Hispanic	Native American	LGBT	Asian/Pacific American
% in Democratic Electorate	7.2	18.9	1.9	-	3.8
Numeric Goals for Delegation	2	4	1	3	1

2. When selecting the at-large portion of the delegation, the demographic composition of the other delegates [district-level, pledged PLEO, and unpledged] shall be compared with the State Party's goals in order to achieve an at-large selection process which helps to bring about a representative balance.
  - a. Priority of consideration will be given to African Americans, Hispanics, Native Americans, Asian/Pacific Americans, LGBT, disabled and women in the selection of the at-large delegation. [Rule 7.A.[3] & 10.A.]
  - b. In order to continue the Democratic Party's ongoing efforts to include groups historically under-represented in the Democratic Party's affairs, priority of consideration shall also be given to other groups by virtue of race/ethnicity, age, sexual orientation or disability. [Rules 5.C., 7.A.[3] & Reg.4.7]
3. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for the State Party to conduct outreach activities as recruitment, education and training. [Rule 7.A.[3]]

**Subsection E: Obligations of Presidential Candidates to Maximize Participation**

1. Presidential candidates shall assist the Nevada Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan. [Rule 7.H.]
2. Each presidential candidate must submit a written statement to the State Democratic Chair by January 7<sup>th</sup> or 30 days following a candidate's announcement for late entries of presidential candidates, which indicates the specific steps he or she will take to encourage full participation in Nevada's delegation selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate. [Rule 7.H.[1]]

3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. [*Rule 7.H.[2]*]
  
4. Presidential candidates [including uncommitted status] shall use their best effort to ensure that their respective delegations within the state's delegate, alternate and standing committee delegations shall achieve the affirmative action goals reflected in the Affirmative Action Plan and that the respective delegations of each presidential candidate shall be equally divided between men and women. Furthermore, presidential candidates shall use their best efforts at the district-level to approve delegate and alternate candidates who meet applicable equal division and affirmative action considerations in order to achieve the affirmative action goals and equal division for their respective delegations. [*Rule 7.1. & Regs. 4.10.*]

The request must be made within ten (10) days after expiration of the above twenty-one (21) day period. [*Regs. 3.4.C., E., & H.*]
3. Performance under an approved Affirmative Action Plan and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If a state party has adopted and implemented an approved affirmative action program, the state party shall not be subject to challenge based solely on delegation composition or primary results. [*Rule 7.B.*] The procedures are the same for challenges alleging failure to properly implement the Affirmative Action section of a Plan, except that such challenges must be filed not later than thirty (30) days prior to the initiation of the state's delegation selection process. [*Reg. 3.4.C.*]

## **Appendix C: At-Large Precinct Caucus Rules and Procedures**

The Nevada State Democratic Party is committed to increasing voter access to the Democratic caucuses on January 19, 2008, and has developed an aggressive plan to promote and engage its diverse population to attend the Caucuses. A significant portion of Nevada's population consists of shift workers largely employed in Clark County on a 7 day per week 24 hour shift rotation. There is also a strong tradition in Clark County of facilitating the participation of shift workers in our unique "24/7" economy. Such accommodations have historically included "non-traditional" times and locations for polling sites easily accessible to shift workers. In planning the Caucuses, it was important to recognize the inherent difficulty for a shift worker to get back to their home precinct in order to participate in their Caucus.

Working with Labor and management, the NSDP has identified and developed At-Large Precinct Caucus sites to accommodate the thousands of potential Caucus-goers working Saturday shifts during the 11:30 a.m. Caucus start time.

At-Large Precincts must meet a stringent requirement of having 4,000 or more shift workers per site who could not otherwise take the time off to go to their home precincts. Currently, Clark County is the only county in Nevada which meets this threshold of optimum concentration.

Following are the rules of engagement for the NSDP At-Large Precinct Caucuses:

### **Attendance and Registration Requirements for At-Large Precinct Caucuses**

1. At-Large Precincts Caucuses are designed specifically to service shift workers who work during or within one hour of the Nevada Democratic Party Caucuses start-time (11:30am), and who could not return to their home precinct caucus in time to participate.
2. Shift workers will be required to bring their Employer Identification card or badge to their assigned At-Large Precinct Caucus to be eligible to participate in the At-Large Precinct Caucus. The Employer ID card will serve as proof of shift worker status.
3. Shift workers will also sign a declaration stating that they could not attend their home Precinct Caucus because they worked during or within one hour of the designated caucus start time.

### **Locations and the total number of At-Large Precinct Caucuses**

- At-Large Precinct Caucuses will be created working with employers who have more than 4,000 employees in a contiguous area working on Saturday morning January 19<sup>th</sup> 2008.
- The NSDP is planning 8-10 At-Large Precinct Caucus locations, all in Clark County.
- Shift workers working within a 2.5 mile radius of each site will be allowed to attend their assigned At-Large Precinct Caucus.
- At-Large Precinct Caucus locations will be determined working with the Clark County Democratic Party and the business community to determine optimum location and space, convenience and other such considerations.
- At-Large Precinct locations will be arranged by October 31, 2007.
- Individual work sites will be geographically assigned to a specific At-Large Precinct Caucus.

### **Staff at the At-Large Precinct Caucus**

- At-Large Precinct Caucuses will be conducted ONLY by trained NSDP staff. NSDP staff will be assigned to each location by the Caucus Director to serve as the At-Large Precinct Caucus Chair but will not be permitted to participate in the caucus.
- NSDP staff will manage the following At-Large Precinct Caucus activities:
  1. Registration
  2. Reporting the number of eligible caucus participants to the Nevada State Democratic Party
  3. Administration of the caucus meeting
  4. Apportionment and reporting of the delegates to the Nevada State Democratic Party

### **The Apportionment of delegates for the At-Large Precinct Caucus**

- Doors will open at 10:30 a.m. due to anticipated attendance expected at the At Large Precinct Caucus sites.
- NSDP staff will keep a running count of each eligible Caucus participant as they enter the At-Large Precinct Caucus. After the doors close, there will be a final count of eligible participants.
- NSDP staff will call the Caucus to order at 11:30 a.m.
  - If attendees are still in line at 11:30 a.m. when the Caucus is called to order they will be allowed to sign in and participate in the Caucus. (this rule applies to all Caucus sites throughout Nevada)

- NSDP staff will call in (via a specially directed phone line) the total number of eligible caucus participants to the Nevada State Democratic Party using the (1-800 caucus line).
- NSDP staff will use the formula below based on the NRS to apportion delegates for the At-Large Precinct Caucus, and announce this number to the At Large Precinct Caucus participants.
- The At Large Precinct Caucus will otherwise run exactly like the statewide Caucus system with delegates apportioned accordingly.

---

**Delegate Allocation Formula for At-Large Precinct Caucuses:**

- If the total number of Democrats in attendance at the At-Large Precinct Caucus does not exceed 400, divide the total number of attendees by 5. Based on attendance, the total number of delegates in these At-Large Precincts will range from 1 – 80.
- If the total number of Democrats in attendance at the At-Large Precinct Caucus is between 401 and 600, divide the total number of attendees by 8. Based on attendance, the total number of delegates in these At-Large Precincts will range from 50 – 75.
- If the total number of Democrats in attendance at the At-Large Precinct Caucus is between 601 and 800, divide the total number of attendees by 10. Based on attendance, the total number of delegates in these At-Large Precincts will range from 60 – 80.
- If the total number of Democrats in attendance at the At-Large Precinct Caucus is between 801 and 1400, divide the total number of attendees by 15. Based on attendance, the total number of delegates in these At-Large Precincts will range from 53 – 93.
- If the total number of Democrats in attendance at the At-Large Precinct Caucus is between 1401 and 2000, divide the total number of attendees by 20. Based on attendance, the total number of delegates in these At-Large Precincts will range from 70 – 100.
- If the total number of Democrats in attendance at the At-Large Precinct Caucus is between 2001 and 3000, divide the total number of attendees by 30. Based on attendance, the total number of delegates in these At-Large Precincts will range from 67 – 100.

- If the total number of Democrats in attendance at the At-Large Precinct Caucus is between 3001 and 4000, divide the total number of attendees by 35. Based on attendance, the total number of delegates in these At-Large Precincts will range from 86 – 114.
- If the total number of Democrats in attendance at the At-Large Precinct Caucus exceeded 4000, divide the total number of attendees by 50. Based on attendance, the total number of delegates in these At-Large Precincts will be at least 80.

This formula is the same one used to determine delegate apportionment in the Nevada Caucuses but instead of voter registration, it is based on attendance.

Nevada's working population is an important and vital part of the Democratic Party's base. And, because of the unique workforce in Nevada, it is imperative to develop a system whereby working men and women are able to participate in the selection of their nominee for President of the United States. The Nevada State Democratic Party is committed to working with employers, labor and the business community, in a continued effort to expand participation so that democratic working voters in Nevada may have the same opportunities to register their preference as do those not constrained to a work site.

The At-Large Precinct Caucus plan meets all of the necessary requirements of the NRS, Nevada State Democratic Party rules and by-laws and follows the Caucus delegate apportionment formula determined by the state. Further, the NSDP worked closely with the Nevada Attorney General's office to make sure that the appropriate rules are followed.
