Chairman Van de Putte,  

We are saddened that the promulgation of a misguided voter identification law has been given precedence in the 2011 Texas Legislative agenda over education, job creation, and providing Texans with access to affordable, quality healthcare. The people of Texas deserve to have their legislature focus your time on issues that will improve their lives, rather than one which is more likely to worsen them.  

Study after study has found almost no evidence of organized voter fraud, in Texas or anywhere in the country. There is simply no reason to believe that voter fraud is a pressing problem for Texas. But we know with certainty that voter identification laws prevent eligible voters from exercising their constitutional rights. Research has shown that a law like SB 14 would disenfranchise tens or even hundreds of thousands of Texans, the majority of them people of color, senior citizens, the disabled, students, and low income voters.  

We write to urge the Texas Senate to redirect its efforts toward legislation which would better serve your constituents and the State of Texas. There is so much good you can do. Please, oppose SB 14.  

Sincerely,

SVREP Vice President

Lt Governor Dewhurst, Senator Duncan, Senator Van De Putte and Senate members of the 82nd Legislative session, Senate Committee of the Whole (COW), I am Lydia Camarillo, Vice President for Southwest Voter Registration Education Project (SVREP), the largest and oldest nonpartisan, nonprofit organization of its kind with a simple mission to increase the number of Latino and other ethnic communities who are registered to vote and participate in America’s democracy as full and equal partners. Founded in San Antonio, Texas, by the late William C. Velásquez, SVREP has registered over 2.5 million Latino voters throughout Texas, the southwest and, since 2000, the southeast. SVREP has won over 80 voting rights lawsuits and has prepared over 100,000 leaders to organize their communities. In Gonzalez vs. Arizona, Mexican American Legal Defense and Educational Fund (MALDEF) brought a Federal Court challenge to Arizona’s voter registration and identification provisions of Arizona’s Proposition 200. SVREP is one of the plaintiffs in that case.

SVREP vehemently opposes SB14. We firmly believe that SB14 will disenfranchise hundreds of thousands of Texas voters – citizen’s whose right to vote will be harmed. Simply speaking, the right to vote and their constitutional right to vote will be violated and their vote will not be counted. We urge the Senate to focus on the real emergencies the State of Texas faces this legislative cycle – 2011 - and avoid spending precious time and resources on a proposed bill that is not only redundant, accomplishes nothing to fix the alleged voter-in person fraud, is partisan in nature, violates the Voting Rights Act and American citizens’ right to vote. SB14 will also cost Texas tax payers as much as $5 million per year to implement. This is at time when we are cutting services in public education and our budget shortfall is expected to be well beyond $15 billion. We believe that as many as 2 million Texans –American citizens - could be disenfranchised if SB14 passes and is made into law.

Many of the voters who are disenfranchised will be Latino, African American, Asian, Native America and white elderly voters. We also believe that this legislation will have little impact in reducing alleged in-person voting fraud that this bill is purportedly designed to prevent. A two-year $1.4 million investigation by Attorney General Greg Abbott in 2006 demonstrated that in-person voting fraud is virtually non-existent in Texas under existing voting regulations and laws.

Voter Impersonation fraud does not exist – despite the State of Texas spending millions of dollars to investigate and stop voter fraud, the Attorney General of Texas has never prosecuted a single case of a voter impersonating another voter at the polls. TX_00003722

JA_001177
Voter ID does not address most common election fraud or other more common election related problems. Thousands of eligible Texans are denied the right to register to vote and many eligible voters are turned away from the polls every election. We need to spend time ensuring that every eligible Texan who has the right to vote, votes, instead of wasting time and resources addressing a nonexistent issue.

This legislation will be costly for the State and Counties to implement. It estimated that it will cost the Department of Public Safety (DPS) $3 million per year to provide the “free” cards. A voter id card that is clearly not free. It will cost an additional $2 million per year for public education. Balance this cost with the anticipated $15 billion budget shortfall the state faces this year (the $5 million price tag for SB14 is 33% of this deficit). Texas tax payers are expected to have fewer resources for public education, and pay up to $5 million a year for a voter ID card that will not stop the alleged, but nonexistent, in person voters’ fraud. The Loss of revenue from issuing voter ID cards, money spent training Poll worker could be used to build new schools, our infrastructure, create new jobs and help Texans keep their homes.

Texas legislators must take affirmative steps to promote the participation of American citizen’s voting and participating in America’s democracy. Texas legislators should also oppose legislation that serves to confuse citizens, contradict federal law, creates an undo financial burden to poor white, Latino and African American registered voter, and creates an undo financial burden for Texas counties. These Texas Counties are facing their own financial shortfalls. SB14 will further aggravate this burden, and the burden to county and state taxpayers.

SVREP opposes this bill because it would have a negative impact on Latino voter registration and potentially violate federal election laws including the Voting Rights Act, the National Voting Registration Act, and the Help America Vote Act. This bill will only serve to depress voter registration of Latino, other ethnic communities, and the poor. For these reasons urges your opposition to SB14, too.

SB14 will create redundancy and multiple identification requirements for voters. SVREP believes that Texas law provides for proof of identification and this bill will only create confusion; create a more burdensome voting experience for both the voter and the poll workers. Texas law requires that voter registration applicants must affirmatively mark their US citizenship under penalty of perjury and submit their affidavit application either in person or by a business reply postcard. Elec. Code, Section 13.121. In our extensive experience in registering voters, over the last 37 years, it is rare for a voter to have their naturalization, passport or birth certificate on hand when a voter registers to vote. Many eligible United
different documents. A voter that has had his or her wallet stolen, a voter that does not drive, or newly married and not updated his or her driver’s license should not have their right to vote infringed upon.

SVREP’s analysis of SB14 clearly reveals that this bill would only contradict the spirit of the author’s intent which we believe is to ensure that voter’s rights are protected, facilitate the voting process and increase the universe of eligible voters who are voting and participating in America’s democracy. The intent of this bill could only be to decrease the number of American citizens who take the opportunity to vote in Texas elections and it would be harmful to Latino voters.

Thank you Lt Governor, Senators, we urge you to oppose SB14. The bill will only suppress Latino, African American, and poor and elderly white voter registration and contradict Federal election laws.

Mr. Dewhurst, Senators, we stand ready to work with you to find solutions to the budget shortage, providing a quality education and making sure that Texas prospers economically and socially. Senators let us get to work for what is really at stake, let us not waste any more time on SB14.

Respectfully submitted and thank you.

To: The Honorable State Senators of Texas
Re: Committee Considering Voter Identification Bill

LULAC's OBJECTION AND ARGUMENT AGAINST
VOTER IDENTIFICATION BILL

LULAC through its National and State of Texas board of directors unanimously call on you, the State Legislators of Texas to stand with us in protecting the Voting Rights of all the citizens of Texas. In addition, LULAC ask you to protect the voting rights of the Latino voters as mandated by sec. 5 and sec. 2 of the Voting Rights Act. Specifically, LULAC argues against the passage of any voter identification bill until such time as Texas can guarantee zero tolerance of voter discrimination and implement all protection in the Voting Rights Act and as ordered by the US Supreme Court. Given the history of Texas, this will be a long time in coming.

Recent History:

In 2005, 2006, and 2007, the Voting Rights section of the Department of Justice filed 10 separate lawsuits against Texas. All 10 suits were for discrimination against Mexican Americans and 1 of the suits involved discrimination against Mexican Americans and African Americans combined. There was also a separate lawsuit in Harris County for discrimination against Vietnamese Americans. All suits were successful against Texas and Texas entered into consent agreements to correct the discrimination. During this same time period several suits were brought by LULAC and MALDEF against Texas and separate individual government entities for discrimination against Mexican Americans. In, LULAC v. Perry the US Supreme Court found that Texas purposely discriminated against Mexican Americans in congressional district 23 for nothing more than political purposes. The US Supreme court ordered a remedy. In Farmers Branch, Texas, the federal courts have enjoined the City from implementing discriminatory ordinances, which has the effect of targeting people of Mexican descent. The federal court found the ordinance unconstitutional. Texas has spent millions of taxpayer dollars to defend and remedy these suits.

Exhibit 12
Below are some excerpts from the **US v. Hale County TX** complaint brought by the Voting Rights section for purposeful discrimination against Mexican Americans. Hale County entered into a consent agreement to correct the problem.

12. Section 208 of the Voting Rights Act provides that "[a]ny voter who requires assistance to vote by reason of blindness, disability, or inability to read or write may be given assistance by a person of the voter's choice, other than the voter's employer or agent of that employer or officer or agent of the voter's union." 42 U.S.C. § 1973aa-6.

13. In violation of Section 208, the Defendants, their employees, and agents have failed to allow voters the assistors of their choice through the following practices:

   a) Prohibiting family members and poll watchers from providing assistance to limited English proficient Spanish-speaking citizens.
   
   b) Requiring Spanish-speaking voters to be assisted by poll workers who either did not speak Spanish or did not speak Spanish fluently.
   
   c) Failing to accurately and adequately instruct poll workers on their duty to permit voter's assistance from any person of their choice, other than their employers or union officials.

14. Defendants' failure to allow voters to receive necessary assistance from any person of their choice, other than their employers or union officials, as described herein, is a violation of Section 208 of the Voting Rights Act. 42 U.S.C. § 1973aa-6.

15. Unless enjoined by this Court, Defendants will continue to violate Section 208 by failing to provide Hale County's voters with the opportunity to receive assistance from persons of the voters' choice and by limiting the scope of the assistance voters can receive from their chosen assistors.

**SECOND CAUSE OF ACTION**

16. The Plaintiff hereby alleges and incorporates by reference paragraphs one through sixteen above.

17. Under Section 203 of the Voting Rights Act, "any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots" that Defendants provide in English must also be furnished in Spanish to Spanish-speaking voters. 42 U.S.C. § 1973aa-1a(c).

18. In violation of Section 203, the Defendants, their employees, and agents have not effectively provided election-related materials and information in Spanish to limited English proficient Hispanic citizens as required by Section 203 of the Voting Rights Act, including, but not limited to, the following:
a) Failing to recruit, appoint, train, and maintain an adequate pool of bilingual poll officials capable of providing effective language election information and assistance to limited English proficient Spanish-speaking citizens that it provides in English; and
b) Failing to provide certain election-related information that it provides in English, including, but not limited to, information publicizing elections, in a manner that assures Spanish-speaking voters an effective opportunity to be informed about election-related activities.

19. Defendants’ failure to provide effective Spanish language materials and information, as described herein, constitutes a violation of Section 203 of the Voting Rights Act, 42 U.S.C. §1973aa-1(a)(c).

NVRA (National Voter Registration Act)
Section 7 of the Act requires states to offer voter registration opportunities at all offices that provide public assistance and all offices that provide state-funded programs primarily engaged in providing services to persons with disabilities. Each applicant for any of these services, renewal of services, or address changes must be provided with a voter registration form of a declination form as well as assistance in completing the form and forwarding the completed application to the appropriate state or local election official.

Before Consideration of Voter ID Bill
Texas must put a premium on election judges that are bi-lingual and that represent a cross section of the community, Hispanic, African American, Asian…. etc.

Under Sec. 5 of the VRA, Texas has the burden to prove that any voter id plan is not discriminatory. With this in mind, Texas needs to have solid numbers of who does and who does not have “valid” ID’s.

In Georgia v. Ashcroft the ID requirement was found to be unconstitutional until Georgia made ID’s available for free, including secondary documents (birth certificates …etc) and implemented a strong voter education program, including how to get ID’s was in place. The court also ordered a sufficient time period for voters to be educated and able to get their ID’s.

It is clear from the Georgia decision that voter id in Texas could not be done this year or at any time, until the legislature first allocates the resources and design a plan to provide free id’s together with all secondary documents, and Texas must fund and implement a strong voter education program for the voter id process together with the other protections ordered by the court.

Options:
- Give everyone a free ID and supporting documents, ie. Birth certificates
- If the presumption is that having valid ID (drivers license) is citizenship, then provide automatic voter registration when a driver’s license or other “valid” id is issued.
- Pursuant to the national voter registration act, Texas must make photo ID's available for free wherever voter registration is available.
- Put premium on election judges that are bi-lingual and represent cross section of community, Hispanic, African American, Asian....etc.

To abandon a system that has fairly allowed Latino's to gain political strength in Texas and substitute in its place a system that has the potential of greatly increasing the voting strength of the Anglo population and dilutes Latino votes is likely to "lead to a retrogression in the position of racial minorities with respect to their effective exercise of the electoral franchise." Miller v. Johnson, 515 U.S. 900, 926 (1995) (quoting Beer v. United States, 425 U.S. 130, 141 (1976)).

In light of the fact that the proposed change brought forward by the Texas legislative committee is likely to violate both section's 5 and 2 of the federal Voting Rights Act, LULAC urges you to NOT ADOPT the proposed voter id bill.

LULAC has participated in over 400 court ordered elections in Texas since adoption of the Voting Rights Act and will vigorously challenge any voter id bill. LULAC is ready to pursue an objection before the voting rights section of the department of justice and if necessary the federal district courts to stop any voter id bill until such time as Texas adheres to LULAC's objections, recommendations and options.

Respectfully submitted on behalf of the National and Texas State Board of the League of United Latin American Citizens.

WHEREAS, Much progress has been made in the fight against the cartels; various police departments have initiated programs to increase enforcement, and the Texas Department of Public Safety, the game wardens of the Texas Parks and Wildlife Department, county sheriffs, and United States Customs and Border Patrol officers are cooperating to ensure the safety and well-being of border residents; and

Help us, O Lord, to give a full measure of devotion with sincerity and honesty to those problems—political, social, and economic—which continue to knock upon the doors of humanity. REMARKS

Senator Van de Putte: Thank you, Mr. Chairman, and thank you, Mr. President. The Senate Democrats, including those who represent districts in which minority voters are electing candidates of their choice, and who also speak on behalf of minority voters in this state, have made clear their unanimous opposition to the voter ID legislation. That opposition remains. And no matter the specific time of passage of this bill, the outcome is inevitable and our opposition remains firm. In the interest of
continuing debate on the legislation during appropriate hours, however, and to avoid late night debate, which the public would find more difficult to observe, we will not oppose a vote to suspend the 24-hour layout requirement. Debate on this legislation was in the Committee of the Whole consisting of all 31 Members of the Senate. Thus, we see little compelling need for such layout requirement, which typically exists to give those Senators not on the relevant committee opportunity to review legislation. All 31 Senators have had ample opportunity to review the bill, which is the purpose of having a layout requirement. Thank you, Mr. Chairman.

Senator Duncan: I appreciate the fact that we're working together to try to move this bill and we've talked and worked a lot, but the only thing in your statement that I might have exception to is the fact that all Members of this Senate represent minority voters. And, I want to make clear that that is a statement of this whole body and not just of one political party or another. So, with that understanding, I will go ahead and not have an objection. And, I'd like my comments put in the record, if we could.

Senator Whitmire: Senator Duncan, I want to clarify in your comments to Senator Van de Putte before you pose the question, really a comment. You said that you felt like all Members on the floor were attempting to move the bill forward.

Senator Duncan: That's correct.

Senator Whitmire: Okay, well, I want to strongly disagree with you that that's not the position of the opposition. We're not voting for this rule, or this motion because we're trying to move this bill forward. We're trying to move the process forward and the only, and the distinction is we'll do it at 9:20 tonight or at three o'clock this afternoon, but we're going to do everything we can to stop this bill.

Senator Duncan: I understand that.

Senator Whitmire: But we want to have the discussion in the middle of the afternoon versus the middle of the morning.

Senator Duncan: That wasn't my, that, that really--

Senator Whitmire: I know.

Senator Duncan: --wasn't what I intended to say.

Senator Whitmire: You understand.

Senator Duncan: I just, I was intending to, I, I was objecting to the statement to the extent--

Senator Whitmire: I respect that.

Senator Duncan: --it said that, you know, that it implied that not all Members of this body represent minority interests. That was my objection and that's what I wanted in the record.

Senator Whitmire: Certainly, and I think you have a right to make that record and I heard your feelings, but I could not allow your comment that we're all, 31 of us, attempting to move this bill forward, on the record, without making it very clear that that's not the way we feel towards voting for this motion, which allow us to bring it
up immediately. We’re very much opposed to the bill, which you will get to witness in a moment. But we do think it good judgment to go forward at this point, versus going into the mid-part of the next morning.

**Senator Duncan:** I think we can all agree on that and I think we understand that. I had only one objection to the statement and I made that objection.

Question — Shall the Motion In Writing be adopted?

The President requested the Secretary of the Senate to again read the Motion In Writing.

**MOTION IN WRITING**

The Secretary of the Senate again read the following Motion In Writing:

Mr. President:

I move to suspend all necessary rules to take up and consider **SB 14** at this time.

Mr. President:

FRASER

**SENATE BILL 14 ON SECOND READING**

WATSON
(Lieutenant Governor Dewhurst, Presiding)

PRESIDENT : Chair recognizes Senator Fraser for a motion.
FRASER : Mr. President, I would now move to suspend all necessary rules to take up and consider Senate Bill 14 at this time.

VAN DE PUTTE : Thank you, Mr. President and thank you, Senator Fraser. And, Senator Fraser, we had extensive discussion on this bill last evening and during the day, and I wanna thank you and the Members of the entire Senate for the debate from yesterday. But, I'd like to be able to read this statement, in light of your motion.

PRESIDENT : Senator Fraser, Senator Van de Putte would like to read a statement, is that all right with you?
FRASER : Please, read the statement.

VAN DE PUTTE : Thank you, Mr. Chairman, and thank you, Mr. President. The Senate Democrats, including those who represent districts in which minority voters are electing candidates of their choice, and who also speak on behalf of minority voters in this State, have made clear their unanimous opposition to the voter ID legislation, that opposition remains. And no matter the specific time of passage of this bill, the outcome is inevitable and our opposition remains firm. In the interest of continuing debate on the legislation during appropriate hours, however, and to avoid late night debate, which the public would find more difficult to observe, we will not oppose a vote to suspend the 24-hour layout requirement. Debate on this legislation was in the Committee of the Whole consisting of all 31 Members of the Senate. Thus, we see little compelling need for such layout requirement, which typically exists to give those Senators not on the relevant committee opportunity to review legislation. All 31 Senators have had ample opportunity to review the bill, which is the purpose of having a layout requirement. Thank you, Mr. Chairman.

WEST : Mr. Chairman, at the appropriate time, I'd like to have the comments by Senator Van de Putte spread on the record.

FRASER : (Inaudible, background conversation)

DUNCAN : No, I'm really not, (inaudible, not speaking into the microphone)
PRESIDENT: Members--

DUNCAN: --that they (inaudible, overlapping conversation)--

PRESIDENT: --Senator West moves to include the remarks by Senator Van de Putte in the record. Is there objection from any Member? Senator Duncan.

DUNCAN: --I, I had a question of Senator Van de Putte, if I could, on the statement.

PRESIDENT: All right, will Senator Van de Putte yield--

VAN DE PUTTE: I yield.

DUNCAN: I appreciate the fact that we're workin' together to try to move this bill and we've talked and worked a lot, but the only thing in your statement that I might have exception to is the fact that all Members of this Senate represent minority voters. And, I wanna make clear that, that is a statement of--of this whole body and not just of one political party or another. So, with that understanding, I will go ahead and pru--and--

FRASER: Would you like your comments (inaudible, not speaking into the microphone)--

DUNCAN: --not, not have an objection. And, I'd like my comments put in the record, if we could.

WHITMIRE: Mr. President.

PRESIDENT: If I may, Senator West, in case because I see that Senator Zaffirini would like to speak and Senator Whitmire would like to speak (inaudible, overlapping conversation)--

WEST: I, I withdraw the motion.

PRESIDENT: --withdraw, and th--then we'll come back to you at the, all right.

PRESIDENT: (Inaudible, background conversation)

PRESIDENT: All right, we--

PRESIDENT: --Senator Zaffirini, for what purpose do you rise?

ZAFFIRINI: For a parliamentary inquiry.

PRESIDENT: State your inquiry.

ZAFFIRINI: Thank you, Mr. President. I'd like to clarify what the motion before us is, because when Senator Fraser rode (sic), I believe he, when he rose, he made a motion to suspend all necessary rules to take up and consider, at this time, Senate Bill 14. And that was what was on the marquee, but now what we see up there is a motion in writing. I don't have a motion in writing on my desk. I don't know if other Senator's do, so I'm not sure what motion is actually before us. If it is the motion that is related to Senator Van de Putte's statement, I understand it, but I don't have it, and I'm confused because of the motion Senator Fraser made.
We, we have it in writing and it is the motion that he stated. We can have the Secretary read it.

PRESIDENT: I'm going to, the--the Chair lays out the motion in writing for the Secretary to read. Madam Secretary, if, if you would read this. It's the same motion which Senator, but that's a very good question.

SECRETARY: Mr. President, I move to suspend all necessary rules to take up and consider Senate Bill 14, at this time, by Fraser.

ZAFFIRINI: So, are we moving to suspend the rules to bring up the bill, or simply to postpone the 24-hour layout rule?

FRASER: To bring the bill up (inaudible, background conversation).

PRESIDENT: T--To bring the bill up now.

FRASER: Hell (inaudible, background conversation).

SECRETARY: Mr. President.

ZAFFIRINI: I move to suspend the rules to bring up the bill, or simply to postpone the 24-hour layout rule.

PRESIDENT: I understand.

ZAFFIRINI: All right.

PRESIDENT: Thank you.

ZAFFIRINI: Thank you, Mr. President.

PRESIDENT: Thank you, Senator Zaffirini. Senator Whitmire.

WHITMIRE: I was going to ask a question of Senator Duncan, if he has the Floor?

PRESIDENT: All right, I'll consider (sic) that Senator Duncan has the Floor. Will Senator Duncan yield to Senator Whitmire?

DUNCAN: I'll yield to Senator--

WHITMIRE: Senator Duncan--

DUNCAN: --Whitmire.

WHITMIRE: --I wanna clarify in your comments to Senator Van de Putte before you posed the question, really a comment. You said that you felt like all Members on the Floor were attempting to move the bill forward.

DUNCAN: That's correct.

WHITMIRE: Okay, well, I wanna strongly disagree with you, that that's not the position of the opposition. We're not voting for
this rule, or this motion because we're tryin' to move this bill forward--

DUNCAN : I under--
WHITMIRE : --we're tryin' to move the process forward and the only, and the distinction is we'll do it at 9:20 tonight, or at 3:00 o'clock this afternoon, but we're gonna do everything we can to stop this bill--

DUNCAN : --I understand that--
WHITMIRE : --but we--
DUNCAN : --but--
WHITMIRE : --wanna have the discussion in the middle of the afternoon versus the middle of the morning.
DUNCAN : --that--
WHITMIRE : --
DUNCAN : --wasn't my, that--
WHITMIRE : --I know--
DUNCAN : --that really--
WHITMIRE : --I--
DUNCAN : --(wadn't) (sic) what I intended to say.
WHITMIRE : --you understand.
DUNCAN : I just, I was intending to, I--I was objecting to the statement to the ex--

WHITMIRE : And I--
DUNCAN : --tent--
WHITMIRE : --respect that.
DUNCAN : --it said that, you know, that it implied that not all Members of this body represent minority interest. That was my objection and that's what I wanted in the record.

WHITMIRE : Certainly, and I think you have a right to make that record, and I heard your feelings, but I could not allow your comment that we're all, 31 of us, attempting to move this bill forward, on the record, without making it very clear that that's not the way we feel towards voting for this motion, which allow us to bring it up immediately. We're very much opposed to the bill, which you will get to witness in a moment. But we do think it good judgment to go forward at this point, versus going into the mid-part of the next morning.

DUNCAN : I--I think we can all agree on that and I think--

DUNCAN : (Inaudible, background conversation)

WEST : I move, Mr. President, that the comments from Senator Van de Putte be spread upon the record.

WEST : (Inaudible, background conversation)
PRESIDENT: Does that, does that include all the comments made, those including Senator Duncan and Senator Whitmire?

WEST: Senator Van de Putte.

PRESIDENT: (Inaudible, background conversation)

WEST: All right. Members, you have a motion before us by Senator--

PRESIDENT: --Senator Duncan.

WEST: You wanna do an amended motion?

DUNCAN: I wanna amend the motion and also move that my remarks be, and Senator Whitmire's remarks be placed in the record as well.

WEST: And I have no objections to Senator Duncan's amendment.

PRESIDENT: (Inaudible, background conversation)

WEST: You got some amendment.

PRESIDENT: The--

PRESIDENT: --all right, Members, Senator Duncan has a substitute motion. We're gonna rule on that and go back to, and the motion is to include the comments by Senator Van de Putte, Senator Duncan, and Senator Whitmire, to reduce those to writing and include those in, in, in the, the Journal. And, that's an amendment to your motion. All right? Is there objection from any Member?

WEST: No.

PRESIDENT: No objection.

PRESIDENT: Is there objection from any Member?

The Chair hears no objection and the amendment (gavel) is, e-and the motion is passed. Now, we have a amended motion in front of us by S-- Senator West to include the comments--

PRESIDENT: (Laughter)

WEST: by Senator Van de Putte, the remarks by Senator Van de Putte, by Senator Duncan and by Senator Whitmire in the record. Is there objection from any Member? Chair hears none, so ordered. (Gavel)

VAN DE PUTTE: Mr. President.

PRESIDENT: Senator Van de Putte.

VAN DE PUTTE: Thank you. Parliamentary inquiry.
PRESIDENT: State your inquiry.

VAN DE PUTTE: --motion, still, is the motion in writing and we have not received the motion in writing in our, at our desks, and it would be lovely t-ta (sic) have it.

PRESIDENT: Senator Van de Putte, the motion's been, been stated by S--by Senator--

PRESIDENT: --by Senator Fraser. It's been read by the Secretary. Madam Secretary, would you read the motion in writing a second time.

SECRETARY: Mr. President, I move to suspend all necessary rules to take up and consider Senate Bill 14, at this time, by Fraser.

PRESIDENT: Members, you have a motion in front of you.

VAN DE PUTTE: Question, Mr., M--Mr. President, an--

PRESIDENT: Senator Van de Putte.

VAN DE PUTTE: In the phrasing of Senator Fraser's motion in writing, all necessary rules includes all necessary rules from now until the end, or just the 24-hour layout period? If it's such, there's a d--there's a difference, because our, we are very much i--in favor of having this debate six hours earlier so that the public can see. But, with all ne--all necessary rules, is that also for future votes on this bill?

PRESIDENT: No. My understanding in on advice from the Parliamentarian, it's the layout rule.

VAN DE PUTTE: Thank you. The clarification is that the motion in writing--

VAN DE PUTTE: --is the layout rule--

VAN DE PUTTE: --for purpose of--

VAN DE PUTTE: --thank you for the clarification.

PRESIDENT: 'Kay.

VAN DE PUTTE: (Inaudible, background conversation)

PRESIDENT: (Inaudible, background conversation)

PRESIDENT: (Inaudible, background conversation)

JAF: Mr...
ZAFFIRINI: For another Parliamentary inquiry.
PRESIDENT: State your inquiry.
ZAFFIRINI: I'm still concerned, Mr. President, because there is such a difference between the motion in writing, literally, as written, and our understanding of what it says, and that's why we've asked for so much clarification. I would suggest that perhaps we amend that motion in writing to specify specifically the agreement is, and that is that we consider the bill at this point instead of at 9:30, so that particular rule, instead of all necessary rules, because while we may clarify it orally, the record will be that we are voting to suspend all necessary rules, and that is not our intent, to, at least not the intent of some of us. And I wish I had it in front of me. I would request that it be distributed, at least to those of us who are interested in this clarification. But I am concerned about the way it is written and the use of the terminology all necessary rules.

(Pause)

PRESIDENT: Senator Zaffirini, if you'd approach with Senator Van de Putte, and, and Senator Fraser.

(FRASER) Mr. President.
PRESIDENT: Senator Fraser.
FRASER: I would like to withdraw my motion to suspend at this time.
PRESIDENT: Thank you and the Parliamentarian will have a substitute motion for you in just a second.
Laughter

I think it's inaudible background conversation--No, I can't inaudible background conversation--No, seriously.

Background noise

Looks like following motion in writing.

PRESIDENT

(Gavel) The Senate will come to order. The following motion in writing by Senator Fraser, the Secretary will read the motion in writing.

SECRETARY

Mr. President, I move to suspend Senate Rule 511 and Senate Rule 712 to take up Senate Bill 14, at this time, which is set as a special order for 9:20 p.m. today, by Fraser.

PRESIDENT

Senator Zaffirini, for what purpose?

ZAFFIRINI

Simply for a question for the author of the motion in writing.

PRESIDENT

Will Senator Fraser yield to Senator--Fraser?

ZAFFIRINI

Thank you Senator Fraser and thank you for this new motion. And just to be very specific and so that everybody will understand what we are voting on. Specifically, we are voting on suspending the 24 (sic) layout rule and the special order rule that we adopted earlier, that is specifically Rule 511 and the printing rule, which is Rule 712, is that correct?

ZAFFIRINI

Yes.

ZAFFIRINI

Thank you, Senator Fraser, and thank you for this new motion. And just to be very specific and so that everybody will understand what we are voting on. Specifically, we are voting on suspending the 24 (sic) layout rule and the special order rule that we adopted earlier, that is specifically Rule 511 and the printing rule, which is Rule 712, is that correct?

ZAFFIRINI

That is correct.

ZAFFIRINI

And you will make other motions separately?

ZAFFIRINI

Thank you, Sir. Thank you, Mr. President.

PRESIDENT

Thank you, Senator Zaffirini.

PRESIDENT

(Inaudible, background conversation)

PRESIDENT

Members, you have a motion in writing in front of you. Is there any objection to the motion in writing, in front of you, by Senator Fraser? Hearing no objection, the motion in writing is adopted. (Gavel) Members, the Chair lays out on Second Reading, Senate Bill 14. The Secretary will read the caption.

SECRETARY

Senate Bill 14, relating to requirements to vote, including presenting proof of identification, providing criminal penalties.

PRESIDENT

(Chair recognizes)
President: Senator Fraser, I'm about to recognize you. The Chair recognizes Senator Fraser to determine whether or not you want to make a statement, or whether we're gonna go straight to amendments.

Fraser: The only thing I was gonna say is just give a quick description of the bill that went over last night, but I don't even think everyone knows what that is, if we'd like to go straight to amendments, we can. I don't (pause) Members, I now lay out Senate Bill 14 and I think there's amendments to the bill. I think we'll go directly to the bill. I think everyone is very aware of what the bill does.

President: Yeah.

President: I'm showing we have 37 amendments, so we, 37.

President: The Chair lays out Amendment Number 1 by Senator Watson. The Secretary will read the amendment.

Secretary: Floor Amendment Number 1 by Watson, Page 1 in your packet.

President: Senator Gallegos, for what purpose do you rise, Sir?

Gallegos: Mr. President, just point of information.

President: You're recognized.

Gallegos: We're getting, we're getting back letters from certain agencies that we asked questions during the Committee of the Whole, and on, on some 'em, they're, they're pretty descriptive and I was wondering whether we could lay 'em open in part of the record, either during the amendment, or just bring 'em up to you as we go--we just got some of these letters today, from the Secretary of State's Office and some others, and I (sic) just wondering, wa--at the proper time, you know, when would that be that we could--that we could enter this into the record?

President: It would be up to you, you Senators, but I think an appropriate time would, to do that, Senator Gallegos, would be after we have gone through the amendments and then go ahead and present any additional information for the record.

Gallegos: And that's, that's the ruling of the Chair? I, I don't see Senator Duncan here. I wondered if he wouldn't o--object.
