EXHIBIT 20:
10/24/07 COMPLIANCE LETTER
October 24, 2007

Jill Derby, State Chair
Nevada Democratic Party
1210 South Valley View Blvd.
Las Vegas, NV 89102

Dear Chair Derby:

As you know, at its meeting on August 25, 2007 in Washington, DC, the DNC Rules and Bylaws Committee (RBC) considered Nevada’s Delegate Selection Plan.

At that time, pursuant to the Regulations of the Rules and Bylaws Committee, the RBC voted to find the Plan in “Conditional Compliance.” According to Regulation 2.6, this finding meant the Plan complied with the spirit and generally the substance of the Rules, the Call and the Regulations but had certain minor deficiencies or omissions that needed to be corrected.

Since the Committee’s meeting, Committee staff has had the opportunity to fully evaluate and review the Plan submitted by the State Party on October 22, 2007. That Plan has corrected all the deficiencies previously indicated. We are pleased that the necessary corrections were made, and as a result Nevada’s Plan has automatically been found in full Compliance.

Now that the Plan is in Compliance, should the State Party need to change any provision of the Plan, Regulation 2.9 requires that all amendments, including the date of the first determining step, must be submitted to and approved by the RBC before they are final. Failure to have the RBC approve changes to a state’s delegate selection process could result in unnecessary confusion and subject the State Party to a challenge.

As the Nevada Party implements the Delegate Selection Plan over the coming months, should you have any questions, please feel free to contact us or Alecia Dyer in the Office of Party Affairs and Delegate Selection at 202-863-8055.

On behalf of the DNC Rules and Bylaws Committee, we thank you, your State Party Executive Director Travis Brock, Deputy Caucus Director Justin Gilbert, and all of the individuals who were involved in preparing the 2008 Plan. We look forward to working with you to make this a most successful presidential nominating process.

Sincerely,
