2006-2008
Dear Fellow Democrat,

It is an exciting time to be a Texas Democrat. After gaining six new Democratic seats in the State House and defeating two Republican Members of Congress in 2006, the Texas Democratic Party is more energized, more organized, and more efficient than ever before. As a result, Texas Democrats are poised to continue our significant gains in the coming election cycle.

Time and again Republican politicians have failed to put Texas families first. Whether they are voting against full funding for our children’s public schools, failing to curb skyrocketing college tuition, or failing to provide health insurance for millions of uninsured children, Texas Republicans have put their cronies and special interest contributors ahead of their own constituents.

I assure you that Texas voters will not stand for it. It is very clear that Texans want something better. From the county courthouse to the White House, Texans are tired of being let down by a government controlled by Republicans who no longer serve the people. All across Texas, voters are demanding change, and I know that Texas Democrats will provide the change that is so desperately needed.

And that change begins with you. I encourage everyone to read the rules that govern the Texas Democratic Party and become part of the process. Texas as a whole benefits when more people become involved. From the Precinct Convention all the way to the National Convention, one person can make a difference within our Party.

In the meantime, as your Chairman, I remain committed to making sure that our Democratic message is spread far and wide. No matter in what language or region of our great state, Texans deserve to hear about the issues and values that matter most. As long as we all work together and pull in the same direction, Texas Democrats can and will continue to be victorious.

Your friend and fellow Democrat,

Boyd L. Richie
Chairman

RULES OF THE DEMOCRATIC PARTY OF TEXAS

ARTICLE I
STATEMENT OF PRINCIPLES

The Texas Democratic Party hereby adopts the following Statement of Principles as the foundation for Party activities at all levels:

A. Beliefs

We believe that the Democratic Party, with its great diversity, its flexibility of organization, its historic adaptability to fruitful change, and its instinctive responsiveness to human needs and aspirations, can provide the leadership required in these challenging times. We further believe:

1. That we must join together with a renewed faith in our country, in our state, and in our Party to provide our people with responsive, responsible government;

2. That government functions best when it is closest to the people;

3. That our government is and should be of laws and not of favoritism or of arbitrary caprice, and therefore we condemn any resolution of conflicts, save through legal processes;

4. That the Texas Democratic Party stands for law and order, for total and unceasing war against crime, for strengthening law enforcement agencies, and for justice under law;

5. That all citizens, no matter what their religion or race or how humble or exalted their origin or station, have the duty to participate fully at every level of government and are entitled to an equal voice and to equal treatment at its hands;

6. That all Democrats are bound to defend, to protect, and to honor our nation, our state, and our Party, and that when they are right, it is our privilege to sustain them, but when they err, it is our duty to correct them; and

7. That, as Democrats, we are proud and upright citizens of the United States, that we are determined not only to serve our country, but also to stand shoulder to shoulder with citizens of other states in providing meaningful, responsible, and constructive leadership for our great nation.

B. Declarations

To achieve these principles, we hereby make these declarations and adopt the following Rules to govern Party activities at all levels:

1. No test of membership in, nor oaths of loyalty to, the Texas Democratic Party shall be required or used if it has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone, or support discrimination on the grounds of race, sex, sexual orientation, age, color, creed, national origin, religion, ethnic identity, economic status or disability.

2. The Democratic Party at all levels shall support the broadest possible voter registration and participation without discrimination on the grounds of race, sex, age, color, creed, national origin, religion, ethnic identity, economic status or disability.

3. It shall be the duty of the State Chair and Party Officers at all levels to take affirmative steps to encourage young people, women and minorities to seek selection as Delegates to Party Conventions and as members of Party Committees so that they shall be represented in reasonable relationship to their presence in the state.

4. Every person who accepts a Party office at any level (including the position of Convention Delegate and Alternate) must agree to support all of the Party’s nominees or shall be removed.
5. Public meetings at all levels of the Texas Democratic Party shall be open to all members of the Party, regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, economic status, philosophical persuasion or disability.

6. The time and place of all meetings of the Texas Democratic Party at all levels shall be publicized fully and in such manner as to assure timely notice to all interested persons. Such meetings shall be held in places accessible to all Party members and large enough to accommodate all interested persons.

7. The Texas Democratic Party shall publicize fully and in such manner as to assure notice to all interested parties a complete description of the legal and practical qualifications and procedures for selecting Democratic Party Officers and Representatives at all levels. Publication of these procedures shall be done timely and in such a fashion that all prospective and current members of the Democratic Party and all prospective candidates or applicants will be fully and adequately informed of the pertinent procedures in time to participate in each selection procedure at each level of the Democratic Party organization and to compete for any elected or appointed position.

ARTICLE II
NAME, MEMBERSHIP AND OFFICERS

A. Name

The name of this Party shall be the “Texas Democratic Party” or simply the “Democratic Party” or just the “Party.”

B. Membership

1. Any qualified Texas voter 18 years of age or older who supports the foregoing “Statement of Principles” of the Democratic Party may participate fully in any Party meetings and may be elected to any Party Office, except where specifically prohibited by law or by Party Rules.

2. Any other persons who support the foregoing “Statement of Principles” of the Democratic Party are encouraged to participate in Party activities but may not vote.

C. Party Officers

1. All Party Officers shall be residents of the precinct, district or other political subdivision which they represent, and moving residence outside the precinct, district or other political subdivision shall constitute an automatic vacancy.

2. The Party Officers covered by this provision include precinct chair, county chair, SDEC representative, State Chair, convention Delegates and Alternates, and any other officer elected by a Party committee or convention.

3. Acceptance by any person of a Party Office and participation in that capacity constitutes an agreement to the provision in the Statement of Principles that “every person who accepts a Party Office at any level (including the positions of Convention Delegate and Alternate) must agree to support all of the Party’s nominees or shall be subject to removal.”

ARTICLE III
EXECUTIVE COMMITTEES

It is a basic and fundamental precept of the Texas Democratic Party that always, and at all levels, there shall be no secret ballots, there shall be no fees charged for voting, and the meetings shall be open.

A. Duties of Executive Committees

1. The State Democratic Executive Committee (the “SDEC”) shall carry on the activities of the Party between State Conventions in compliance with the law and with the directives of the Convention.

2. Other executive committees acting at the County level, the District level or any other
level shall discharge their duties in compliance with the law and with the Party Rules.

B. General Rules

1. At all times and at all levels of the Democratic Party, no secret ballots shall be used, no fees shall be charged for voting, and the meetings shall be open.

2. Committee meetings shall be held as required by law or by these Rules and called by the Committee Chair or by a petition in writing signed by at least 51% of the Committee membership.

3. At all Party Committee meetings other than Conventions, County Executive Committees (Temporary Rule Change) and Convention Caucuses, 40% of the Committee membership shall constitute a quorum. If the meeting is to fill a vacancy, however, a majority of the Committee membership shall be required for a quorum as specified in State law.

4. Unless otherwise required by statute or by these Rules, the current edition of Robert’s Rules of Order, Newly Revised shall be the parliamentary authority governing all Party Committee meetings and procedures.

5. The method of voting at all Party Committee meetings may be by voice vote, by (standing) division of the house, by signed written ballot, or by roll call vote. The method used shall be left to the discretion of the Chair, except that on request of any member (who need not be recognized by the Chair to voice such request), a standing division must be held, and the request of 20% 10% (Temporary Rule Change) of the members present shall require a roll call vote.

6. Minutes of each meeting shall be furnished to each Committee member at or prior to the next Committee meeting.

7. Proxy voting shall be permitted at SDEC meetings; provided that no person may hold or vote more than one proxy. Proxy holders for senatorial district representatives on the SDEC must reside in the same district as the member assigning the proxy. Proxy holders for representatives of organizations must be members of the organization. No proxy voting shall be permitted at meetings of any County, District or Precinct Committee (Texas Election Code §171.026).

8. No action of a subcommittee or any standing committee shall replace or supersede the actions or authority of the Committee as a whole, and any actions by subcommittees shall be subject to review and revision by the superior authority of the full Committee at its subsequent meetings.

9. Upon the vote of 20% of the members of any Party Committee, a minority report can be prepared and presented. A minority report may be submitted for consideration either by way of amendment or as a substitute for a majority report.

C. Election Matters

1. Certification of Candidates. The SDEC shall certify the name of each candidate to appear on the primary ballot or delegate such certification to the State Chair. Not later than the 57th day before the primary election, the State Chair shall deliver to each County Chair a written list of the name of each candidate certified to appear on the primary ballot in that county. (Texas Election Code §172.028)

2. Referendum Issues.

(a) Qualified voters may by petition require a referendum issue to be placed on the primary election ballot. Such petitions must be filed with the State Chair during the same filing period applicable to candidates for federal, state, and county office. In addition to the requirements mandated by state law (Texas Election Code §172.088), all petitions must contain the following wording and information:
An oath of affiliation to the Party as part of the petition statement to read as follows:

"If I sign this petition, I hereby affiliate myself with the Texas Democratic Party, and I swear or affirm that during [insert election year] I will support the nominees of the Democratic Party and that I will not vote in a primary election or participate in a convention of another political party during [insert election year].

I further acknowledge that the purpose of this petition is to require the Texas Democratic Party to place the proposal described below on the ballot for the [election date] Democratic Primary Election."

[signatures]

"Sworn to (or affirmed) and signed before me the undersigned authority on this the _____ day of_________________.

(b) The person administering the oath may be either: a judge, clerk or commissioner of any court of record; a notary public; a justice of the peace; the Secretary of State of Texas; any member of the SDEC; any member of the County Executive Committee for the county in which the person signing the petition resides; or a person expressly authorized in writing to administer the oath by the State Chair or a County Chair for the county in which the person signing the petition resides. The State Chair and any such County Chair shall keep as a permanent part of party records a true copy of any such authorization. Each person administering the oath must sign in the place shown, and print his or her name, address, office and county of residence.

(c) The form of the petition, including a description of the proposal that is to be submitted, the spacing and type-size and instructions to comply with this Rule must be approved by the State Chair. The oath of the petition signer and the description of the proposal shall be in bold type.

(d) The State Chair is hereby delegated all other authority necessary to effectuate this Rule.

(e) The SDEC shall prescribe the wording of the proposition submitting a proposal. (Texas Election Code §172.088(g)).

(f) The petition shall be in both English and Spanish.

D. State Democratic Executive Committee

1. Officers.

(a) Election. In compliance with Chapter 171 of the Texas Election Code, the State Convention in June of even-numbered years shall elect a State Chair. The Convention also shall elect a First Vice Chair of opposite sex from the State Chair, a Vice Chair for Finance, a Secretary, and a Treasurer. These shall be the officers of the SDEC, and they shall serve for two years or until their successors are elected.

(b) Voting. On statutory matters, only the State Chair and First Vice Chair may vote; otherwise, on all other matters all officers may vote.

(c) State Chair. The State Chair shall be the
principal and presiding officer of the SDEC, shall have all of the authority and
duties implied by such title and expressed
and implied by these Rules, and shall have
the authority to establish and to appoint
committees with the advice and consent of
the SDEC and deal with the affairs of the
Party.

(d) First Vice Chair. The First Vice Chair shall
assist the State Chair and shall have the
duties and authority implied by such title or
assigned by the Chair or by the SDEC. The
First Vice Chair shall preside over meetings
of the SDEC in the absence of the State
Chair and shall fill any ex-officio position
created for Party Vice Chairs, including
membership on the National Committee.

(e) Vice Chair for Finance. The Vice Chair
for Finance shall have responsibilities for
fund-raising under the direction of the State
Chair and shall have other duties and re-
sponsibilities assigned by the Chair or by
the SDEC.

(f) Secretary. The Secretary shall have the du-
ties and authority implied by such title.

(g) Treasurer. The Treasurer’s duties shall be
to present a financial report at each SDEC
meeting and to perform duties assigned by
the State Chair. The disbursement of funds
shall be the responsibility of the State Chair
or of the Chair’s designee(s), provided that
the designee(s) be approved by the SDEC.

(h) Standing SDEC Committee Membership.
Members of standing SDEC committees
will be appointed by the State Chair with
the advice and consent of the SDEC. The
State Chair will appoint one co-chair and
the members of each of the committees will
elect the second co-chair. The co-chairs will
be gender balanced.

(i) Operating Budget. The State Chair shall
submit an annual operating budget to the
SDEC Finance Committee for approval by
the full SDEC at the first SDEC meeting fol-
lowing January 1st of each year. In no event
shall any TDP staff or officer, other than the
State Chair, incur any debt on behalf of the
Texas Democratic Party not authorized by
the operating budget. In addition, any ex-
penditure, proposal or project which would
exceed a line item in the submitted annual
operating budget by $10,000, including but
not limited to additional staff or pay raises,
requires a majority vote of the State Chair,
First Vice Chair, Vice Chair for Finance,
Secretary, Treasurer, SDEC Finance Com-
mittee Chair, and SDEC Finance Commit-
tee Co-Chair before the funds may be ex-
pended or the obligation incurred.

(j) Audit. The State Chair shall cause an au-
dit of the financial records of the SDEC to
be made by a certified public accountant at
least once each calendar year. A copy of the
report of such audit shall be furnished to
each member and officer of the SDEC.

(k) Officer Vacancies. When a vacancy occurs
in any of these offices between State Con-
ventions, a majority of the members of the
SDEC shall elect a successor, who need not
be a current member of the SDEC. Members
shall receive written notice issued by
the State Chair, or, if that office be vacant,
by the First Vice Chair, at least two weeks
prior to the meeting at which an election
will be held. Any member of the SDEC may
nominate a candidate for the vacant office.
When an interim vacancy in the office of
the State Chair is filled by the SDEC, the
term of office for the interim Chair shall be
for the duration of the unexpired term.

2. SDEC Members.

(a) Membership. The SDEC shall be composed
of two members elected from every sena-

two from the Texas Coalition of Black Democrats,
two from the Hispanic Caucus,
two from the Non-Urban/Agriculture Caucus,
two from the Stonewall Democrats,
two from the Texas Environmental Democrats, and
two from the Asian American Democrats of Texas.

(b) Election From Senatorial Districts. The two members from every senatorial district shall be elected by the State Convention in June of even numbered years. One man and one woman from each senatorial district shall be recommended by the Delegates from the counties composing the respective senatorial districts. Each county shall vote its full Convention strength divided proportionately among its Delegates present.

(c) Organization Representatives. The chair or president and the next highest ranking officer of the opposite sex of the organizations (excepting Texas Democratic Women) providing additional members on the SDEC shall serve as the representative members of the SDEC; provided that, for the Hispanic Caucus, the representative members shall be two representatives elected at the State Convention. In the event that any such person already is a member of the SDEC, the next highest ranking officer of the same sex shall be the additional member. They shall participate in the proceedings of the SDEC insofar as the Texas Election Code will permit.

(d) Caucus Representatives. The members representing the Senate Democratic Caucus and the House Democratic Caucus shall be non-voting ex-officio members selected by their respective caucuses.

(e) Terms. SDEC members shall serve until their successors take office, which shall be on adjournment of the State Convention at which the new members are elected.

(f) SDEC Vacancies. When a vacancy occurs on the SDEC, the vacancy shall be filled by the majority vote of the members of the SDEC. The new member shall be an eligible person of the same sex and from the same senatorial district as the vacating member. The Senatorial District Committee of the affected district shall meet to nominate a person for such position. The State Chair shall mail written notice of the meeting to consider such nomination to the members of the Senatorial District Committee and, if known, the Chair of the affected district's Senatorial District Caucus at the last State Convention, at least two weeks prior to the meeting. The Committee shall report its nominee to the SDEC. A vacancy shall be filled no later than the next meeting of the SDEC following written notice of the vacancy by at least five weeks.

(g) Meetings. Two statutory meetings of the SDEC shall be held in even-numbered years: on the second Wednesday after the general election primary day and not later than the second Saturday after the runoff primary election day. (Texas Election Code § 172.120)

3. Removal.

(a) In addition to the procedures under Article III.H., any State Party Officer, including a member of the SDEC, may be removed for good cause by a two-thirds vote of the SDEC membership. All members must
receive written notice from the State Chair at least 30 days before any meeting at which a removal will be considered. Balloting may not be done by mail.

(b) For removal of an SDEC member, one-third of the members of the SDEC or one-third of either the Senatorial District Committee or the Delegates to the State Convention from the Senatorial District at which the member was last elected must petition for removal of the SDEC member before proceedings shall be brought before the SDEC.

(c) For removal of other State Party Officers, either one-third of the members of the SDEC or one third of the County Chairs, or one-third of the Delegates to the State Convention at which the Officer was last elected must petition for the removal of the State Party Officer before removal proceedings shall be brought before the SDEC.

(d) In the event that the State Chair is subject to petition for removal under this section, then the First Vice Chair shall give notice of said petition to the SDEC and give proper notice by mail of said meeting.

4. Advisory Committee.
The Texas Democratic Party Advisory Committee is created to provide an issues forum and an advisory group to the SDEC.

(a) It shall consist of the following:

(1) the elected officers of the SDEC;

(2) a Co-Chair to preside over this Committee with the State Chair. The Co-Chair shall be nominated by the State Chair and shall be approved by a majority vote of the SDEC;

(3) the participating groups, loyal to the principles of the Democratic Party and approved by the SDEC, shall be statewide caucuses and organizations of the Texas Democratic Party or the State Convention.

Each participating group will elect two Delegates and two Alternates, balanced by gender where appropriate, at the State Convention.

(b) The Advisory Committee will meet twice a year at the call of the State Chair and the Co-Chair or a majority of the committee members.

(c) The SDEC shall govern any fundraising activities and expenditures. Contributions and disbursements shall be made through the Texas Democratic Party for proper accounting and reporting under Party Rules and related state and federal laws.

(d) The SDEC, as necessary, may provide additional rules and guidelines. The Rules of the Texas Democratic Party shall apply to the Advisory Committee. Proxy voting shall not be permitted.

(e) All members shall serve terms of two years commencing after each State Convention.

E. County Executive Committee

1. Members.

(a) Each county shall have a County Executive Committee composed of a County Chair and of one Precinct Chair from each election precinct in the county. (Texas Election Code §171.022)

(b) These members shall be elected by majority vote in the Party Primary Election held in even-numbered years. The County Chair shall be elected by the qualified voters of the county, and the Precinct Chairs by the qualified voters of their respective precincts.

(c) The term of office for members of the County Executive Committee shall begin on the twentieth day following the Runoff Primary and shall continue for two years or until their successors are elected and certified. (Texas Election Code §171.022(c))

(b) The combined amount of any compensation paid from the Primary fund to the Secretary and the Chair for their services shall in no case exceed the lesser of $8,000.00 or 5% of the amount actually spent for necessary expenses in holding the Primary Election for that year, exclusive of the compensation paid to the Chair and Secretary. (Texas Election Code §173.004)

(c) The County Executive Committee may, by majority vote, adopt continuing rules for the conduct of its business, so long as they are not prohibited by law or are not inconsistent with these Party Rules. Such rules shall be filed with the State Chair.

3. Qualifications. Democrats 18 years of age or older are eligible for the offices of Precinct Chair or County Chair, provided they meet the following criteria:

(a) They are qualified voters (Texas Election Code §161.005(a)(1)) and voted in the Democratic Primary, not including runoffs, or signed an oath of affiliation in the voting year; (Oath of Affiliation §162.007(b))

*Oath of Affiliation:*

"I swear that I have not voted in a primary election or participated in a convention of another party during this voting year. I hereby affiliate myself with the Democratic Party."

*(Temporary Rule Change)*; and

(b) They are not candidates for, nor holders of, an elective office of the federal, state, or county government (Texas Election Code §161.005(a)(2)); and

(c) They are residents of the precinct or county from which they seek election (Texas Election Code §171.023(a) and §161.005(a)(1)).

4. Election Procedure.

(a) A qualified Party member may become a candidate for County or Precinct Chair by filing a written application in the county using a form which shall be provided by the County Chair upon request.

(b) In addition, qualified Party members filing for the office of County Chair in a county with a population of 1 million or more, shall include a petition containing the signatures of 10 percent of the current, incumbent Precinct Chairs serving on the County Executive Committee in the county using a form which shall be provided by the State Party. A copy of the petition (if applicable) also shall be filed with the State Chair.

(d) The application shall state the candidate’s occupation, county of residence, post office address, date of birth, and the office sought. The petition (if applicable) shall include the Precinct Chair’s signature, name, post office address, and precinct number.

(e) Applications and petitions, if applicable,
shall be filed no later than 6 p.m. on January 2 before the Primary Election. This deadline shall be extended until the next working day if it falls on a weekend or a holiday.

(f) An application mailed but not received by this deadline shall not be accepted. (Texas Election Code §172.023)

(g) No later than the day before the filing deadline, the County Chair shall post on the bulletin board at the County Courthouse used for posting notices of meetings of the Commissioners Court a notice of the address at which the County Chair or the Secretary will be available to receive applications on the last day of the filing period. (Texas Election Code §172.022)

(h) Write-in votes for Precinct and County Chair are permitted by law in the First Primary Election, whether or not there are other candidates for these offices on the ballot. Only those votes cast for a County Chair or Precinct Chair candidate who has filed an application for write-in candidacy may be counted. (Texas Election Code §171.0231). Write-in votes, however, are not allowed in the Second or "Runoff" Primary Election. (Texas Election Code §172.112)

(i) No later than 20 days after the local canvass, the County Chair shall deliver to the State Chair and to the County Clerk written notice of the name, address, and precinct number of each Precinct and County Chair elected. (Texas Election Code §172.118)

5. Vacancies.

(a) When a vacancy occurs in the office of County Chair, the outgoing County Chair or the Secretary of the County Executive Committee may call a meeting to fill the vacancy at any time after it occurs. Upon the written request of any Committee member, however, the Secretary shall call one for a date not more than 20 days after receiving the request, giving each member notice of the time, place, and purpose. Should a Committee Secretary fail to act after being requested in writing to do so, the State Chair shall call the meeting in like manner. The officer calling the meeting shall designate a Temporary Chair to preside until the new Permanent Chair is elected. (Texas Election Code §171.025)

(b) Any vacancy on the Committee shall be filled by majority vote of the County Executive Committee at a meeting at which a majority of the membership shall constitute a quorum. (Texas Election Code §171.024) Written notice of the replacement member's name and address shall be promptly delivered to the State Chair and to the County Chair. (Texas Election Code §171.024)

(c) When the precinct boundaries are changed between Primary Elections and only one Precinct Chair resides within the new precinct, that Chair shall continue the term of office. If more than one Chair or if none resides within the new precinct, however, the office automatically shall become vacant and shall be filled as provided herein. (Texas Election Code §171.023)

(d) Changes in precinct boundaries made by the Commissioners Court shall not become effective to alter membership of the County Executive Committee until February 1 after the changes are ordered. (Texas Election Code §171.023)

6. Duties and Responsibilities.

(a) Statutory duties of the County Executive Committee include collecting filing fees (Texas Election Code §172.021 and §172.022); appointing watchers (Texas Election Code §33.03); determining the order of names on the ballot (Texas Election Code §172.082 and §172.084); canvass-
ing Primary results (Texas Election Code §172.116); and setting and publicizing times and places for Precinct and County Conventions (Texas Election Code §174.022 and §174.063). Additional responsibilities are outlined in the Texas Election Code in Chapters 171, 172, 173, and 174 as well as Sections 31.032, 32.006, 32.034, 32.093, 32.111, 42.009, 43.003, 51.002, 51.003, 51.035, 52.002, 123.001, 123.033, 124.065, and 145.036.

(b) In addition to its statutory duties, the County Executive Committee shall have primary responsibility for planning and for coordinating the General Election Campaigns of the Democratic Party’s nominees within the county. In the case of nominees running for office in districts which include areas outside of the county, the County Executive Committee shall work with the Senatorial District Committee (as described in Article III.F. below). This responsibility shall include raising funds for conducting local campaigns, supporting the statewide effort for the entire ticket, producing materials, and coordinating local services for all Democratic campaigns.

(c) The County Executive Committee may establish such committees as it deems appropriate to carry out its non-statutory duties and may appoint committee members who are not members of the County Executive Committee.

7. Meetings.

(a) Three statutory meetings of the County Executive Committee shall be held in even-numbered years: in January; on or before the second Friday after the First Primary; and on or before the second Friday after the Runoff Primary.

(b) Precinct Chairs shall be notified by written notice at least five days in advance of all meetings excluding emergency situations.

8. Expenditure of Funds. Expenditure of funds by the County Executive Committee, unless otherwise specified by law, shall require the approval of at least 51% of its members present.

9. County Executive Committee Quorum. Non-Statutory Business – At County Executive Committee (CEC) meetings, the quorum for conducting non-statutory business shall consist of not less than one-fourth (1/4) of the membership, excluding vacancies. If the meeting is to fill a vacancy, however, a majority of the Committee membership shall be required for a quorum, as specified by State law.

10. Meeting of the County Executive Committee. Meetings – The County Executive Committee (CEC) shall meet at least quarterly throughout the two year term between elections. Statutory meetings called for by the Texas Election Code may be counted toward the quarterly meeting requirement of the CEC. CEC meetings shall not be scheduled during the week of the biennial state convention. If a county chair fails to issue a written call for a County Executive Committee meeting within six months of the previous County Executive Committee meeting, one-fourth (1/4) of the members of the CEC may call a CEC meeting by written demand. Notice of such meeting, including an agenda of the business to be considered, shall be mailed to all members of the county executive committee at least fourteen (14) days prior to the date of the meeting and shall state the time, date and place and the names of the persons issuing the call. The County Executive Committee meetings shall be chaired by the County Chair. If the County Chair is not present, then the Secretary or any qualified Democrat may conduct the meeting. (Temporary Rule Change)

F. District Executive Committee

1. Members. Each senatorial district shall have
a Senatorial District Executive Committee, sometimes referred to as the “District Committee,” to be formed as follows:

(a) In a senatorial district composed of only a part of one county, the Precinct Chairs within the district shall constitute the District Committee. No later than the statutory meeting of the County Executive Committee in January, such Precinct Chairs shall elect one of their number to serve as Chair of their District Committee. (Texas Election Code §171.053)

(b) For a senatorial district composed entirely of one whole county, the County Executive Committee shall constitute the District Committee, and the County Chair shall be the District Chair. (Texas Election Code §171.052)

(c) For a senatorial district made up of more than one county or parts of more than one county, the District Committee’s membership shall include the County Chair of each county wholly contained within that district and one District Committee member elected from among their number by each group of Precinct Chairs within a portion of a county included in such senatorial district. The District Committee thus formed shall elect its own Chair. The District Committee member so elected by the group (or committee) of Precinct Chairs (from only part of a county included in such a multi-county district) shall be and act also as Chair of such group or committee of Precinct Chairs. (Texas Election Code §171.054)

2. Officers.

(a) A District Committee may elect officers in order to accomplish its business. Any Democrat qualified to hold Party office may hold any District Committee office other than that of Chair. Chairs must be either a Precinct or County Chair. (The office of Senatorial District Committee Chair is a different office than Senatorial District Convention Chair.)

(b) Within 3 days after the meeting of each County Executive Committee at which District Committee members are elected, each County Chair shall forward to the State Chair the names and addresses of the District Committee members and of the District Chair selected at the meeting. (Texas Election Code §171.053(a) and §171.054(b))

3. Duties. District Committees shall have those responsibilities assigned by Texas statutes, such as filling certain vacancies in nominations for District officials. (Texas Election Code Chapter 145) They also shall be responsible for any duties in connection with Party activities which may be assigned by the SDEC. They may and should, on their own initiative, undertake such efforts on behalf of the Party and its candidates which are appropriate on the district level.

4. Other “District Committees.” Certain statutory provisions occasionally may require specific action by a “District Committee” other than those based on state senatorial districts. The membership of such District Committees shall be determined by the same general rules applying to the formation of Senatorial District Committees, except that the geographical boundaries used shall be those pertaining into the relevant district.

5. Meetings. When a District Committee composed of more than one county or of parts of more than one county must meet and organize before it has a permanent District Chair as provided in these Rules, the State Chair shall designate one member of the District Committee to serve as Temporary Chair to call the meeting to order and to preside until the Committee elects its own Chair. The permanent District Chair so elected shall serve for the remainder of the term of office and shall call any subsequent meetings held during that time. (Texas Election
Code §171.054(1)(c))

G. Precinct Executive Committee

At a meeting called by the County Chair, the Precinct Chairs in each Commissioner precinct and each Justice precinct shall select one of their number to serve as Chair of a Precinct Executive Committee for each respective Commissioner precinct and Justice precinct. The Precinct Chairs of the election precincts within the Commissioner precinct or Justice precinct shall constitute the Precinct Executive Committee. However, if any such precinct contains fewer than three county election precincts, the County Executive Committee shall be the Precinct Executive Committee and the County Chair shall serve as Chair of the Committee. (Texas Election Code §§ 171.071, 171.072, and 171.073)

H. Removal From Office For Endorsing Opposing Party or Candidate

1. A Party Officer shall be removed from office if during the current term of office such officer publicly supports or endorses an opposing party or nominee of an opposing party, a person seeking the nomination of an opposing party, or a non-Democratic candidate seeking an office in an election in which candidates may file by party affiliation and a Democrat is seeking the office in question.

2. The terms “publicly supports” and “endorses” shall include, but not be limited to: serving on a campaign committee; giving financial support, including contributing money or its equivalent such as equipment loans, services or supplies; willingly and knowingly allowing the officer’s name to be used in any kind of letter, public endorsement, news release, or advertisement; or actively soliciting votes by making a public appearance or a door-to-door solicitation of votes.

3. The following procedure shall be used for removal of a Party Officer:

   (a) A complaint may be filed only by a qualified voter who must be a Democrat and who resides in the political subdivision represented by the subject officer.

   (b) Complaints concerning a State Party Officer or SDEC member, a National Committee member, or a Senatorial District Chair or a County Chair shall be filed with the State Chair. Complaints concerning other Party Officers (except convention delegates) shall be forwarded to the County Chair.

   (c) Immediately upon receiving a written complaint, together with specific evidence that a Party Officer has violated this rule, the appropriate Chair shall notify the subject Party Officer by certified mail, return receipt requested, deliver to addressee only, stating the nature of the complaint and the evidence submitted and providing a copy of these rules. The subject Party Officer shall be advised that unless he or she delivers to the appropriate Chair within ten (10) days after receiving the notice a written denial signed by the Party Officer specifically denying the claims, the appropriate Chair shall declare the office held by such Party Officer vacant.

   (d) If the Party Officer fails to deliver the written response as required above, the Chair immediately shall declare the office held by such Party Officer to be vacant.

   (e) If the Party Officer delivers a written denial to the appropriate Chair within the time prescribed above, the Chair within five days thereafter shall determine whether the denial fairly and specifically denies the allegations in the complaint.

   (f) A Chair who determines that the denial does not fairly and specifically deny the allegation shall declare the office held by such Party Officer to be vacant, and the Chair immediately shall mail written notice of such decision to the Party Officer and the
complaining person.

4. Either party may seek review of the decision or action taken by a County Chair by filing a written request with the State Chair within 10 days after receiving notice of the County Chair’s decision. If the County Chair fails to mail a notice of the decision required above within 21 days from the date the notification of the complaint was mailed to the Party Officer, the complaining party may seek review by the State Chair by filing a written request within 10 days after the 21-day period.

5. No vacancy shall be filled during the time allowed to request review or while a review is under consideration.

6. Within 10 days after receiving a request for review, the State Chair shall determine whether the action or inaction of the County Chair shall be sustained or reversed. The only grounds for review shall be:

(a) Whether the complaint against the Party Officer fairly and specifically states an allegation of conduct violating these Rules;

(b) Whether the response filed by the Party Officer fairly and specifically denies the allegations in the complaint; and

(c) Whether there are procedural deficiencies, including failure to follow the notice requirements, involving handling the complaint.

7. The State Chair immediately shall mail written notice of the decision regarding the review to the County Chair, to the Party Officer, and to the complaining person. If the State Chair’s decision declares a vacancy, the County Chair shall initiate the steps necessary to fill it.

8. If a County Chair fails to send the original notice required by section 3(c) above within three days after receiving a complaint, the complaining person may present the complaint to the State Chair, who, upon receiving the complaint, shall assume the duties of the County Chair prescribed above.

9. Any Party Officer so removed shall be ineligible to serve as a Party Officer for the remainder of that term.

I. Duties of District Committees in Special Elections

1. When for any reason a vacancy occurs in an office requiring a special election, the appropriate District Committee shall meet at the call of the State Chair for the purpose of considering the endorsement of a candidate for the open office. A District Committee may endorse a candidate in a special election, even if more than one Democrat is seeking election.

2. The District Committee shall be composed of the same members who would convene to fill a statutory ballot vacancy for the open office. The State Chair or the State Chair’s designee shall preside over the meeting, and a Secretary shall be elected by the Committee to keep and prepare minutes.

3. The Chair shall provide at least 72 hours notice of the meeting after learning a vacancy has occurred or shall occur. In no case shall a meeting be called later than 14 days after the actual occurrence of the vacancy.

4. As the first order of business, balloting for or against an endorsement shall be conducted by recorded roll call vote or signed paper ballot. If an endorsement is approved, the same procedure shall be utilized in voting on candidates for the endorsement.

5. A candidate receiving a two-thirds vote of those present shall become the endorsed Democratic Party candidate in the special election. If no candidate receives a two-thirds vote on the first ballot, balloting shall continue until one candidate receives a two-thirds vote. If no candidate has received a two-thirds vote after the
fifth ballot, the low vote-getter will be removed from the list of eligible candidates before the sixth ballot is taken and this procedure will continue with every succeeding ballot until one candidate receives a two-thirds vote. If a tie shall occur between the bottom two vote-getters on or after the fifth ballot, there will be a coin flip with the loser being removed from the eligible list before the next ballot. In the event that five ballots between only two candidates do not result in one candidate receiving a two-thirds vote, the candidate receiving the majority vote shall be endorsed. If an unresolvable tie occurs (one lasting through five ballots) between the top two vote-getters, then the meeting shall be adjourned and there shall be no formally endorsed Democratic Party candidate. A majority of the District Committee can petition the State Chair to re-convene the Committee at any time up to ten days prior to the election.

6. The District Committee’s endorsed candidate will receive the help and support of the Democratic Party as if he or she were the Democratic nominee in the general election. The provisions of the Party Rules allowing for removal of Party Officers for failure to support the Democratic nominee shall not apply to an officer supporting a Democrat other than the one endorsed through this process.

ARTICLE IV
PARTY CONVENTIONS

It is a basic and fundamental precept of the Texas Democratic Party that always, and at all levels, there shall be no secret ballots, there shall be no fees charged for voting, and the meetings shall be open.

A. General Rules Governing Party Conventions

1. Compliance with Rules. Delegates to all Party Conventions shall be selected in accordance with state law and with these Party Rules and in compliance with the rules, regulations, and official directives of the previous National Convention and of the Democratic National Committee, as such directives pertain to the next National Convention.

2. Rules.

(a) It shall be the duty of the presiding officer at the opening of each convention to explain the rules governing that convention and the ways in which convention actions will influence important Party actions and decisions at subsequent convention levels.

(b) The current edition of Robert’s Rules of Order, Newly Revised, shall govern parliamentary procedure in all conventions, caucuses, and convention committees, except where contrary rules or procedures are specified in these Party Rules or by state law.

(c) A copy of all standing Party Rules which pertain to the conduct of the State Convention shall be printed in the official program of such Convention to be distributed to each Delegate during registration.

(d) The specific time and place for each State Convention Committee to meet shall be established in advance of the Convention. This information shall be printed in the appropriate place in the official Convention program distributed to delegates prior to the opening of the Convention.

(e) The State Chair, any Permanent Standing Committees, or any duly elected Party Officer shall be empowered to charge a nominal fee, which is to be no greater than the unit cost of printing and postage, for any materials required by these Rules to be provided to interested persons on request.

(a) Methods of Voting. The following methods of voting may be used in all conventions, caucuses, and convention committees: voice vote, (standing) division of the
house, roll call vote, teller vote, or signed written ballot. Unless otherwise specified in these Rules, the presiding officer may determine the voting method to be used on each particular question, except that on request of any qualified participant (who need not be recognized by the chair to voice such request), a standing division vote must be held, and the request of one-fifth of the qualified participants shall require a roll call vote.

(b) Secret ballots are specifically prohibited.

(c) Roll Call Votes. The Rules on roll call votes shall be as follows: in a Precinct Convention the roll shall be the list of all qualified Party members present; in a County or Senatorial District Convention, the list of all precincts within that county or senatorial district; and in the State Convention, the list of senatorial districts within the state. A motion to require a roll call vote shall take precedence over any other item of business.

(d) Voting For Officers. Voting for the following Party Officers, if there be more than one nominee, shall be by roll call or by written ballot. A written ballot shall record each delegate’s name, county, senate district and delegate’s choice of candidate. Each Officer shall be voted on separately and not as a slate: Permanent Chair of the State Convention, Chair of the SDEC, and National Committeemen and Committeewomen.

(e) Unit Rule. The use of the unit rule or the practice of instructing delegations shall not be permitted at any level of the convention process.

(f) Proxy Voting. Proxy voting shall be allowed in caucuses, conventions, and convention committees only when specifically permitted by law. (Texas Election Code §174.068) In any case, no proxies from any county shall be recognized at any convention or caucus so long as there is a Delegate present to cast the vote of the county. No person shall be permitted to hold or to vote a proxy for more than one county. (Texas Election Code §174.096)

(g) Voting Full Delegate Strength.

(i) Each multi-county senate district shall vote the full Delegate strength to which it is entitled, divided proportionately among the counties in attendance according to each county’s voting strength within the district. (Texas Election Code §174.096)

(ii) Each unit at each Convention shall vote the full Delegate strength to which it is entitled, divided proportionately to the vote of its Delegates in attendance. (Texas Election Code §174.068 and §174.096) The voting strength of each county in the Senatorial District or County Caucus shall be the same as the vote of that county on the floor of the Convention.

(iii) For any county which has no Delegates present in person or by proxy, those votes shall be apportioned based upon the vote of the Senatorial District so that the Senatorial District can vote its full Delegate strength.

4. Media. Representatives of the news media shall have the right to attend all conventions for purposes of reporting the proceedings. (Texas Election Code §174.002)

5. Minority Reports. Upon the vote of 20% of the Delegates to any convention or the members of any convention committee, a minority report shall be prepared and presented to the convention as a whole. Such minority report may be submitted to the convention for consideration either by way of amendment or as a substitute for a majority report, provided, however, that additional nominations for any Party office always may be made from the floor of the convention by any Delegate, except
where Delegates or Party Officers are elected by smaller units as provided in these Rules.

6. **Resolutions.** In order to be considered at State Convention, a written resolution must either have passed at a county or senatorial district convention or have been referred favorably to the Convention through the petition process.

7. **Petition Requirements.** A petition signed by 20% of the Delegates attending any convention shall automatically place a specified item of business on that Convention's agenda. A petition to have an item placed on the State Convention agenda must be submitted on forms prescribed by the State Chair. The Delegate signature, badge number, and county must be included; separate petition forms are required for each senatorial district to speed verification.

8. **Presidential Preference.** In presidential years, all persons nominated for Delegate or Alternate or for any Party Committee dealing with the Delegate selection process shall make known their presidential preference or uncommitted status to the relevant assembly prior to their election.

9. **Balancing Delegations.**

   (a) In selecting Delegates and Alternates at all levels, the Nominations Committee and the Convention itself shall make every effort to select persons so that the delegation as a whole shall reasonably reflect the political preferences (in non-presidential years) or the presidential preference (in presidential years) and the proportion of women, young people, and minorities present in the district or state.

   (b) At least one-third of the Delegates and one-third of the Alternates of any delegation elected at any level shall be of the sex opposite to that of the rest of the delegation.

10. **Ex-Officio Delegates.**

    (a) There shall be no automatic ex-officio Delegates included in convention delegations at any level, except that members of the Democratic National Committee, Officers and members of the SDEC and Democratic County Chairs shall serve as ex-officio voting Delegates to the State Convention. These ex-officio Delegates shall be added on as a part of their County and Senatorial District delegation. They shall not be replaced with an Alternate in their absence. In years when redistricting has changed district boundaries and numbers, SDEC members shall have the option of having their automatic delegate position be to either the district in which they were elected or to their new geographic district. In redistricting years, automatic delegates will inform the State Chair of their Senatorial District choice by no later than the SDEC meeting immediately preceding the State Convention.

    (b) Any incumbent State Chair, Vice Chair, member of the SDEC or National Committee, County Chair, or Senatorial District Chair, or Democratic holder of any state or federal office, may attend any Democratic Convention governed by these Rules, at any level, without being a Delegate or Alternate, and may exercise all floor privileges, except voting. These floor privileges shall include speaking on any question and serving as a Convention Officer. (Texas Election Code §174.097)

11. **Public Officials.** No person shall be ineligible to run for the position of Delegate or Alternate by reason of holding any public office.

12. **Nominations.**

    (a) **From the Floor.** In case there are floor nominations to fill an office that is to be held by more than one person (such as National Committeeman or Committeewoman or At-Large Delegate to a higher Conven-
tion), a person making a floor nomination shall identify both the floor nominee and nominee of the Nominations Committee against whom the floor nominee will be running. Proportional representation mandated by other Rules shall not be violated by the nomination or election of floor nominees.

(b) **Closing Nominations.** Unless otherwise stated in these Rules, nominations may not be closed until either no further nominations are forthcoming from the floor or a motion to close nominations has passed by a two-thirds vote. Such a motion, however, shall not be in order until “a reasonable time” has elapsed.

13. **Non-Attendance at Prior Convention.** No one shall be barred from election as a Delegate or Alternate to any convention because of non-attendance at that or any preceding convention, if such nominee otherwise qualifies for the post.

14. **Appearing at Committees.** Any Delegate attending any convention shall have the right to appear before any Convention Committee to make recommendations, either orally or in writing, before the Committee takes final action on its report. The Committee may establish by majority vote reasonable time limits for such presentations and shall allot equal time to all wishing to appear.

15. **Establishment of Districts.** The respective districts from which the members of Party Committees and Convention Delegates at all levels are elected in any given voting year—whether Delegates be elected by popular vote in the Primaries or by Party Convention—shall be the same as the corresponding districts used in the Primary and General Election of that voting year.

16. **Succession of Delegates at National Conventions.**

The succession of Alternate to Delegate status at National Conventions shall be governed by the following rules:

(a) A vacant Alternate position shall be filled by the Texas Delegation. The replacement shall be of the same presidential preference, shall be from Texas, and otherwise shall be eligible to serve as a Delegate.

(b) A Delegate who is to be absent or resigns may select from among the Alternates elected by the State Convention from which the Delegate was elected that particular Alternate of the same presidential preference, if possible, who shall assume Delegate status.

(c) When the Alternate is selected by the Delegate, the date for determining that the Delegate and the Alternate have the same preference shall be their preferences as of the date when the Delegate selects an Alternate.

B. **Precinct Conventions**

1. **Time and Place.** A Precinct Convention shall be held in each election precinct on the day of the Primary Election. No later than its statutory meeting in January, the County Executive Committee or, on its failure to act, the County Chair, shall set the time for convening Precinct Conventions at 7:15 p.m. At the same meeting, the County Executive Committee shall determine the place for the Precinct Convention to be the polling place for that precinct. If the polling place is not considered large enough for the expected number of participants, the County Executive Committee may select an alternate place which is located centrally and is easily accessible to the public. The time, date, place, and purpose of this statutory meeting of the County Executive Committee shall be publicized in advance. (Texas Election Code §174.022)

2. **Posting Notice.** At least 10 days before the Precinct Convention, the County Chair shall
post the time, date, place, and purpose of the Precinct Conventions within the county on a bulletin board at the County Courthouse and shall file a copy in the County Clerk's office, where it shall be open to public inspection. (Texas Election Code §174.023)

3. **Publicizing Meetings.** Precinct Chairs shall be further responsible for publicizing the time, place, and purpose of their respective conventions, including posting the time, date, place, and purpose of the convention at the polling place on election day.

4. **Eligibility to Participate.** Any qualified Democratic voter 18 years of age or older who resides in the precinct where the convention will be held and who votes in the Democratic Primary, whether early or in person, shall be eligible to attend, to participate in, and to be a candidate for any Party Office or for any Delegate or Alternate position to be filled at that convention.

5. **Duties of Convention Officers.** The Permanent Chair shall preside over the convention immediately upon being elected and shall be responsible for appointing any convention Committees as the Chair deems necessary or as directed by the convention. The Chair also shall be responsible for ensuring that an accurate written record of convention proceedings is kept, including the list of persons present and a list of Delegates and Alternates elected to the County or Senatorial District Convention. The lists shall include residence addresses and cities or towns. (Texas Election Code §174.027)

6. **Order of Business.** The order of business at Precinct Conventions shall be as follows:

   (a) Call to Order by the Precinct Chair, or, in the Chair's absence, by any qualified participant.

   (b) Preparation by the Precinct Chair of the Temporary Roll of the Convention. This shall be a list of qualified participants who are present, including their residence addresses with city or town. Persons arriving after the list of participants is completed and who are otherwise qualified to participate shall have their names entered on the list and may participate in proceedings subsequent to their arrival. Such persons, however, may not vote on matters previously voted upon or on which a vote has been called for by the Chair. Their political preference shall not cause a change in the proportional allocation of Delegates if the same has been announced at the time calling for the election of Delegates and Alternates in the Order of Business prescribed by the Rules.

   (c) Election from among those present of a Permanent Convention Chair, Secretary, and such other Officers necessary to conduct the business of the Convention.

   (d) Election of Delegates and Alternates to the County or Senatorial District Conventions.

   (e) Other Business: Committee reports, if any, resolutions, etc.

   (f) Adjournment.

7. **Submission of Records.** The record and a copy shall be signed officially by the Permanent Convention Chair, sealed, and transmitted safely in person, no later than the third day after the convention, or by certified mail, return receipt requested, no later than the second day after the Convention, by the Permanent Chair to the County Chair or County Executive Committee Secretary, who shall send a copy of the delegate and alternate list to State Party headquarters. Copies shall be retained on file at both the county and state office until the end of the primary election year. (Texas Election Code §174.027)

8. **Election of Delegates and Alternates.**

   (a) Apportionment.
(1) Each Precinct Convention shall elect one Delegate for each 25 votes, or major fraction thereof, cast in the precinct for the Democratic candidate for Governor in the last General Election, with each precinct entitled to at least one Delegate; provided, however, that for the years 2008 and 2010, each Precinct Convention shall elect one Delegate for each 15 votes, or a major fraction thereof, cast in the precinct for the Democratic candidate for Governor in the last General Election, with each precinct entitled to at least one Delegate. (Temporary Rule Change)

(2) If boundaries of an election precinct within a county were changed after the last General Election, however, the County Executive Committee shall determine the allocation of Delegates to such precinct(s), using any fair and reasonable method.

(3) Each Precinct Convention shall elect one Alternate for each Delegate.

(b) Qualifications. The qualifications for Delegates and Alternates shall be the same as those required for participation in the convention, except that a person otherwise qualified need not be present at the convention to be elected a Delegate or Alternate.

9. Delegation Chair. The Precinct Convention either shall elect a Delegation Chair or shall assign this responsibility to the delegation, either by action or inaction.

10. Election Procedure in Presidential Years. In presidential years, as all qualified participants enter their names, residence addresses, and cities or towns upon the Temporary Roll of the Convention, they also shall indicate their presidential preference or uncommitted status. When it is time in the Order of Business to elect Delegates and Alternates to the County or Senatorial District Convention, the procedure shall be as follows:

(a) The Convention Chair shall announce the number of eligible voting members on the roll, the number of Delegates and Alternates the Convention is entitled to elect, and the number and percent of each presidential preference or uncommitted status reflected on the roll.

(b) On the basis of such determination, those preferring each presidential candidate and those who are uncommitted shall caucus separately to elect the same proportion of County or Senatorial District Convention Delegates andAlternates as their group represents at the Precinct Convention. Persons in a group comprising entitlement to less than one Delegate may proceed to the caucus of their second choice.

(c) The percentages then will be refigured, if necessary, and the new figures shall be used to allocate positions by preference.

(d) Within each Caucus, participants may nominate themselves or any other participant in that Caucus for the position of Delegate. Nominations shall be open from the floor of the Caucus until a motion is made, seconded, and passed by a two-thirds vote to close nominations.

(e) Each participant may cast a number of votes equal to the number of Delegates allocated to such Caucus. Persons receiving the highest number of votes shall be the Delegates elected by the Caucus. The same number of nominees next highest in the voting shall be the Alternates.

(f) The election of the entire body of Delegates and Alternates chosen by the respective Caucuses in this manner then shall be ratified by majority vote of the Precinct Convention.

11. Election Procedure in Non-Presidential
Years. When it is time in the Order of Business to elect Delegates and Alternates to the County or Senatorial District Convention, the procedure shall be as follows:

(a) The Precinct Convention Chair shall announce the number of eligible voting members on the roll and the number of Delegates the Convention is entitled to elect.

(b) The Chair shall then announce that any individual or group present may submit a written petition to caucus, explain it briefly, and permit other participants at the Convention to sign it. Participants may sign only one such petition.

(c) The Convention Chair should attach copies of all signed petitions to the Minutes of the Convention.

(d) Those present who sign each petition shall then be permitted to caucus separately to elect their proportionate share of the total number of Delegates and an equal number of Alternates.

(e) If no petitions are submitted, all Delegates and Alternates shall be elected at-large by majority vote.

(f) If one or more petitions are offered, the procedures shall be as follows:

(1) The Chair shall announce the number and percentage of participants who signed each petition and the proportionate share of Delegates and Alternates each group is entitled to elect.

(2) Persons in a group comprising entitlement to less than one Delegate may proceed to the Caucus of their second choice.

(3) Within each Caucus, participants may nominate themselves or any other qualified person for the position of Delegate. Nominations shall be open from the floor of the Caucus until a motion is made, seconded, and passed by a two-thirds vote to close nominations.

(4) A person otherwise qualified need not be present at the Convention to be elected a Delegate. Each participant may cast a number of votes equal to the number of Delegates allocated to such Caucus. Persons receiving the highest number of votes shall be the Delegates elected by that Caucus. The same number of nominees next highest in the voting shall be the Alternates.

(5) Participants who do not sign a petition shall be allowed to caucus as a group to elect their proportionate share of the total delegation.

(g) Any remaining Delegates and Alternates shall be elected at-large by majority vote.

(h) The above procedure shall be followed except under the circumstances described below:

(1) If the Convention is entitled to elect only one Delegate and one Alternate, they shall be elected at-large by majority vote.

(2) If none of the Caucuses are entitled to at least one Delegate and Caucuses do not wish to combine to increase their strength, all of the Delegates and Alternates shall be elected at-large by majority vote.

(3) If, in the judgment of the Convention Chair, the composition of the delegation fails to meet the requirements of these Rules, the Chair may request any Caucus to reconvene for the purpose of achieving balance or may suggest additional qualifications for anyone to be elected as an at-large Delegate or Alternate so that balance is achieved in the delegation as a whole. A Convention Chair who takes such action must specify the applicable Rules on which this decision is based.
(i) The election of the entire body of Delegates and Alternates chosen in the manner described above shall be ratified by majority vote of the Precinct Convention.

12. Voting for Multiple Positions. Each participant may cast a number of votes equal to the number of Delegates allocated to such Caucus. For example, if there are three positions to be filled, each delegate may cast three full votes in the following manner:

(a) one vote for each of three candidates;
(b) two votes for one candidate and one vote for one other candidate; or
(c) three votes for a single candidate.

Only a full vote may be cast; fractions of a vote are prohibited. Persons receiving the highest number of votes shall be the Delegates elected by that caucus.

C. County and Senatorial Conventions

1. Time and Place. Each County and Senatorial District Convention shall be held on the third Saturday after the First Primary; however, if that date occurs during Passover or on the day following Good Friday, the Convention shall be held on the next Saturday that does not occur during Passover or on the day following Good Friday. The Convention shall be held in a place easily accessible to the public and large enough to accommodate all participants. The Convention shall be publicized in the same manner prescribed by Party Rules for Precinct Conventions. (Texas Election Code §174.063)

(a) County Conventions. A County Convention shall be held at a time and place set by the County Executive Committee at its statutory meeting in January.

(b) Senatorial District Conventions. At the statutory meeting of the County Executive Committee in January, the Precinct Chairs for the election precincts which will select Delegates to each Senatorial District Convention or, on their failure to act, the Temporary Chair of the Convention, shall determine the exact time and place where each respective Senatorial District Convention shall be held. Each Temporary Chair shall post such order on the bulletin board at the County Courthouse and file notice with the County Clerk at least 10 days before the Convention. Should any Temporary Chair fail to post the order and to file the notice, any member of the County Executive Committee entitled to participate in the decision may post and file such notice. Should more than one do so, the first posting and filing in point of time shall prevail. (Texas Election Code §174.064)

2. Conditions for Holding Senatorial District Convention.

(a) When parts of one county belong to more than one senatorial district, there shall be held, in lieu of a County Convention, a Senatorial District Convention for each part of the county falling into a different senatorial district.

(b) Any county containing portions of two or more senatorial districts may elect to combine the Senatorial District Conventions of two or more adjoining senatorial districts into a single County or sub-county “Regional” Convention; provided, however, that the resulting Convention shall not be composed of more than 2,500 delegates. The Precinct Chairs in each senatorial district involved must by majority vote adopt a resolution to hold such Convention at a meeting for which 30 days prior notice has been mailed to all members of the County Executive Committee.

(c) Any such Convention [referred to in foregoing paragraph (b) above] shall:
(1) Elect Convention Committees proportionately representative of each senatorial district in attendance;

(2) Group precincts solely within senatorial districts;

(3) Elect At-Large Delegates and Alternates from each senatorial district in such manner as to ensure that each senatorial district receives its proportionate number of Delegates and Alternates and that such Delegates and Alternates reflect the political preference (in non-presidential years) or the presidential preference (in presidential years) of that senatorial district;

(4) Allow only members of a senatorial district to make nominations and vote on the election of At-Large Delegates and Alternates from that senatorial district on the floor of the Convention.

3. Eligibility to Participate. Each County and Senatorial District Convention shall be composed of all Delegates (or their Alternates who assumed Delegate status) in attendance who were duly elected at their respective Precinct Conventions. (Texas Election Code §174.021)

4. Temporary Roll. The County or Senatorial District Chair shall deliver the lists of all such Delegates and Alternates to the Convention, and these lists shall constitute the Temporary Roll. Only those Delegates listed thereon, or their Alternates who assume Delegate status, may vote on the temporary organization of the Convention. Proxy voting shall not be permitted. (Texas Election Code §174.068)

5. Committees. Convention Committees shall be the Committees on Credentials, Nominations, Platform and Resolutions, and Rules and Procedures. For those Conventions with thirty or more possible Delegates, each committee shall be composed of between 8 and 15 members elected from among the Delegates to the Convention by the County or Senatorial District Committee at its statutory meeting after the First Primary. For those conventions with less than thirty possible Delegates, each committee shall be composed of between 4 and 15 members elected from among the Delegates to the Convention by the County or Senatorial District Committee at its statutory meeting after the First Primary.

(a) Generally. The officers of the County and Senatorial District Convention shall have the same duties as those of the Precinct Convention, except for disposition of Convention records, which shall be as follows: The Permanent Chair shall make out in duplicate a certified list, signed by the Permanent Chair and Secretary, of Delegates and Alternates to the State Convention and of all resolutions adopted by the Convention. Within five days after the Convention, the Chair shall forward these sealed documents by registered or certified mail to the State Chair prior to any State Convention. (Texas Election Code §174.069)

(b) Temporary Chair at County Convention. The County Chair, or, if absent any Delegate to the Convention present, shall serve as Temporary Convention Chair. (Texas Election Code §174.065)

(c) Temporary Chair at Senatorial District Convention. The Chair of the Senatorial District Committee shall be the Temporary Chair in a Senatorial District Convention composed of only part of one county. The Senatorial District Committee member (not to be confused with the SDEC member for the senatorial district) shall be the Temporary Chair of the Senatorial District Convention for a part of a county which is joined with another territory in a senatorial district.
7. Order of Business. The order of business at County and Senatorial District Conventions shall be as follows:

(a) Call to Order.

(b) Establishment of Temporary Roll of Delegates.

(c) Report of Credentials Committee. The credentials report shall include recommendations regarding challenges of Delegates or delegations, shall be considered according to the Rules in Article V, and shall be acted upon before other business is considered.

(d) Report of the Rules and Procedures Committee and action on its report.

(e) Election from among those present of a Permanent Convention Chair, a Permanent Secretary, and other officers necessary to conduct Convention business. (Texas Election Code §174.065)

(f) Election of Delegates and Alternates to the State Convention.

(g) Other Business: Committee reports, resolutions, etc.

(h) Adjournment.

8. Election of Delegates and Alternates.

(a) Apportionment. The ratio for the selection of Delegates to the State Convention shall be one Delegate for each 300 votes or major fraction thereof cast in the county for the Party’s candidate for Governor in the last General Election. Each County or Senatorial District Convention, however, shall elect at least one Delegate and one Alternate to the State Convention; provided, however, that for the years 2008 and 2010, the ratio shall be one Delegate and one Alternate for each 180 votes or major fraction thereof cast. (Temporary Rule Change)

(b) Number of Alternates. Each County and Senatorial District Convention shall elect one Alternate for each Delegate.

(c) Qualifications. Qualifications for Delegates to the State Convention shall be the same as those for Delegates from the Precinct Conventions.

9. Delegation Chair. The County or Senatorial District Convention either shall elect a Delegation Chair or shall assign this responsibility to the delegation, either by action or inaction.

10. Election Procedure in Presidential and in Non-Presidential Years.

(a) The order of business for each County or Senatorial District Convention shall include a provision allocating to each precinct the right to elect one Delegate and one Alternate for each full 300 votes cast in the precinct for the Democratic nominee for Governor in the last General Gubernatorial Election; provided, however, that for the years 2008 and 2010, the ratio shall be one Delegate and one Alternate for each full 180 votes cast. (Temporary Rule Change)

(b) At its statutory meeting in January, the County or Senatorial District Committee shall group together precincts which cast fewer than 300 votes so that those precincts can caucus to elect one Delegate and one Alternate for those 300 votes. These groupings shall be made on the basis of geographical proximity and demographic similarity, insofar as possible, and shall total a full 300 votes and as close thereto as possible. No precincts shall be divided in the grouping. If there be only one such precinct in a county, or if all such precincts combined do not total a full 300 votes, such precinct(s) shall be assigned to another precinct for caucus purposes by the County or Senatorial District Committee at its January meeting.
Provided, however, that for the years 2008 and 2010, the ratio for the selection of Delegates to the State Convention shall be one Delegate for each full 180 votes cast in the county for the Party's candidate for Governor in the last General Election. *(Temporary Rule Change)*

(c) When it is time in the Order of Business to elect Delegates and Alternates to the State Convention, the precincts or grouped precincts shall caucus and make nominations within their respective caucuses according to the following procedures:

(1) Within each caucus, participants may nominate themselves or any other qualified person for the position of Delegate.

(2) Each Delegate present shall vote for one nominee. Those nominees equal to the number of Delegates allotted to that precinct or group of precincts who receive the highest number of votes shall be the precinct recommendations for Delegates to the State Convention. The same number of nominees next highest in the voting shall be the recommendations for Alternates to the State Convention.

(3) These nominations shall be forwarded immediately to the Nominations Committee and shall be included in the list of Delegates and Alternates to the State Convention. The Nominations Committee shall select other nominees for At-Large Delegates and Alternates to bring the total to the full number authorized for the county or senatorial district. Following any additional nominations for At-Large Delegates which may be made from the floor subsequent to the Nominations Committee report, the Convention as a whole shall ratify the election of Delegates and Alternates recommended by the precincts and shall elect the At-Large Delegates and Alternates needed to complete the delegation.

(d) At the County or Senatorial District Conventions, precincts shall elect their Delegates in accordance with Party Rules, and At-Large Delegates shall be selected by the Convention according to the following procedure:

(1) Either a written poll of Delegates or a roll call poll of the Convention shall be conducted to determine political preferences. The method to be used shall be determined by the County or Senatorial District Committee in advance of the Convention or, if it fails to act, by the Permanent Convention Chair. The written poll of Delegates may be either by ballot or by sign-in sheet on forms prescribed by the County or Senatorial District Committee. These forms shall require the signature of each Delegate, attesting to the Delegate’s political preference (in non-presidential years) or presidential preference or uncommitted status (in presidential years). No Delegate may sign more than once. Final establishment of the poll, either by roll call or in writing, shall be the first order of business immediately following the election of Permanent Convention Officers and before the Convention conducts any other business.

(2) Upon completing the poll, results shall be tabulated by a committee appointed by the Permanent Convention Chair and composed of at least one person for each known political or presidential preference. The Chair then shall announce the tabulation results to the convention by number and percentages of votes received by each political or presidential preference. The tabulation then shall be written into the permanent records of the Convention and shall be reported as part of the minutes. The poll records, including
the ballots, sign-in sheets, or roll call poll, shall be retained by the County or Senatorial District Chair as part of the official files of the Convention for at least six months. Such records shall be open to public inspection at reasonable hours upon request.

(3) Any written forms used in conducting such poll, or the announced method of polling, if by roll call poll, shall include all known political preferences (in non-presidential years) or presidential preferences and uncommitted status (in presidential years) of Delegates, but shall not limit the right of any Delegate or group of Delegates to indicate their preference in any manner which they choose.

(4) Poll results shall be used by the Nominations Committee and by the Convention as a whole as the basis for nominating and for electing At-Large Delegates so as to ensure the fairest possible representation of the Convention participants as a whole within the total delegation, without disturbing the Precinct Caucus election results. The threshold will be the lowest allowed by the National Committee (which at present is 15%).

(5) A person nominated for Alternate by a Precinct Caucus shall be eligible for election as an At-Large Delegate. When the Nominations Committee selects an Alternate from a Precinct Caucus to serve instead as an At-Large Delegate, the Nominations Committee shall declare such Alternate position vacant and shall fill it as if it were an At-Large Alternate position.

(6) In the case of a tie vote for either Delegate or Alternate, the Delegate or Alternate shall be determined by lot or chance.

11. Succession of Alternates to Delegate Status.

At the County and Senatorial District Convention, the succession of Alternates to Delegate status shall be governed by the following provisions:

(a) A Delegate who is to be absent or resigns may select from among the Alternates of the precinct from which the Delegate was elected, the particular political preference (in non-presidential years), if possible, or the same presidential preference (in presidential years), if possible, who shall take the Delegate’s place.

(b) If a Delegate is unable to or fails to select the Alternate to assume Delegate status, the delegation shall select from among the Alternates from the precinct from which the Delegate was elected, the particular Alternate of the same political preference (in non-presidential years), if possible, or of the same presidential preference (in presidential years), if possible, who shall take the Delegate’s place.

(c) A vacant Alternate position shall not be filled.

(d) When the Alternate is selected by the Delegate, the date for determining that the Delegate and the Alternate have the same preference shall be their preference as of the date when the Delegate selects an Alternate.

D. State Convention

1. Time and Place. The Texas Democratic Party shall hold its State Convention in June of even-numbered years. The time for convening the State Convention and the date and place shall be selected by the SDEC at least three years in advance so as to maximize participation. The SDEC shall decide the time, date, and place no later than the 59th day before the primary. No later than the day of the primary, the State Chair shall file notice of the time, date, and place with the Secretary of State and shall mail
a copy to all County and Senatorial District Chairs. (Texas Election Code §174.092 and §174.093)

2. Notice. The notice of the Convention mailed to County and Senatorial District Chairs shall include a copy of the Party Rules, any supplemental rules which may apply, and the proposed Convention agenda.

3. Eligibility to Participate. The State Convention shall be composed of Delegates duly elected from County and Senatorial District Conventions. Additionally, members of the Democratic National Committee, officers and members of the SDEC, and Democratic County Chairs shall serve as ex-officio voting Delegates to the State Convention.

4. Purpose.

(a) The purpose of the State Convention shall be to elect a State Chair, First Vice Chair, Vice Chair for Finance, Secretary and Treasurer; to elect the 62 members of the SDEC from their respective senatorial districts; to adopt a platform which embodies the basic principles of the Democratic Party and which sets forth its positions on current issues of statewide significance for the November General Election; to announce the nominations for Governor and other state offices; and to attend to any other appropriate business.

(b) Additionally, in presidential years, the Convention shall elect Delegates and Alternates to the Party's National Convention; elect the Party's official nominees from Texas for the Democratic National Committee (such nominees shall be elected formally by the National Convention in accordance with National Committee Rules); and select the official slate of Presidential Electors.

5. Officers and Committees.

(a) Temporary Officers. The State Chair may designate such Temporary Officers and assistants deemed necessary to plan, to arrange, and to conduct the necessary work of the Convention until Permanent Officers are elected. These appointees shall have those duties which are assigned to them.

(b) Permanent Officers.

(1) The Permanent Officers of the Convention shall be a Chair, Vice Chair, Secretary, and Parliamentarian. The Convention may elect such additional Permanent Officers as the SDEC may recommend to carry on Convention business.

(2) The SDEC shall, by majority vote, nominate a Permanent Chair, a Permanent Vice Chair of the opposite sex, a Permanent Secretary and a Parliamentarian at least one month before the State Convention. Additional nominations accompanied by a petition signed by at least one percent of the duly-elected Delegates to the Convention shall be accepted from the floor of the State Convention from any Delegate. No Delegate may sign more than one nominating petition for any given office.

(3) The Permanent Officers of the Convention shall be elected by a majority of the State Convention Delegates. Each Permanent Officer shall be voted on separately and not as part of a slate.

(c) Temporary Credentials Committee. A Temporary Credentials Committee composed of members shall be appointed by the State Chair, who also shall appoint the Committee Chair. Its duties shall be to hold such preliminary meetings and hearings as it deems necessary to gather facts about challenges to the credentials of individual Delegates or delegations to the State Convention and to report to the SDEC, which shall establish the Temporary Roll of the
Convention. This written report also shall be submitted to the Permanent Credentials Committee of the State Convention to expedite the latter's work and avoid undue delays in the orderly progress of the Convention. The State Chair shall ensure that the Temporary Credentials Committee is broadly representative of the state's population in terms of geography, age, sex, ethnic identity, race, and philosophical persuasion.

(d) Temporary Resolutions Committees.

(1) The Chair shall convene a Temporary Resolutions Committee to consider and recommend to the State Convention Permanent Resolutions Committee, Permanent Platform Committee and Permanent Rules Committee resolutions submitted by County and Senatorial District Conventions.

(2) The Temporary Resolutions Committee shall consist of one member of the SDEC from each Senate District. The members of each district shall decide which member shall serve. If both wish to serve, the State Chair shall conduct a coin toss to determine the member to serve. If neither are able to serve, the State Chair shall appoint a replacement from that district with the advice and consent of the applicable SDEC committee members where the vacancy occurred. The State Chair shall appoint the Chair of the Committee. The Chair does not have to be chosen from among those selected as members of the Committee.

(3) The Temporary Resolutions Committee shall meet at a time and place and as often as necessary as determined by the State Chair. A quorum of the Committee shall be 10 members.

(4) All resolutions passed by a County or Senatorial District Convention shall be submitted with the minutes of the Convention to the State Party Chair. The Chair shall refer all such resolutions to the Temporary Resolutions Committee.

(5) The Temporary Resolutions Committee shall determine if any resolutions or substantially similar resolutions have passed multiple County or Senatorial District Conventions. Any such resolution shall be referred directly to the Permanent Resolutions Committee for consideration. Any other resolution that was submitted by a convention shall be considered by the committee and must obtain a 2/3 vote of the quorum present at the meeting to be recommended to the Permanent Resolutions Committee at the State Convention for consideration. The Temporary Resolutions Committee shall have the discretion to non-substantively re-write and format resolutions to make them appropriate for consideration. Such changes and formatting shall not require a vote of the committee for the changes to be made.

(6) All memorial and congratulatory resolutions shall be referred directly to the Permanent Resolutions Committee of the State Convention. The Permanent Committee may recommend them as one motion for adoption by the Convention with a direction for the Party staff to prepare the adopted resolutions for presentation to the group, person or their family, as appropriate.

(7) Any resolution that addresses a local issue or policy that does not rise to statewide significance should not be recommended by the Temporary Resolutions Committee for a State Convention vote. Such resolutions have served their purpose upon adoption by the local County or
Senatorial District Convention.

(8) All resolutions that pertain to the Rules of the Texas Democratic Party, party procedural matters or other party governance issues shall be referred by the Temporary Resolutions Committee to the Permanent Rules Committee of the State Convention.

(9) Any resolution that considers an idea or policy that should be considered for inclusion in the Party Platform shall be referred by the Temporary Resolutions Committee to the Permanent Platform Committee of the State Convention.

(e) Resolution Recommendation or Adoption by Petition.

(1) Any Delegate or Alternate to the State Convention may submit to the Chair or a designee a proposed resolution for consideration by the Convention. The resolution shall be filed between the hours of 9 am and 6 pm on Friday of the State Convention. It shall be assigned a Resolution Number and given a short title.

(2) Proponents of the resolution will be given a prescribed petition form for the purpose of obtaining signatures. It shall be the responsibility of the proponents of the resolution to reproduce sufficient copies of the petition.

(3) Each signature must be accompanied with the Senator District number of the signer. Alternates to the Convention may sign any petition even if they have not been elevated to Delegate status.

(4) Any resolution for which signatures have been obtained from 30% of the number of Delegates to the Convention (as certified by the Credentials Committee as the Permanent Roll) shall be presented to the Convention for discussion and a vote. A submission of such resolution shall immediately be recognized as being before the Convention as the next order of business after completion of any item then under consideration. Any resolution for which signatures in excess of 50% of the number of Delegates to the State Convention have been obtained shall be adopted by the Convention upon submission to the Permanent Chair and shall not require a vote of the Convention. The Permanent Chair shall announce the adoption of such resolution.

(f) Permanent Committees.

(1) Composition. The Permanent Committees of the State Convention shall be those on Credentials, Nominations, Platform, Resolutions, and Rules. In presidential years, there shall also be the Nominations Committee for At-Large Delegates to the National Convention. Each Permanent Committee except Credentials shall be composed of 34 members, one member to be elected to each Committee by each Senatorial District Caucus and three members to be appointed by the Permanent Convention Chair. The Permanent Credentials Committee shall consist of 33 members, one elected by each Senatorial District Caucus, and the Permanent Chair and Secretary appointed by the State Chair.

(2) Temporary Chair. The Permanent Convention Chair shall designate one member of each Permanent Committee to be Temporary Chair. The Temporary Credentials Committee Chair shall serve as an ex-officio member of the Permanent Credentials Committee but shall not vote unless that person is one of the members elected by a Caucus or one of the two officers appointed by the State Chair.

(3) The Platform Committee shall write and recommend to the Convention a Party platform for the November General Election.

(4) The Resolutions Committee shall consider and recommend all resolutions submitted to the Convention, other than those within the proper jurisdiction of the Platform Committee.

Further, the reports of any Committee may be divided and partial reports given and adopted as necessary. Specifically, the report of the Committee on Resolutions can be made by the Chair of the Resolutions Committee forwarding individual resolutions as they are recommended by the Committee to the Permanent Chair for action.

The Temporary Chair of the Permanent Committee on Nominations shall determine the tabulation results by number and percent of votes received by each presidential preference.

(f) The Chair shall announce the results of the sign in for the convention as a whole by number and percent of sign-ins received by each presidential or uncommitted preference and by the number of Pledged Party and Elected Official Delegates and number of At-Large Delegates allocated to each presidential or uncommitted preference.

(g) These sign-in sheets and final tabulations shall be available for public inspection after the convention at the State Democratic Executive Committee’s office.

8. Election of National Delegates/Alternates. The election of Delegates and Alternates to the National Convention shall be governed by the Texas Delegate Selection Plan adopted by the SDEC and approved by the National Committee for that presidential year.

9. Election of National Committee Members. At the State Convention held in presidential years, the Convention shall elect, by majority vote, the Texas nominees to the Democratic National Committee (DNC). The number of these members shall be set by the DNC, and their election shall be subject to formal ratification by the National Convention, as provided by the Rules of the National Committee.

(a) Qualifications. The qualifications for National Committee members shall be the same as those prescribed for Party membership in Article II.B. of these Rules.

(b) Pledge of Support. The National Committee members shall declare affirmatively in favor of the Party’s nominees for President and Vice President within one month after the National Convention, or they shall be subject to removal from office by the National Committee.

(c) Terms. The term of office for National Committee members shall begin immediately following the National Convention which ratifies their selection, or following ratification by the National Committee if a member is elected to fill an unexpired term. The regular four-year term shall extend through the first National Convention held subsequent to the election of such members or until their successors are elected and qualified.

(d) Nominations. In presidential years, the Nominations Committee shall consider all recommendations made to it by Convention Delegates and all nominations made by Committee members for National Committee members. The Committee’s report to the Convention may include more than one nomination for any position on the National Committee.

(e) Elections. After the Nominations Committee presents its report to the Convention, minority reports which comply with Party
Rules shall be presented, followed by additional nominations, if any, from the Convention floor. The Convention as a whole then shall elect each of its National Committee members by majority vote.

(f) **Vacancies.** Any vacancy in these offices which occurs after a National Convention and before the next presidential State Convention shall be filled promptly by a majority of the SDEC, provided that members receive written notice at least 30 days before the meeting at which the election will be held. Any member of the SDEC may nominate a candidate for the vacant office.

10. **Election of Presidential Elector Candidates.**
At its State Convention, in presidential years, the Party shall nominate as many Presidential Elector candidates as the total number of U.S. Senators and U.S. Representatives to which the state legally is entitled at that time.

(a) **Qualifications.** The qualifications for Presidential Elector candidates shall be the same as those prescribed for Party membership in Article II.B of these Rules. Legally, however, a Presidential Elector may not be a member of the United States Congress or anyone who "holds any other federal office of profit or trust." (Texas Election Code § 192.002)

(b) **Duties.** The duties of Presidential Electors shall be to meet in the Capitol Building at Austin on the first Monday after the second Wednesday in December following their election (or at such other time and place as may be required by law), and to vote for President and Vice President of the United States, making such return thereof as is required by federal law.

(c) **Election Procedure.** Presidential Elector candidates shall be chosen in the following manner:

(1) Each Senatorial District Caucus shall elect by majority vote one candidate for Presidential Elector. If Texas is entitled to more than 31 Electors, each senatorial district shall be entitled to one Elector and the remaining Elector positions shall go to the senatorial districts with the highest vote for the Democratic nominee in the preceding presidential election in descending order until all positions are allocated.

(2) The names of all Electors so chosen by the Senatorial District Caucuses shall be submitted to the Convention’s Permanent Nominations Committee for SDEC members. The Committee shall compile a list of these Electors to report to the Convention and shall make any additional nominations or any determinations by lot necessary to make the slate numerically correct. The required number of Presidential Elector candidates shall be certified to the Secretary of State by the State Chair and Secretary at least 60 days before the election. (Texas Election Code § 192.031)

(d) **Affidavit.** After the Party’s National Convention and prior to September 1, each Presidential Elector candidate shall file with the State Chair a written affidavit attesting the intention to support the Party’s Presidential and Vice Presidential nominees. Any Elector candidate chosen at the State Convention who fails to file such an affidavit shall be replaced by the SDEC with an Elector from the same senatorial district.

(e) **Vacancies.** If for any cause, before the General Election, a Party’s chosen Elector becomes legally disqualified, the State Chair shall certify the replacement name and address to the Secretary of State. If for any cause, after the General Election, a Party’s chosen Elector fails to attend the meeting of the Electors and vote as required by law,
or if an Elector becomes legally disqualified, a majority of the qualified Electors present after having convened may appoint a successor and shall report such action immediately to the Secretary of State. (Texas Election Code § 192.004 and § 192.007)

11. Succession of Alternates to Delegate Status.
The succession of Alternates to Delegate status at the State Convention shall be governed by the following provisions:

(a) A Delegate who is to be absent or resigns may select from among the Alternates of the county, if elected by a County Convention, or senatorial district, if elected by a Senatorial District Convention, from which the Delegate was elected, the particular Alternate of the same political preference (in non-presidential years) or presidential preference (in presidential years), if possible, who shall assume Delegate status. Ex-officio Delegates (Article IV.D.3) shall not be replaced if absent.

(b) If a Delegate is unable to, or fails to, select the Alternate to assume Delegate status, the delegation shall select an Alternate who meets the criteria described above.

(c) A vacant Alternate position shall not be filled.

(d) When the Alternate is selected by the Delegate, the date for determining that the Delegate and the Alternate have the same political preference (in a non-presidential year) or the same presidential preference (in a presidential year) shall be their preferences as of the date when the Delegate selects an Alternate.

ARTICLE V
CHALLENGES
The following rules shall govern credentials challenges at County, Senatorial District, and State Conventions:

1. Any Democrat may challenge any Delegate or Alternate, or any group of Delegates and/or Alternates certified to any Convention, provided the challenger and the challenged parties reside in the same county (or senatorial district) whose Convention elected the challenged Delegate(s) or Alternate(s). In the case of the County or Senatorial District Convention, the challenger shall deliver the copy of the challenge to the County or Senatorial District Chair and to the challenged Delegate(s) or Alternate(s) at least 3 days before the date of the Convention. In the case of a State Convention, the challenger shall deliver a copy of the challenge to the State Chair and to the challenged Delegate(s) or Alternate(s) within 16 days after the date of the County and Senatorial District Conventions.

2. Delegations, Delegates, or Alternates may be challenged for allegations of violations of these Party Rules.

3. The challenge shall be in writing and shall include the name and address of the Delegate(s) or Alternate(s) challenged and the precise grounds on which the challenge is based.

4. The State Chair shall send all challenges to the Chair of the Temporary Credentials Committee of the State Convention and to the Delegates or Alternates who are challenged. This shall be done as soon as possible after the challenges are received at the State Party Headquarters.

5. The Chairs of the Permanent Committee on Credentials of County and Senatorial District Conventions and the Chair of the Temporary Credentials Committee of the State Convention shall convene their respective Committees at the site of the Convention in question at least 24 hours before the time when the Convention is to meet.

6. The Credentials Committee of any Convention shall consider any statements from the challenger, from the Delegates or Alternates
being challenged, and from any other person who wishes to testify on the challenge. In hearing a challenge, the Credentials Committee may allot a period of time within which the challenger and the challenged shall be granted equal time to make their statements.

7. In the case of a challenge, the Credentials Committee shall report to the Convention the names of the Delegates or Alternates whom the Committee believes are entitled to participate in the Convention. A minority of 20% of the Committee may present a minority report on any challenge to the Convention. When a number of challenges are to be resolved, the Credentials Committee shall report on each in alphabetical or numerical order by county or by precinct in which the Delegates or Alternates being challenged reside.

8. The Convention shall vote separately on each challenge presented as part of the report of the Credentials Committee. The report of the Credentials Committee on each challenge must be approved by a majority vote of the Convention before a Delegate or Alternate being challenged may participate further in the Convention. No challenged Delegate or Alternate may vote on the report of the Credentials Committee which involves the Delegate’s or Alternate’s respective challenge.

ARTICLE VI
ADOPTION, STATUS, AMENDMENT, PUBLICIZING OF RULES AND PARLIAMENTARY PROCEDURE

A. Adoption and Status

1. These Rules shall continue in force until rescinded or permanently changed by action of the State Convention, or as temporarily amended by the SDEC as provided herein, and are enforceable by mandamus proceedings as provided under Texas law.

2. Notwithstanding anything in these Rules to the contrary, the laws of the State of Texas take precedence over these Rules in the event of a conflict, so long as application of those laws does not infringe on the Party’s rights of self-government under the Constitutions of the United States and the State of Texas.

3. Without limiting the generality of the foregoing, any statute that burdens the Delegate selection process in such a way as to create a conflict with National Party Rules relating to Delegate selection or instruction shall not be given effect if, in the opinion of the SDEC, such statute would imperil the participation of the Texas Democratic Party in National Party affairs. Such determination shall be made by the SDEC after 30 days notice and by a two-thirds vote of the membership.

B. Amendment

1. These Rules may be permanently amended, altered, or repealed only by a majority vote of the State Convention.

2. Between State Conventions, they may be temporarily changed for good cause by three-fourths vote of the SDEC; provided, however, that the vote to amend shall constitute three-fourths of the entire Committee membership and also provided that each member of the SDEC receive written notice including the full text of any proposed amendments at least one month in advance of a meeting held for this purpose. All such amendments shall be presented to the next State Convention for approval, although they shall be in effect and binding until such Convention is held.

3. If any amendment attached by the SDEC be rejected by the State Convention, it may not be proposed again until the following State Convention.

C. Publicizing of Rules
1. Publicizing of these Rules shall be made by mailing a copy to all County Chairs and members of the SDEC and to interested persons who request copies from the State Headquarters. The State Chair, County Chairs and members of the SDEC shall make every effort to publicize the Rules well in advance of each Convention and to explain them summarily at the opening of each Convention.

2. A copy of any amendment to these Rules shall be filed promptly with the Secretary of State and shall be included in all sets of Rules distributed from the State Headquarters.

D. Parliamentary Authority

The parliamentary authority of the Texas Democratic Party, its clubs and affiliated organizations shall be the current edition of Robert’s Rules of Order, Newly Revised. The parliamentary authority shall govern all meetings, committees and conventions except where superseded by federal and state laws and these Rules.

ARTICLE VII
NATIONAL DELEGATE SELECTION RULES

A. Delegates

1. In presidential years, the Party shall hold a presidential preference primary election (the “presidential primary”) at the same time, in the same manner, and using the same ballot as for the general primary election (the “first primary”). (Texas Election Code §191.004)

2. To qualify for a place on the presidential primary ballot, a candidate must:
   (a) Timely file all documents, if any, required by the Texas Affirmative Action Plan or the Texas National Delegate Selection Plan.
   (b) File an application for a place on the presidential primary ballot in accordance with the same Election Code provisions applicable to a candidate for the United States Senate, including submission of an appropriate petition subject to the limitations of Section 191.002 of the Texas Election Code or payment of the same filing fee. The oath on the application of a presidential candidate shall be:
   “I, ______________________ (Name), of _______________ (City),
   ______________________ (County/Parish),
   ______________________ (State), being a candidate for the Office of President of the United States, swear that I will support and defend the Constitution and laws of the United States. I further swear that I will fully support the Democratic nominee for President, whoever that shall be.”

3. The names of all candidates qualifying to appear on the presidential primary ballot shall be certified in accordance with Article III.C.1. of these Rules, except that the State Chair also shall certify all presidential preferences to the Secretary of State. The SDEC shall, at the meeting required in Article III.C.1., decide by majority vote whether to include “Uncommitted” as an alternative on the presidential primary ballot. (Texas Election Code §191.004)

4. Results of the presidential preference primary election shall be canvassed at the same time and in the same manner as for the first primary, except that the SDEC also shall certify the results of the presidential preference primary election totaled by senatorial district.

5. The total number of Delegates and Alternates to the National Convention shall be that number allocated by the National Committee in its official Call to the Convention.

6. The process for selection of Delegates and Alternates to the National Convention shall be governed by the Texas National Delegate Selection Plan adopted by the SDEC for the presidential year. If the Plan and these Rules conflict as relates to the selection of Delegates
and Alternates to the National Convention, the Plan shall be considered to supersede these Rules for that purpose alone.

7. Each elected Delegate shall be entitled to cast one vote at the National Convention, and the total vote permitted the State’s delegation shall not exceed the number of its Delegates in attendance at the Convention.

8. (a) At least 75% of the base number of Delegates, not including designated Party and Elected Official Delegates, shall be elected by Senatorial District Caucuses at the State Convention. The exact number (between 75% and 100%) to be so elected shall be determined by majority vote of the SDEC at its meeting in January of presidential years and shall be included in the official Call to the State Convention of that year.

(b) Such Delegates shall be apportioned among the 31 senatorial districts by a formula giving equal weight to (a) the Democratic vote in the last gubernatorial election; and (b) the Democratic vote in the last presidential election. The formula may be stated mathematically as follows:

Let P equal a given district’s percentage of the statewide Democratic vote in the last gubernatorial election, and let V equal that district’s percentage of the total statewide vote for the Democratic nominee in the last presidential election (district vote/state vote).

(P + V) divided by 2 = that district’s percentage of the total number of Delegates to be elected by the senatorial districts, as opposed to the number to be elected at-large.

(c) To apply the apportionment formula, multiply the resulting percentage times the total number of Delegates to be elected from all Senatorial District Caucuses. Assign each Senatorial District Caucus the whole number of Delegates resulting from this product. Assign remaining Delegates to Senatorial District Caucuses in descending order of fractional remainder, until all allocated Delegates have been assigned.

9. The remaining Delegates to the National Convention (between 0% and 25%) shall be elected at-large by majority vote of the State Convention as a whole. Such At-Large Delegates shall be nominated by the Convention’s Permanent Nominations Committee for At-Large Delegates and/or from the floor, in accordance with these Rules.

10. The explicit number of National Convention Delegates to be elected by each senatorial district and the explicit number to be elected at-large by the Convention according to the above procedures shall be announced by the State Chair and certified to the Secretary of State at least 30 days prior to the Precinct Conventions.

11. (a) The procedure for nominating and for electing Delegates within the Senatorial District Caucuses shall be as follows:

Each Senatorial District Caucus may choose, by majority vote, any of the following methods to nominate such officers, Delegates, Alternates, and members of permanent Convention Committees which the Caucus is entitled to elect: Elect a Nominations Committee(s); direct the Caucus Chair to appoint a Nominations Committee(s); or act as a Committee of the Whole, with all nominations made from the Caucus Floor.

(b) Regardless of the method chosen, however, all persons eligible to participate in a Caucus shall be permitted to nominate themselves or other eligible persons for any office to be filled by the Caucus. If a Nominations Committee is appointed, such nominations may be made by submitting them in writing to the Nominations Committee of the Caucus and/or by proposing them from the
floor after a Nominations Committee has made its report and before a vote is taken. (c) Election shall be by majority vote of the duly-elected Delegates in attendance at the Caucus, each casting a proportionate share of the full voting strength allotted to the county represented, and each entitled to vote for as many Offices, Delegates and Convention Committee members as there are positions to be filled by the Senatorial District Caucus.

12. No Texas Delegate to a National Convention may be selected by any method, whether called "direct election primary" or otherwise, which has the effect of being a winner-take-all Primary.

B. Alternates

1. The total number of Alternates shall be allocated among the senatorial districts in the same manner specified for Delegates, except that the exact number of Alternates to be elected by the Senatorial District Caucuses (between 75% and 100%) need not be set by the SDEC at a percentage identical to that set for Delegates.

2. After the Senatorial District Caucuses elect Delegates to the National Convention, they shall nominate and elect their Alternates in the same manner. A person nominated for Alternate by a Senatorial District Caucus shall be eligible for election as an At-Large Delegate. When the Nominations Committee selects an Alternate from a Senatorial District Caucus to serve instead as an At-Large Delegate, the Nominations Committee shall declare such Alternate position vacant and shall fill it as if it were an At-Large Alternate position.

3. Following the election of At-Large Delegates by the Convention, At-Large Alternates shall be elected in the same manner.

C. Succession of Alternates to Delegate Status

Alternates shall succeed to Delegate status according to the procedures outlined in Article IV.A.16 of these Party Rules.

D. Guidelines for Representation of the Delegation

1. The Convention shall make every feasible effort to encourage representation on the National Convention delegation of women, minorities, and youth in reasonable relationship to their presence in the population of the state.

2. Candidates for Delegate or Alternate shall be required to make known their presidential preference or uncommitted status to the relevant assembly prior to their election.
HOW TO BE A DELEGATE TO THE 2008 DEMOCRATIC NATIONAL CONVENTION

Texas will send 228 delegates and 32 alternates to the Democratic National Convention in 2008. These Texans will help choose the Democratic nominees for President and Vice President, and they will also express opinions on key national issues. We encourage you to participate and to run for national delegate. What follows is, in general terms, an explanation of how to be a delegate to the National Convention. If you want more information, read the “Texas Democratic Party National Delegate Selection Plan for 2008” and the “Rules of the Texas Democratic Party.” Both are available on the Texas Democratic Party website, www.txdemocrats.org.

FILING REQUIREMENTS

To become a delegate to the National Convention you must:

1. Vote in the 2008 Democratic primary;

2. File a Statement of Candidacy with the State Chair no earlier than April 21 and no later than May 21, 2008. Filing forms will be available from the Texas Democratic Party by April 5, 2008; and

3. Be elected by the State Convention in Austin, June 6 - 7, 2008. If you participate in all stages of the convention process and campaign among delegates to the State Convention, you will have a better chance to become a delegate.

PRESIDENTIAL PRIMARY

Texas will hold a presidential primary on Tuesday, March 4, 2008. The Primary will be open to any registered Texas voter who does not vote in another party’s primary and who does not attend another party’s political convention.

A total of 126 delegate positions (three-quarters of the base delegation) will be distributed to presidential candidates based on the results of the primary. Forty-two delegate positions (one-quarter of the base delegation) will be distributed based on the number of people attending the party’s conventions. The delegates themselves will be elected at our State Convention June 6-7, 2008, in Austin.

CONVENTION SYSTEM

Texas Democratic Party has a three-level convention system:

Level 1. Precinct Conventions;

Level 2. County Conventions (or Senatorial District Conventions in urban areas); and

Those who attend their Precinct Convention will elect delegates to the County/Senatorial Convention; those who attend their County/Senatorial Convention will elect delegates to the State Convention. Those who attend the State Convention will elect delegates to the National Convention.

PRECINCT CONVENTIONS

A convention will be held in your precinct at 7:15 p.m. on March 4, 2008, the same day as the Presidential Primary. The convention is usually held at the polling place and is open to anyone who votes in the Democratic Primary that day (or during the early voting period). There will be a sign at the polling place telling exactly where the convention will be held. If you can’t find a sign, ask your election clerk where the convention will be held.

The convention begins at 7:15 p.m. when the Precinct
Chair calls the convention to order. If the Precinct Chair is absent, anyone participating may start the meeting. The convention is governed by Robert's Rules of Order and Texas Democratic Party Rules. If you are late to the convention, you can still participate; however, you can't change what has already happened.

The first item of business is for everyone attending to sign in and indicate the presidential candidate (including undecided) you support. This is not a secret ballot. The State Party will provide your Precinct Chair with forms to use.

Next, the convention elects a Chair and Secretary to run the convention.

Third, the Chair announces:

1. The number of delegates to the County/Senatorial Convention the precinct will elect;
2. The percent of people attending the Precinct Convention who support each candidate; and
3. The number of delegates the supporters of each candidate are entitled to elect. Delegates are awarded to presidential candidates based on a candidate's share of supporters at the convention by using the following formula:

<table>
<thead>
<tr>
<th>E-Z Math Formula to Determine Threshold</th>
</tr>
</thead>
<tbody>
<tr>
<td>Number of People at Precinct Convention</td>
</tr>
<tr>
<td>Divided By</td>
</tr>
<tr>
<td>Number Of Delegates To County/Senatorial</td>
</tr>
<tr>
<td>Convention To Which The Precinct Is Entitled</td>
</tr>
<tr>
<td>Threshold (Number of People Required for a Candidate Caucus)</td>
</tr>
<tr>
<td>(Always Round Up)</td>
</tr>
</tbody>
</table>

   EXAMPLE:
   31 people attend a Precinct Convention which is entitled to 6 delegates to the County/Senatorial Convention. Divide 6 into 31 for an answer of 5.1. Since you always round up, the threshold for this Precinct Convention would be 6.

Fourth, supporters of each candidate gather in a group and elect delegates and alternates to the County/Senatorial Convention. Anyone who supports a candidate who did not win enough of the convention to elect one delegate may join the supporters of the candidate who is their second choice.

Voting within the group is done at one time. The group first secures enough nominations to fill all of the delegate and alternate positions. Each person casts as many votes as there are delegates to be elected. For instance, suppose you support Jane Doe for president and she is entitled to 4 delegates and 4 alternates to the County/Senatorial Convention. Your group must first make at least 8 nominations. Then, one vote is taken and you cast 4 votes. You may cast your votes for one person or split them among several people. The highest vote-getters are selected in rank order until all delegate and alternate positions are filled.

The Precinct Convention may take positions on issues.

**COUNTY/SENATORIAL CONVENTIONS**

If you are elected a delegate or alternate at your Precinct Convention, you may attend your County Convention on **Saturday, March 29, 2008**. In some urban counties, Senatorial District Conventions will be held instead of a County Convention.

The County Convention is called to order by the County Chair, who calls for the report of the Credentials Committee. The Credentials Committee is a committee of the convention that decides disputes over who has been elected a delegate or alternate. The committee is elected by the County Executive Committee before the convention.

You will first elect a Chair and Secretary to run the convention.
Next, a poll is taken of all the delegates to determine how many delegates of the convention support each candidate. The Chair will announce the results.

Fourth, delegates in each precinct, or sometimes a group of precincts, gather together to elect delegates and alternates to the State Convention. Within the group, the delegates and alternates are elected at one time, but you cast only one vote. The highest vote-getters are the delegates and the next highest are the alternates. For example, suppose your precinct gets to elect one delegate and one alternate to the State Convention. Only one election is held and you get to cast only one vote. Thus if 10 supporters of John Smith are present and all 10 vote for one delegate to the State Convention while 8 supporters of Jane Doe are present and all 8 vote for another delegate, then the John Smith representative will be the delegate and the Jane Doe representative will be the alternate.

The results of all the elections within the precincts are added together and given to the Nominations Committee. This committee then distributes the “at-large” delegates among each of the presidential candidates so that the county’s delegation reflects each candidate’s fair share of the convention. For instance, if supporters of Jane Doe made up 50% of your convention, the Nominations Committee would work to see that 50% of the delegates to the State Convention from your county would be her supporters. However, a candidate who wins less than 15% of the convention doesn’t have to be given any at-large delegates. The at-large delegation must also be used to make sure that the whole delegation is equally divided between men and women as far as mathematically practicable.

STATE CONVENTION

If you were elected a delegate at your County/Senatorial Convention, you may participate in the State Convention, held June 6 - 7, 2008, in Austin.

Although the State Convention will officially come to order about 6:00 p.m. on Friday, June 6, there will be issue caucuses during the day and Senate District Caucuses will meet from 3:00 to 5:00 p.m. on Friday. Any Senate District Caucuses that do not finish their business will reconvene after the convention recesses for the evening.

Each delegate will officially sign in indicating his/her presidential preference or uncommitted status when the delegate picks up his/her credentials. The sign-ins will be counted statewide and the totals will be used by the Nominations Committee on Saturday to distribute the pledged party and elected official delegates and the at-large delegates among the presidential candidates. However, any candidate who wins less than 15% of the whole State Convention will not get any at-large delegates.

The State Convention elects four types of delegates to the National Convention:

1. 126 pledged senatorial district delegates and 21 alternates;
2. 35 unplugged party and elected official delegates;
3. 25 pledged party and elected official delegates and 5 alternates; and
4. 42 at-large delegates and 6 alternates.

PLEDGED SENATORIAL DISTRICT DELEGATES

At the Senatorial District Caucus, supporters of each candidate gather to elect their share of delegates and alternates to the National Convention. These must be equally divided between men and women.

The number of delegates awarded each candidate is based on the results of the Presidential Primary in that district. However, any candidate who does not win 15% of the vote in that district will not get any senatorial district delegates.

UNPLEDGED PARTY AND ELECTED OFFICIAL DELEGATES
On Saturday morning, June 7, the Nominations Committee will meet to first nominate unpledged delegates. These are set by national party rules as:

1. Members of the Democratic National Committee from Texas;

2. The former Speaker of the United States House of Representatives and the former Chair of the Democratic National Committee; and

3. All Democratic Members of the United States House.

These delegates will be immediately ratified by the State Convention.

PLEDGED PARTY AND ELECTED OFFICIAL DELEGATES

The Nominations Committee will take a break for one hour after nominating the unpledged delegates to allow those people who are eligible to be “pledged party and elected official delegates” to file a Statement of Candidacy with the chair of the committee.

After the break, the committee will nominate “pledged party and elected official delegates.” These are awarded to each presidential candidate based on the sign-ins made the day before.

These names will be immediately reported to the convention for a vote.

PLEDGED AT-LARGE DELEGATES AND ALTERNATES

After the convention votes on the pledged party and elected official delegates, the Nominations Committee will nominate “at-large” delegates and alternates.

The “at-large” delegation is distributed among presidential candidates in the same way that the pledged party and elected official delegates are distributed. The entire “at-large” delegation must be used, if necessary, to make sure that the whole Texas delegation to the National Convention is equally divided between men and women. It will also be used to meet certain affirmative action goals.

The Nominations Committee will also nominate 3 unpledged at-large delegates.

NATIONAL CONVENTION

If you are elected a delegate or alternate by the State Convention, you may participate in the National Convention in Denver August 25 – 28, 2008.

The state party will advise you on fund-raising and on low-cost housing and transportation if you would not otherwise be able to attend.

What It Means To Be A Democrat

Democrats are people you see in your community—at work, at church, at the store and at the ballpark. We come from all walks of life, but our shared beliefs and values help shape a strong state and nation where every citizen has the opportunity to succeed.

We believe:

★ In equal opportunity for all citizens.
★ In rewarding, honest, hard work with a living wage and in a tax system that is fair.
★ In family values that are more than a political slogan.
★ In quality education that gives all citizens the opportunity to reach their potential.
★ In freedom from government interference in our private lives and personal decisions.
★ That individual strengths in our diverse population are a benefit.
★ In security in our homes and safety on our streets. Criminals should face swift and certain punishment.
★ In separation of Church and State to preserve the freedom to pursue our beliefs.
★ In a strong United States – morally, economically and militarily.
★ In common-sense reforms that give us cleaner and safer air and water.

¿Qué Significa Ser Demócrata?

Los Demócratas son personas a quienes usted ve en la comunidad – en los lugares de trabajo, en la iglesia, en las tiendas y en los estadios. Tenemos diferentes orígenes, pero compartimos los mismos ideales y valores, ya que éstos nos ayudan a formar un fuerte gobierno estatal y una fuerte nación, donde cada ciudadano tiene la misma oportunidad de realizar el éxito.

Nosotros Creemos:

★ En la igualdad de oportunidad para todos los ciudadanos.
★ En premiar el trabajo honesto y bien cumplido con un salario justo y con un sistema de impuestos equitativo.
★ En los valores de la familia que son más que los meros “pronunciamientos” políticos.
★ En un sistema educativo de alta calidad que ofrece a cada ciudadano la oportunidad de llegar a su máximo potencial.
★ En la libertad contra la interferencia del gobierno en nuestras vidas privadas y en nuestras decisiones personales.
★ Que nuestro país sea beneficiario de las contribuciones individuales de nuestro pueblo diverso.
★ En la protección para nuestros hogares y la seguridad en nuestras calles. Los criminales deben recibir el castigo merecido sin demoras innecesarias.
★ En separar los asuntos de la iglesia con los asuntos del estado, para conservar el derecho de gozar libremente de las creencias personales.
★ En que nuestro país, Los Estados Unidos de América, se mantenga fuerte – moralmente, económicamente y militarmente.
★ En las reformas administrativas sensatas, que protegan el medioambiente con agua pura y aire limpio.
