On Monday, August 21, 2006, the Court held a status conference to address a briefing schedule for Plaintiffs' motion for preliminary injunction and set a date for a preliminary injunction hearing. The Court directed the parties to confer and attempt to reach an agreement as to an appropriate schedule. If the parties could not agree, the Court instructed each party to submit its proposed scheduling order. The parties were unable to reach agreement. Upon review of both parties' proposed scheduling orders, the Court **DIRECTS** the parties as follows.

A. The Court shall allow each party to conduct two (2) depositions.

Such depositions shall be completed by Friday, September 8, 2006 and shall take place at a time and place mutually agreeable to the parties.

- B. Defendants shall file their response to Plaintiffs' motion for preliminary injunction no later than the close of business on Friday, September 1, 2006. Plaintiffs shall file any reply no later than the close of business on Friday, September 8, 2006. Plaintiffs' reply shall not exceed fifteen (15) pages in length.
- C. The Court **DIRECTS** the parties to appear for a hearing on Wednesday, September 13, 2006 at 10:30 a.m., at the U.S. Courthouse, 18 Greenville Street, **Newnan**, GA, Third Floor. At the hearing, the Court will hear argument and receive evidence, if any, on whether a preliminary injunction should issue. The Court will impose time limits on each party's presentation. Thus, the parties are encouraged to rely to the extent possible on documentary evidence susceptible to admission, including affidavits.
- E. The parties are **INSTRUCTED** to electronically file with the Court, no later than Monday, September 11, 2006, a list of witnesses expected to be called, including a summary of the anticipated testimony, or any documentary evidence or affidavits expected to be relied upon at the hearing. In addition, the parties are **INSTRUCTED** to file proposed findings of fact and

conclusions of law by this date. To the extent possible, each proposed finding of fact shall cite with particularity the evidence supporting such fact. In addition, each proposed conclusion of law shall cite applicable legal authority.
