EA Tablet Setup

1. Place your Asus Tablet in the stand, as shown below. The Asus logo should be in the upper left corner when placed appropriately.

2. Put your stylus in the stylus holder on the right side of the stand.

3. Plug the power cord in at the bottom center of the tablet.

4. Press and hold the power button located on the top left of the tablet until it vibrates, indicating that it has powered on.

---
Plug your Tablet into a power strip or wall charger, as shown below.
Launch the software by tapping anywhere on the E.A. Tablet™ logo.
The opening page is the Voter Search Page. You are ready to process voters.
the seven (7) acceptable forms of photo ID. When a voter arrives at a polling location, the voter will be asked to present one of

- United States Passport
- United States Citizenship Certificate containing the person’s photograph
- United States Military Identification card containing the person’s photograph
- Texas Concealed Handgun License issued by DPS
- Texas Personal Identification Card issued by DPS
- Texas Election Identification Certificate issued by DPS
- Texas Driver License issued by the Texas Department of Public Safety (DPS)
To search by scanning a Driver's license or Voter ID Card barcode:

1. Scan a Driver's license barcode
2. Scan the Voter ID Card barcode
3. Manual search

There are multiple ways to search for a voter with our software:
To perform a manual search, type in the voter's first name, last name, birth date, voter ID number, voter address or any combination of these search options from the Voter Search Page.
