Pending before the Court is Plaintiff’s Motion to Amend the Case Management Order (Docket No. 20). Plaintiff seeks to extend the deadline for the settlement conference to a date after dispositive motions have been decided. Defendant has no objection to extending the deadline. Motion, p. 2 (Docket No. 20). For this reason, and because Plaintiff believes there is little chance of settling the case and would like to save the time and expense of traveling from out-of-state to attend a settlement conference, the Case Management Order is amended to require the settlement conference shall occur prior to trial but **no later than January 31, 2010**. Counsel shall be responsible for scheduling the settlement conference by contacting Amy Hickox, Judge Dale’s courtroom deputy, at 334-9387.

DATED: July 28, 2009

 Honorable Ronald E. Bush
 U. S. Magistrate Judge
