REMARKS ORDERED PRINTED

On motion of Senator Lucio and by unanimous consent, the remarks by Senators Ellis, Lucio, Watson, and West regarding HCR 139 were ordered reduced to writing and printed in the Senate Journal as follows:

Senator Ellis: Thank you, Mr. President and Members. Myra McDaniel and her husband were two of the first people that I met when I came to Austin. She was a tremendous mentor and would open up her home to me and the likes of Ron Kirk when we were in law school. In fact, she opened her home up so much, I was about 50 pounds heavier as a result of going to their home on a regular basis. It was a tremendous loss for our state when Myra passed on. She certainly didn't look like she was 77, and from time to time, when I walk around the halls, I still think that I'm talking to her from time to time, because she did a great job of advising many of us around this Capitol. She died last February the 25th. It was a great loss, as I said. Members, we're joined today by her husband, Reuben McDaniel, Jr.; her daughter, Diane Rhodes; her son-in-law, Mike Rhodes; and sister-in-law, Joan Phillips; and grandchildren, Lauren and Joseph. Members, I'm just so glad to have known Myra McDaniel, and her memory does live on. And I hope that Members will take the time to give their condolences to her great family.

Senator Watson: Thank you very much, Mr. President. I just want to say thank you to Senator Ellis for bringing this resolution forward. I feel the same way. When Liz and I first got to Austin, Texas, back in the early '80s, Myra was already doing so
much, and so much a part of what was going on, and was someone that, for a young lawyer that hit this town and wanted to be involved in one way or another, she was always there, able to provide advice and counsel and do it in a way where you knew you were getting the kind of advice and counsel that would actually help you to succeed. Her work in government is going to be a lasting legacy. And it’s going to be the kind of thing that those of us who seek out public service, will, I hope, from time to time, look back and ask if we’re living up to that, doing it in a way that sometimes is far, far more quiet than what we tend to do today when we’re involved in public service but done in such a way that when it gets real—I remember listening to her talk from time to time in a very quiet way, but it thundered in your ear what she was actually saying to you. I, my condolences go out to you. I know it must’ve been a wonderful, wonderful thing to have somebody who cared so deeply and loved so well as your family member. And, I’d be remiss if I didn’t take a moment to thank you for loaning her to the people of the State of Texas and to Central Texas.

**Senator Lucio:** Thank you, Mr. President, and thank you, Senator Ellis, for bringing this important resolution to the floor to recognize one of Texas’ best. She was such a lady. Great smile, and all of us who have served so many years in public service at one time or another get to know our Secretary of State. And it was just such a pleasure to converse with her. She was so bright and just so proactive about everything she did. And I’m happy to have an opportunity to publicly tell you that all of us in South Texas admired and respected Ms. McDaniel. Happy to have you here on the floor.

**Senator West:** Thank you very much, Mr. President, Members. You know, oftentimes, people live and they’re not remembered. Myra lived and is remembered, not by just you as her family, not by just the legal community in which she was a giant, not by just a community that she lived in where she was a civic servant but by the great State of Texas. We remember her, not just as a Secretary of State, but as a Texan that many of us go to for advice and counsel and her quiet demeanor. Maybe she wasn’t that way at home, but at least to us, her quiet demeanor, she would give thought to the question that was asked, and she was very deliberative in the advice that she gave. And in most instances, it was the correct advice. And so, I join the other Senators on this floor to pay tribute to a great wife, mother, sister, most of all, a great Texan. She will be remembered in perpetuity. Thank you.

TX_00003213
JA_002944
Sec. 63.0035. PARTIAL LIQUIDATION OF INSTITUTION’S SHARE; DISTRIBUTION OF FUND AFTER LIQUIDATION. (a) Subject to appropriation of the appropriate amounts, the board of regents of The University of Texas System shall transfer to each institution that is entitled in a state fiscal year to receive a distribution from the permanent fund established under this subchapter a one-time liquidation distribution for the state fiscal year ending August 31, 2012, and, for that fiscal year and each subsequent fiscal year, a reduced annual distribution as provided by this section.

(b) The board of regents of The University of Texas System, not later than November 1, 2011, shall:

(1) calculate the amount of each liquidation distribution in accordance with this section; and

(2) provide to all institutions entitled to receive a distribution from the permanent fund established under this subchapter written notice specifying:

(A) the amount of the liquidation distribution to be made to each institution in the state fiscal year ending August 31, 2012; and

(B) the amounts of the other distributions to be made in that fiscal year to each institution under this section from the per capita account and the formula account described by Subsection (c).

(c) As soon as practicable after the beginning of the state fiscal year ending August 31, 2012, the permanent fund shall be segregated into two accounts, the per capita account and the formula account. Notwithstanding any other law, distributions in that fiscal year and in subsequent fiscal years shall be made in accordance with this section and not in accordance with Section 63.003(a). The amount segregated into the per capita account is equal to 70 percent of the total value of the fund at the end of the preceding state fiscal year. The formula account is composed of the remaining 30 percent of that total value at the end of that preceding fiscal year.

(d) A liquidation distribution is an amount equal to one-third of the institution’s fractional share of the value of the per capita account. An institution’s fractional share of the per capita account is determined by multiplying the amount segregated into the per capita account by a fraction, the numerator of which is one and the denominator of which is the number of institutions that are entitled to receive a distribution from the permanent fund established under this subchapter.

(e) In the state fiscal year ending August 31, 2012, and in each subsequent fiscal year, the annual amount appropriated for distribution from the investment of the per capita account shall be distributed in equal shares to each institution.

(e-1) Subsection (e) does not apply to the amounts distributed as liquidation distributions in the state fiscal year ending August 31, 2012.

(f) In each state fiscal year in which distributions are made from the per capita account under Subsection (e), the amount appropriated for distribution from the investment of the formula account shall be distributed in equal portions with respect to each of the following categories, with each institution receiving a share in each category proportionate to the amount that the institution spent in that category in the preceding state fiscal biennium as determined by the institution’s annual financial report, compared to the total spending of all institutions listed in Section 63.002(c) in that category in the preceding biennium:
(1) instructional expenditures;
(2) research expenditures; and
(3) unsponsored charity care.

(g) Except as otherwise provided by this section:
(1) Section 63.003(b) applies to amounts appropriated for distribution under Subsections (c) and (f) of this section; and
(2) Sections 63.003(c) and (d) apply to amounts appropriated for distribution under Subsection (f) of this section.

(h) The comptroller in consultation with the board of regents of The University of Texas System shall establish procedures to implement this section. A liquidation distribution shall be made in accordance with those procedures and in consultation with the institutions receiving the liquidation distribution.

(i) Any direct costs associated with liquidation distributions, including discounts on investment dispositions and related expenses realized by the permanent fund, shall be deducted in equal portions from the amounts of the liquidation distributions. The procedures established under Subsection (h) must provide for the minimization of any costs associated with making the liquidation distributions considering the liquidity of the investment assets of the fund.

(j) Notwithstanding other provisions of this subchapter, the amount distributed to an institution under this section as a liquidation distribution is under the exclusive control of the governing board of the institution and may be used by the institution in any manner for any lawful purpose. The comptroller shall establish procedures to ensure that a liquidation distribution to Baylor College of Medicine is used for public purposes consistent with a contract in effect under Section 61.092.

SECTION ___. Section 63.003(d), Education Code, is amended to read as follows:

(d) For the purposes of this section or Section 63.0035, Baylor College of Medicine may receive funds under Subsection (a)(2) only if the institution provides the comptroller with an independently audited schedule of information that substantially complies with the reporting requirements issued by the comptroller for other eligible institutions under Subsection (a)(2). Information under this subsection must be supplied not later than the time other eligible institutions are required to submit similar information.

(5) an annual evaluation report based on scientific methods and utilizing control groups wherever possible to be submitted to the coordinating board at the end of each school year, covering each remedial compensatory course or program offered at the college;

(6) any other criteria consistent with the provisions of this subchapter specified by the coordinating board; and
