ORAL AND VIDEOTAPEDEPOSIION OF JAMES KENNETH BAILEY
TakenApril 28, 2008

ORAL AND VIDEOTAPEDEPOSIION OF JAMES
KENNETH BAILEY, produced as a witness at the instance of
the Defendants, and duly sworn, was taken in the above
styled and numbered cause on April 28, 2008, from 9:38
a.m. to 10:23 a.m., in the offices of the Texas
Democratic Party, 505 W. 12th Street, Suite 200, Austin,
Texas, before Joy N. Quiroz-Hernandez, Certified
Shorthand Reporter Number 8391 in and for the State of
Texas, reported by computerized stenotype, pursuant to
the Texas Rules of Civil Procedure (and the provisions
stated on the record or attached therein).
Q. So you basically cooperated with the Secretary of State’s office to explain the statutes to people who wanted to learn about them?
A. Yeah. What I did was gave them my Power Point and asked them to look at it.
Q. Okay.
A. And then they -- they gave it back with comments. And I think even Elizabeth went and looked at it, also.
Q. All right.
A. And I don’t know that Jay looked at it. But I remember we were -- the reason I remember, we were in the senate chamber with, I think it was Senate State Affairs meeting. And you know how you kind of mill around before the meeting, and I talked to him about it then.
Q. And after you spoke with the various members of the Secretary of State’s office, were you confident that this Power Point would explain the statutes adequately?
A. Yes.
Q. Besides the Secretary of State’s office, did anyone else have input into the Power Point?
A. The staff here and, let’s see here, who else.
I mean, I gathered a lot of the information in some of the slides, basically from the County Clerk here in Travis County. And so I went to them and said, I need
something -- if I requested a mail ballot what would you
send me. And so I got a sample of that.
Q. And so that's the -- that's why the pictures of
the carrier envelopes are from Dana DeBeauvoir's office?
A. Yes.
Q. And that's these -- these -- these pages aren't
numbered, but it looks like six pages from the end it
has a -- it has a -- an image of the front of an
official ballot envelope. And the return -- the return
is dated Dana DeBeauvoir; is that right?
A. Yes.
Q. Okay. Did you get any actual information from
Ms. DeBeauvoir's office or did you just ask for a
sample --
A. I just wanted a sample from the -- from what a
person would receive if they asked for a mail ballot.
Q. When you were asked to put together this --
this -- this is basically training, right?
A. Yes, ma'am.
Q. For -- and who is the training meant for?
A. Grassroots activists, county chairs. I've even
had election workers from the county clerk's attend in
different counties. And there was one state rep,
several county commissioners, and people like that. So
you know, Grassroots people that are -- that are going
to be involved in an election cycle.

Q. When you say, "grassroots people," what do you mean exactly?

A. Precinct chairs, activists, people that are going -- that are active in the community that have friends that are elderly or disabled that they want to make sure that they have the opportunity to vote, and people that will do outreach and go out into the community. That's kind of what the Grassroots community.

Q. And the activists who are -- who are -- you consider to be Grassroots, are they -- are they -- these are volunteers --

A. Yes, ma'am.

Q. -- for the most part?

A. Yes, ma'am.

Q. Do you know, are these people who get paid by the Party or by anyone else?

A. No.

Q. Okay. So these are basically just your active volunteers who are trying to, what, get out the vote, campaign, what?

A. Yes, ma'am. Get out the vote, campaign. And, you know, the mail ballot typically is geared toward the elderly and the disabled because they are the ones that
