It does not say on the Freer zip code screen that the Laredo office is only open Mondays through Fridays from 8:00 to 5:00.
After the preparation of the foregoing exhibits, the DPS announced that selected offices would be open on Saturdays for “Election identification certificates only…”

What it does not say on the screen that has to be used to get the Freer information is that none of the suggested locations for Freer are open on Saturdays.

As indicated in another exhibit, the only offices that are open are in the large urban areas.
If you lived in the city of La Grange which is located in Fayette County, this is the information offered on where to go to get a State ID Card or an Election Identification card (eic).
If one Lives in LaGrange in Fayette County Texas

Neither the City or the County are listed
You would have to enter the Zip Code for LaGrange. If you do that you “have 13 locations to choose from”
The first, and presumably the closest location is Texas DPS Driver License Center in Pflugerville Texas which is almost 148 mile round trip estimated to take 2 hours. And 24 minutes. In addition, the directions given require the use of a toll way for about 25% of the travel.
The second listed address in Austin and is presumably the second most convenient at 129 miles or slightly over 2 hours distance is actually closer than the first but when we go there it is closed until further notice.
The third location is open and is slightly closer than the first but still more than 200 miles and 2 hours from LaGrange.
1. Head northwest on S Jefferson St toward E Travis St
2. Take the 1st left onto W Travis St
3. Turn right onto TX-71 BUS W/Texas 71 Frontage Rd
Continue to follow TX-71 BUS W
The fifth location Brenham is almost 80 mile round trip from La Grange which would take just under 2 and a half hours.
The Sixth location at the Court house in Caldwell is a 104 mile round trip from La Grange which would take just under 2 hours.
The Seventh location in Columbus Texas which is a 52 mile round trip taking just under an hour. However this screen says “Choose a faster alternative. The Houston Rosenberg Mega Center ...” As the following slide shows, this location is over a 160 mile round trip from La Grange and is projected to take just under 2 hours.
The Eighth location in Cuero Texas which is a 135 mile round trip taking just two and a half hours.
The ninth location in Giddings, Texas, is the closest to LaGrange but it is still a 41-mile round trip taking 42 minutes. However, unless you actually go to the website you would not know that it is only open Tuesdays and Thursdays from 8:30 to 12 and Wednesdays from 1:15 to 4:15.
The Tenth location in Gonzales Texas is a 96 mile round trip from La LaGrange taking an hour and 45 minutes.
The eleventh location in Hallettsville Texas is a 67 mile round trip from La Grange taking an hour and ten minutes.
The twelfth location is Hempstead Texas. It is a one hundred and twenty four mile round trip from La LaGrange taking in excess of an two hours. It suggests that the Rosenberg Mega Center might be more convenient at one hundred and sixty miles and more than two and one half hours.
The Thirteenth location is Taylor Texas. It is a 132 mile round trip from La Grange taking in 2 hours and 20 minutes. It suggests that the Pflugerville mega center at 150 miles and almost 2 hours might be more convenient.
Shortly after this exhibit was prepared the DPS opened some offices. As another exhibit indicates, these were open only in the large urban areas.

For LaGrange, this includes the two offices in Travis County. These are Austin-Pflugerville Mega Center, and Austin South.
