WHOLE FROZEN EGGS FROM THE UNITED KINGDOM

Antidumping Proceeding Notice

March 22, 1966.

On March 11, 1966, the Commissioner of Customs received information in proper form pursuant to the provisions of section 14.6(a) of the Customs Regulations indicating a possibility that whole frozen eggs imported from the United Kingdom are being, or likely to be, sold at less than fair value within the meaning of the Antidumping Act, 1921, as amended.

Ordinarily, merchandise is considered to be sold at less than fair value within the meaning of section 14.6(a) (1) (i) of the Customs Regulations, or objections in connection with the proposed withdrawal may prevent their views in writing to the undersigned officer of the Bureau of Land Management, Department of the Interior, 316 North 26th Street, Billings, Mont., 59101.

The Department's regulations (43 CFR 2311.1-3(c)) provide that the authorized officer of the Bureau of Land Management will undertake such investigations as are necessary to determine the existing and potential demand for the lands and their resources. He will also undertake negotiations with the applicant agency with the view of adjusting the application to reduce the area to the minimum essential to meet the applicant's needs, to provide for the maximum concurrent utilization of the lands for purposes other than those of the applicant's, to eliminate lands needed for purposes more essential than the applicant's, and to reach agreement on the concurrent management of the lands and their resources.

The authorized officer will also prepare a report for consideration by the Secretary of the Interior as to whether or not the lands, will be withdrawn as requested by the applicant agency.

The determination of the Secretary on the application will be published in the Federal Register. A separate notice will be sent to each interested party of record.

Notice of Filing of Petition Regarding Pesticide Chemical

Pursuant to the provisions of the Federal Food, Drug, and Cosmetic Act (Sec. 408(d)(1), 21 U.S.C. 346a(d)(1)), notice is given that a petition (FP 660478) has been filed by Chemagro Corp., P.O. Box 4913, Kansas City, Mo., 64120, proposing the establishment of a tolerance for residues of the insecticide 0,0-diethyl S-2-(ethylthio)ethyl phosphorodithioate in or on the raw agricultural commodity pecans at 0.75 part per million.

The analytical method proposed in the petition for determining residues of this insecticide is a phosphorus method with a chromatographic step designed to remove the naturally occurring phosphorus compounds.
