*** CASE NO. 2:10-cr-00186-MHT-WC-10**

MOTION REQUESTING PERMISSION TO TRAVEL.

Comes now, Jarrell W. Walker, Jr., by and through undersigned counsel, and files this motion requesting permission to travel and in support thereof states the following:

1. Walker is presently on pretrial supervision. His travel is limited by the conditions of his bond and pre-trial supervision.

2. Walker is working on a new job in the erosion control field. This job requires on-site inspection and some travel. Specifically, Walker seeks permission to travel from February 20-24, 2011 to Orlando, Florida so he may attend the International Erosion Control Annual Conference. Walker needs the training offered at the conference for job related purposes. Additionally, his company has a client in Moscow, Mississippi. It is important for Walker to have permission periodically to travel to Moscow, Mississippi to call on a client doing construction work at the Kemper County Nuclear Plant.

3. Walker has been fully compliant with the conditions of his pretrial supervision. He poses no danger to the community nor is he a flight risk. The above requested travel is necessary for employment purposes.

4. As of this filing, counsel has been unable to reach Blake Tolbert, his pretrial supervision officer. Counsel has contacted AUSA Louis Franklin and he does not oppose this request.

Respectfully submitted,
