

Ongoing Destruction of 2004 Election Records
 (while under the protection of Judge Algenon Marbley's Court Order)

The below accounting of the RC-3 forms, which is a Certificate of Disposal, from multiple Ohio County Boards of Elections (BOE) is from the research conducted by Paddy Shaffer on April 24, 2009. All county agencies are required to file these forms to dispose of county records. The counties are by law to follow the Record Retention Schedule to determine the length of time they must legally maintain records. There are three entities for which these forms and records pass by before disposal. The first is the County Record Commission, then the forms go to the Ohio Historical Society and the Ohio State Auditor.

		March 3, 2009
		March 3, 2009

Signed by Randy _____

From in person research done at Geauga County BOE on 4/28/09 the OEJC researchers learned that BOE employee Randy _____ did call the Secretary of State office and spoke to Pat Wolfe about the ballot stubs. She advised him not to dispose of these. They still had the ballot stubs and were able to show them to us. We did not ask about the Change of Address/Name Notifications nor the Walk-in Voter Applications from 2004. Randy and Director Arch Kimbrew Jr. did not mention them. I did get a copy of the RC-3 form they had which I requested when Randy told us that he had written a note on it with Pat Wolfe's recommendation. His highlighter and message appear on the ballot stub

area of the form. Geauga is the only county we have as yet visited to check on the availability of these records from the April 24, 2009 gathering of RC-3 forms.
