CSHB 563. A bill to be entitled An Act relating to the purposes and designation of a transportation reinvestment zone.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 222.105, Transportation Code, is amended to read as follows:

Sec. 222.105. PURPOSES. The purposes of Sections 222.106 and 222.107 are to:

(1) promote public safety;
(2) facilitate the improvement, development, or redevelopment of property;
(3) facilitate the movement of traffic; and
(4) enhance a local entity's ability to sponsor a transportation project authorized under Section 222.104.

SECTION 2. Section 222.106, Transportation Code, is amended by amending Subsections (b), (c), (g), (h), (i), (j), (k), and (l) and adding Subsections (i-1) and (i-2) to read as follows:

(b) This section applies only to a municipality in which a transportation project is to be developed [the governing body of which intends to enter into an agreement with the department] under Section 222.104.
(c) If the governing body determines an area to be unproductive and underdeveloped and that action under this section will further the purposes stated in Section 222.105, the governing body of the municipality by ordinance may designate a contiguous geographic area in the jurisdiction of the municipality to be a transportation reinvestment zone to promote a transportation project described by Section 222.104 that cultivates development or redevelopment of the area.

(g) The ordinance designating an area as a transportation reinvestment zone must:

1. describe the boundaries of the zone with sufficient definiteness to identify with ordinary and reasonable certainty the territory included in the zone;
2. provide that the zone takes effect immediately on passage of the ordinance and that the base year shall be the year of passage of the ordinance or some year in the future;
3. assign a name to the zone for identification, with the first zone designated by a municipality designated as "Transportation Reinvestment Zone Number One, (City or Town, as applicable) of (name of municipality)," and subsequently designated zones assigned names in the same form, numbered consecutively in the order of their designation;
4. designate the base year for purposes of establishing the tax increment base of the municipality;
5. establish a [an ad valorem] tax increment account for the zone; and
6. contain findings that promotion of the transportation project will cultivate the improvement, development, or redevelopment of the zone.

(h) From taxes collected on property in a zone, the municipality shall pay into the tax increment account for the zone [an amount equal to] the tax increment produced by the municipality, less any amount allocated under previous agreements, including agreements under Chapter 380, Local Government Code, or Chapter 311, Tax Code.

(i) All or the portion specified by the municipality of the money deposited to a tax increment account must be used to fund the transportation project for which the zone was designated, as well as aesthetic improvements within the zone. Any remaining money deposited to the tax increment account may be used for other purposes as determined by the municipality [Money deposited to a tax increment account must be used to fund projects authorized under Section 222.104, including the repayment of amounts owed under an agreement entered into under that section].

(i-1) The governing body of a municipality may contract with a public or private entity to develop, redevelop, or improve a transportation project in a transportation reinvestment zone and may pledge and assign all or a specified amount of money in the tax increment account to that entity. After a pledge or assignment is made, if the entity that received the pledge or assignment has itself pledged or assigned that amount to secure bonds or other obligations issued to obtain funding for the transportation project, the governing body of the municipality may not rescind its pledge or assignment until the bonds or other obligations secured by the pledge or assignment have been paid or discharged.
(i-2) To accommodate changes in the limits of the project for which a reinvestment zone was designated, the boundaries of a zone may be amended at any time, except that property may not be removed or excluded from a designated zone if any part of the tax increment account has been assigned or pledged directly by the municipality or through another entity to secure bonds or other obligations issued to obtain funding of the project, and property may not be added to a designated zone unless the governing body of the municipality complies with Subsections (e) and (g).

(j) Except as provided by Subsections (i-1) and (k), a transportation reinvestment zone terminates on December 31 of the year in which the municipality completes a contractual requirement, if any, that included the pledge or assignment of all or a portion of money deposited to a tax increment account or the repayment of money owed under an agreement for development, redevelopment, or improvement of the project for which Section 222.104 in connection with which the zone was designated.

(k) A transportation reinvestment zone terminates on December 31 of the 10th year after the year the zone was designated, if before that date the municipality has not entered into a contract described in Subsection (i-1) or otherwise not used the zone for the purpose for which it was designated.

(l) Any surplus remaining in a tax increment account on termination of a zone may be used for other purposes as determined by the municipality in or outside of the zone.

SECTION 3. The heading to Section 222.107, Transportation Code, is amended to read as follows:

Sec. 222.107. COUNTY TRANSPORTATION REINVESTMENT ZONES; ROAD UTILITY DISTRICTS.

SECTION 4. Section 222.107, Transportation Code, is amended by amending Subsections (b), (c), (e), (f), (h), (i), (k), and (l) and adding Subsections (h-1) and (k-1) to read as follows:

(b) This section applies only to a county in which a transportation project is to be developed under the commissioners court of which intends to enter into a pass-through loan agreement with the department under Section 222.104.

(c) The commissioners court of the county, after determining that an area is unproductive and underdeveloped and that action under this section would further the purposes described by Section 222.105, by order or resolution may designate a contiguous geographic area in the jurisdiction of the county to be a transportation reinvestment zone to promote a transportation project described by Section 222.104 that cultivates development or redevelopment of the area and for the purpose of abating ad valorem taxes or granting other relief from taxes imposed by the county on real property located in the zone.

(e) Not later than the 30th day before the date the commissioners court proposes to designate an area as a transportation reinvestment zone under this section, the commissioners court must hold a public hearing on the creation of the zone, its benefits to the county and to property in the proposed zone, and the abatement of ad valorem taxes or the grant of other relief from ad valorem taxes imposed by the county on real property located in the zone. At the hearing an
interested person may speak for or against the designation of the zone, its boundaries, or the abatement of or the relief from county taxes on real property in the zone. Not later than the seventh day before the date of the hearing, notice of the hearing and the intent to create a zone must be published in a newspaper having general circulation in the county.

(f) The order or resolution designating an area as a transportation reinvestment zone must:

(1) describe the boundaries of the zone with sufficient definiteness to identify with ordinary and reasonable certainty the territory included in the zone;

(2) provide that the zone takes effect immediately on adoption of the order or resolution and that the base year shall be the year of passage of the order or resolution or some year in the future;

(3) assign a name to the zone for identification, with the first zone designated by a county designated as "Transportation Reinvestment Zone Number One, County of (name of county)," and subsequently designated zones assigned names in the same form numbered consecutively in the order of their designation; and

(4) designate the base year for purposes of establishing the tax increment base of the county.

All abatements or other relief granted by the commissioners court in a transportation reinvestment zone must be equal in rate. In the alternative, the commissioners court by order or resolution may elect to abate a portion of the ad valorem taxes or otherwise grant relief from the taxes imposed by the county on all real property located in the zone. In any ad valorem tax year, the total amount of the taxes abated or the total amount of relief granted under this section may not exceed the amount calculated under Subsection (a)(1) for that year, less any amounts allocated under previous agreements, including agreements under Chapter 381, Local Government Code, or Chapter 312, Tax Code.

(h-1) To further the development of the transportation project for which the transportation reinvestment zone was designated, a county may assess all or part of the cost of the transportation project against property within the zone. The assessment against each property in the zone may be levied and payable in installments in the same manner as provided by Sections 372.016-372.018, Local Government Code, provided that the installments do not exceed the total amount of the tax abatement or other relief granted under Subsection (h). The county may elect to adopt and apply the provisions of Sections 372.015-372.020 and 372.023, Local Government Code, to the assessment of costs and Sections 372.024-372.030, Local Government Code, to the issuance of bonds by the county to pay the cost of a transportation project. The commissioners court of the county may contract with a public or private entity to develop, redevelop, or improve a transportation project in the transportation reinvestment zone,
including aesthetic improvements, and may pledge and assign to that entity all or a specified amount of the revenue the county receives from installment payments of the assessments for the payment of the costs of that transportation project. After a pledge or assignment is made, if the entity that received the pledge or assignment has itself pledged or assigned that amount to secure bonds or other obligations issued to obtain funding for the transportation project, the commissioners court of the county may not rescind its pledge or assignment until the bonds or other obligations secured by the pledge or assignment have been paid or discharged. Any amount received from installment payments of the assessments not pledged or assigned in connection with the transportation project may be used for other purposes associated with the transportation project or in the zone.

(i) In the alternative, to assist the county in developing a transportation project authorized under Section 222.104, if authorized by the commission under Chapter 441, a road utility district may be formed under that chapter that has the same boundaries as a transportation reinvestment zone created under this section.

(k) A road utility district formed as provided by Subsection (i) may enter into an agreement with the county to assume the obligation, if any, of the county to fund development of a project under Section 222.104 or to repay funds owed to the department under Section 222.104. Any amount paid for this purpose is considered to be an operating expense of the district. Any taxes collected by the district that are not paid for this purpose may be used for any district purpose.

(k-1) To accommodate changes in the limits of the project for which a reinvestment zone was designated, the boundaries of a zone may be amended at any time, except that property may not be removed or excluded from a designated zone if any part of the assessment has been assigned or pledged directly by the county or through another entity to secure bonds or other obligations issued to obtain funding of the project, and property may not be added to a designated zone unless the commissioners court of the county complies with Subsections (e) and (f).

(l) Except as provided by Subsection (m), a tax abatement agreement entered into under Subsection (h), or an order or resolution on the abatement of taxes or the grant of relief from taxes under that subsection, terminates on December 31 of the year in which the county completes any contractual requirement that included the pledge or assignment of assessments collected under this section.

SECTION 5. Subchapter E, Chapter 222, Transportation Code, is amended by adding Sections 222.108, 222.109, and 222.110 to read as follows:

Sec. 222.108. TRANSPORTATION REINVESTMENT ZONES FOR OTHER TRANSPORTATION PROJECTS. (a) Notwithstanding the requirement in Sections 222.106(b) and 222.107(b) that a transportation reinvestment zone be established in connection with a project under Section 222.104, a municipality or county may establish a transportation reinvestment zone for any transportation project. If all or part of the transportation project is subject to oversight by the department, at the option of the governing body of the municipality or county, the
department, to the extent permitted by law, shall delegate full responsibility for
the development, design, letting of bids, and construction of the project,
including project inspection, to the municipality or county. After assuming
responsibility for a project under this subsection, a municipality or county shall
enter into an agreement with the department that prescribes:

(1) the development process;
(2) the roles and responsibilities of the parties; and
(3) the timelines for any required reviews or approvals.

(b) Any portion of a transportation project developed under Subsection (a)
that is on the state highway system or is located in the state highway right-of-way
must comply with applicable state and federal requirements and criteria for
project development, design, and construction, unless the department grants an
exception to the municipality or county.

(c) The development, design, and construction plans and specifications for
the portions of a project described by Subsection (b) must be reviewed and
approved by the department under the agreement entered into under Subsection
(a).

(d) In this section, "transportation project" has the meaning assigned by
Section 370.003.

Sec. 222.109. REDUCTION PROHIBITED. (a) A municipality or county
may not be penalized with a reduction in traditional transportation funding
because of the designation and use of a transportation reinvestment zone under
this chapter. Any funding from the department committed to a project before the
date that a transportation reinvestment zone is designated may not be reduced
because the transportation reinvestment zone is designated in connection with
that project.

(b) The department may not reduce any allocation of traditional
transportation funding to any of its districts because a district contains a
municipality or county that contains a transportation reinvestment zone
designated under this chapter.

Sec. 222.110. SALES TAX INCREMENT. (a) In this section, "sales tax
base" for a transportation reinvestment zone means the amount of sales and use
taxes imposed by a municipality under Section 321.101(a), Tax Code, or by a
county under Chapter 323, Tax Code, as applicable, attributable to the zone for
the year in which the zone was designated under this chapter.

(b) The governing body of a municipality or county may determine, in an
ordinance or order designating an area as a transportation reinvestment zone or in
an ordinance or order adopted subsequent to the designation of a zone, the
portion or amount of tax increment generated from the sales and use taxes
imposed by a municipality under Section 321.101(a), Tax Code, or by a county
under Chapter 323, Tax Code, attributable to the zone, above the sales tax base,
to be used as provided by Subsection (e). Nothing in this section requires a
municipality or county to contribute sales tax increment under this subsection.
(c) A county that designates a portion or amount of sales tax increment under Subsection (b) must establish a tax increment account. A municipality or county shall deposit the designated portion or amount of tax increment under Subsection (b) to the entity's respective tax increment account.

(d) Before pledging or otherwise committing money in the tax increment account under Subsection (c), the governing body of a municipality or county may enter into an agreement, under Subchapter E, Chapter 271, Local Government Code, to authorize and direct the comptroller to:

1. Withhold from any payment to which the municipality or county may be entitled the amount of the payment into the tax increment account under Subsection (b);
2. Deposit that amount into the tax increment account; and
3. Continue withholding and making additional payments into the tax increment account until an amount sufficient to satisfy the amount due has been met.

(e) The sales and use taxes to be deposited into the tax increment account under this section may be disbursed from the account only to:

1. Pay for projects authorized under Section 222.104, including the repayment of amounts owed under an agreement entered into under that section; and
2. Notwithstanding Sections 321.506 and 323.505, Tax Code, satisfy claims of holders of tax increment bonds, notes, or other obligations issued or incurred for projects authorized under Section 222.104.

(f) The amount deposited by a county to a tax increment account under this section is not considered to be sales and use tax revenue for the purpose of property tax reduction and computation of the county tax rate under Section 26.041, Tax Code.

SECTION 6. Sections 222.106(h), (i), (j), (k), and (l) and 222.107(h), (i), (k), and (l), Transportation Code, as amended by this Act, and Sections 222.106(i-1) and (i-2), 222.107(h-1) and (k-1), 222.108, and 222.109, Transportation Code, as added by this Act, apply to a transportation reinvestment zone that is governed by those sections designated before the effective date of this Act.

SECTION 7. This Act takes effect September 1, 2011.

Senate Amendment No. 1 (Senate Floor Amendment No. 1)

Amend CSHB 563 (senate committee report) in SECTION 5 of the bill, after added Section 222.110(f), Transportation Code (page 5, between lines 63 and 64), by adding the following:

(g) Not later than the 30th day before the date the governing body of a municipality or county proposes to designate a portion or amount of sales tax increment under Subsection (b), the governing body shall hold a public hearing on the designation of the sales tax increment. At the hearing an interested person may speak for or against the designation of the sales tax increment. Not later than the seventh day before the date of the hearing, notice of the hearing must be published in a newspaper having general circulation in the county or municipality, as appropriate.
(h) The hearing required under Subsection (g) may be held in conjunction with a hearing held under Section 222.106(e) or 222.107(e) if the ordinance or order designating an area as a transportation reinvestment zone under Section 222.106 or 222.107 also designates a sales tax increment under Subsection (b).

SECTION 20. Subtitle B, Title 7, Transportation Code, is amended by adding Chapter 521A to read as follows:
CHAPTER 521A. ELECTION IDENTIFICATION CERTIFICATE

Sec. 521A.001. ELECTION IDENTIFICATION CERTIFICATE. (a) The department shall issue an election identification certificate to a person who states that the person is obtaining the certificate for the purpose of satisfying Section 63.001(b), Election Code, and does not have another form of identification described by Section 63.0101, Election Code, and:

(2) who is eligible for registration under Section 13.001, Election Code, and submits a registration application to the department.

(b) The department may not collect a fee for an election identification certificate or a duplicate election identification certificate issued under this section.

(c) An election identification certificate may not be used or accepted as a personal identification certificate.

(d) An election officer may not deny the holder of an election identification certificate the ability to vote because the holder has an election identification certificate rather than a driver’s license or personal identification certificate issued under this subtitle.

(e) An election identification certificate must be similar in form to, but distinguishable in color from, a driver’s license and a personal identification certificate. The department may cooperate with the secretary of state in developing the form and appearance of an election identification certificate.

(f) The department may require each applicant for an original or renewal election identification certificate to furnish to the department the information required by Section 521.142.

(g) The department may cancel and require surrender of an election identification certificate after determining that the holder was not entitled to the certificate or gave incorrect or incomplete information in the application for the certificate.

(h) A certificate expires on a date specified by the department, except that a certificate issued to a person 70 years of age or older does not expire.

Explanation: This addition is necessary to provide election identification certificates to certain voters without charge to enable those voters to meet the photo identification requirements for voting.

HR 2020 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE HARLESS: This is a resolution to allow the voter ID conference committee to go outside the bounds to make clarifying corrections. The conference committee report creates a separate free photo ID for voting purposes called an election identification certificate. The election identification certificate mirrors existing law and is essentially the same as a DPS personal ID card, except that an election ID may only be used for voting purposes. Election IDs issued to voters 70 or older do not expire. The added language ensures that the free ID issued by the DPS for voting will not impact the Texas Mobility Fund. Although TxDOT stated that the original language in SB 14 would have not materially or significantly reduced the revenue to the mobility fund, the
conference committee made this clarification to eliminate any concerns. The conference committee report also clarified that a voter claiming religious exemption to show photo ID must have consistently refused to be photographed for any governmental purpose. This is to ensure those claiming this exemption are doing so for a legitimate reason.

REPRESENTATIVE BURNAM: Is this the privileged resolution that was placed on our desk first thing this morning?

HARLESS: Yes, sir.

BURNAM: And did you just give a thorough reading of what it does?

HARLESS: Yes, sir.

BURNAM: May I ask you a few questions about it for clarification?

HARLESS: Yes.

BURNAM: On line 15, you make reference to identification without a fee. Can you tell me how you are going to assure that there will be no fees and how it will be funded?

HARLESS: Okay, line 15, on page 1 of the resolution?

BURNAM: Correct.

HARLESS: Okay. DPS has said that there would be no fee in the bill itself in the conference committee report. Representative Anchia offered an amendment—which we have kept the provisions of in the bill—saying that any replacement card would be free of charge. Any original or replacement.

BURNAM: And where did you say it's funded now?

HARLESS: It's not funded now because it's a new form of ID. It's a new form of ID, it's not something that has been in the Transportation Code in the past.

BURNAM: Okay, so how's it going to be funded?

HARLESS: There's no fee for it.

BURNAM: No, no, how is DPS—I have legislative oversight on that committee. How is DPS going to pay for this?

HARLESS: I'm not advised to that.

BURNAM: So, are there maybe tens of thousands of new IDs that DPS is going to be required to provide, and we have not identified the funding for us to do that?

HARLESS: All the testimony and the 12 hours of communication we had on the floor on this bill stated that the thought process is, this population is very, very small. This only applies to the people that don't have one of the proof forms of identification which is the driver's license and ID card, a passport, a citizen certificate with a photo ID.
BURNAM: Could we move on now to line 16? I realize because this is a privileged resolution that I can't offer an amendment, but I was perplexed by your word choice on line 16 when you refer to the would-be, want-to-be, potential voter as someone who is—when offering to vote, don't you mean to say they are "attempting" to vote?

HARLESS: This wording was done by the LBB, and I think that's what they mean—offering, attempt to vote.

BURNAM: Well, I would suggest a more accurate portrayal, although maybe this is acceptable to the author, would be that "when voters are attempting to vote and are on the verge of being declined the opportunity to vote." On line 17, "presents a form of identification that will not be sufficient," would you describe what will not be sufficient that has in the past been sufficient?

HARLESS: It's my understanding that if they don't have one of the forms, the approved forms of identification that I mentioned previously—your driver's license, ID card, concealed handgun, passport, citizenship paper with a picture, and a military ID.

BURNAM: Then moving right along, thank you very much, on page 2, line 2, is the first reference to election identification certification. There is an entire chapter on that beginning on page 3, line 18. Once again, I assume that you mean, on line 20, that "the department shall," you're referring to DPS?

HARLESS: Yes.

BURNAM: And, while you maintain that the fiscal note is minimal, there is nothing available attached to this privileged resolution. Why is that?

HARLESS: I guess they assume there's not going to be a significant cost to the department.

**REMARKS ORDERED PRINTED**

Representative Burnam moved to print remarks between Representative Harless and Representative Burnam.

The motion prevailed.

**MESSAGE FROM THE SENATE**

A message from the senate was received at this time (see the addendum to the daily journal, Messages from the Senate, Message No. 2).

**HR 2020 - (consideration continued)**

**HR 2020 - POINT OF ORDER**

Representative Walle raised a point of order against further consideration of HB 2020 under Rule 13, Section 9(g)(5) of the House Rules on the grounds that a fiscal note was not included.

The speaker overruled the point of order.
