bill that Chairman Pitts laid out at the beginning of the session. I'm not sure what
the next appropriations bill that we'll vote on will actually have in it, because I
don't serve on Appropriations.

Y. DAVIS: Okay, for members—for those of us who don't serve on
Appropriations either, I don't either, so I'm trying to understand where the
money's going to come from, and to the extent that we don't need these funds, do
we already have money allocated? I just want to make sure that I ask a question.
If we don't get additional funds, will we have—will there be an issue with regard
to this bill being passed down to our counties and they then are responsible to
implement this without additional resources from the state?

HARLESS: The county passed what the secretary of state passes down, they
receive funds for this, this is part of their normal duties. Every session, there are
some election law changes. It is my understanding, from testimony from Harris
County, that this has been their normal practice.

Y. DAVIS: This is a little bit more than normal practice because we're altering
the entire process. And so, to the extent that this is a totally new program, the
cost would be much greater than they traditionally would have as programs that
were continuations of our existing program, wouldn't you say?

HARLESS: Yes, there was testimony in committee, the secretary of state spent a
lot of time talking about what they wanted to do and what they would look to
other states for best practices. They have budgets set aside every single year to
enact new changes in election code.

Y. DAVIS: And my last question is, based on that deal, we really don't need this
contingency rider? Is that what you're suggesting based on your comments?

HARLESS: It could be possible, but I didn't want to take any chance.

Y. DAVIS: Okay, but—and you're sure we don't have to worry about counties
contacting us with regard to additional expenses for the implementing a new
voter plan without having received money from the state? Is that your
representation?

HARLESS: That is my understanding. The county receives money from the
secretary of state that comes from the HAVA funds.

Y. DAVIS: That's a different question. My question is, based on implementing a
new program, do we expect that the counties will incur additional costs to
implement the new program that we will not fund?

HARLESS: I do not expect them to, but I cannot say for sure that they won't
have additional costs.

Y. DAVIS: And if there are additional costs based on us passing this new bill,
you're suggesting that the counties would then be responsible for those costs.

HARLESS: Excuse me, say that one more time.

Y. DAVIS: Are you suggesting that the counties could have additional costs
associated with implementation of this program if we would not send funds to the
counties for this program? Is that—
HARLESS: The counties have additional costs on a lot of legislation we've passed, and a lot of it's election. Every other session we pass new election laws that the county has to implement. I don't know if they will with this bill.

Y. DAVIS: Is it your intent that this bill would not put another—an additional cost on the counties with regard to implementation of this new program?

HARLESS: I—that is my intent.

Representative Y. Davis moved to print remarks between Representative Harless and Representative Y. Davis.

The motion prevailed.

REPRESENTATIVE L. GONZALES: First of all, thank you.

HARLESS: You're welcome.

L. GONZALES: Thank you for all you've done, for all your hard work—we appreciate it very much. I stand here before you as a very proud Latino, and I've got some questions for you.

HARLESS: Okay.

L. GONZALES: Is it your intention for this bill to disenfranchise ethnic minority voters?

HARLESS: No, sir.

L. GONZALES: Is it your intention, or anybody who has joint-authored or coauthored this bill, to disenfranchise ethnic minority voters?

HARLESS: No, sir.

L. GONZALES: Is it your intention for this bill to disenfranchise any voter, regardless of race, ethnicity, socioeconomic status, disability, age, or any combination thereof?

HARLESS: No.

L. GONZALES: Is it the intention of anybody who has joint-authored or coauthored this bill to disenfranchise any voter, regardless of race, ethnicity, socioeconomic status, disability, age, or any combination thereof?

HARLESS: No, it is not.

L. GONZALES: So we are not targeting my Hispanic 86-year-old grandfather?

HARLESS: No, we're not.

L. GONZALES: So we are not targeting my Hispanic 84-year-old grandmother?

HARLESS: No.

L. GONZALES: Does this bill in any way disenfranchise any voter?

HARLESS: No.
L. GONZALES: Would you agree that the heart and the soul of our republic is the elections process? That these results determine our policy makers, and the decisions they make, which affect our everyday lives, that it is imperative that the voters of Texas have confidence in the integrity of the elections process, and that SB 14 goes a very long way to accomplish and secure this confidence?

HARLESS: I think it absolutely does.

**REMARKS ORDERED PRINTED**

Representative L. Gonzales moved to print remarks between Representative Harless and Representative L. Gonzales.

The motion prevailed.

**REPRESENTATIVE GARZA:** Representative Harless, I wanted to echo the sentiments of Representative Gonzales. I come from the west side of San Antonio; my father was a first generation Hispanic who served in the military for over 20 years. And I came to this place, the house of representatives, to basically—the attitude that minorities, especially we, as Hispanics, are disabled in our ability to get an identification, a driver’s license, to be able to do what it takes to exercise our right to vote, it’s sometimes insulting. We have the ability and we have the right, and my father and many of the Hispanics that are here are examples that we are able, and we want to begin to proclaim the ability of our people to achieve the many things that we have as a race. So, I think the positive part is that we are able, and our people are able, to achieve these things that have been said that they’re not able or disenfranchised or unable to do. And being a Texan and being Hispanic, I know that we are to overcome, and we have overcome, and we will continue to overcome. But to answer some of the questions that caused some confusion to some of the representatives, I wanted to ask you specifically, will this bill encourage voter participation by all Texans, regardless of race, ethnicity, socioeconomic status, their disability, their age, or any of the combinations thereof, by giving them confidence in the election process that Representative Aliseda spoke about?

HARLESS: I believe it will.

**GARZA:** And let me ask you again, with the passage of this bill, will all Texans, including those mentioned, have equal access to this election process with the passage of this bill?

HARLESS: Yes.

**GARZA:** So, the Hispanic voters in my district, House District 117, will have full confidence that their vote will count in a trustworthy election process?

HARLESS: Yes.

**GARZA:** And the African American voters in my district—they’ll have full confidence that their vote will count in this trustworthy election process?

HARLESS: Yes.
GARZA: Okay, and finally, every voter in my district of 117 in San Antonio, and every house district in the State of Texas, regardless of race, ethnicity, their socioeconomic status, their disability, age, or, again, any combination thereof, will have full confidence that their vote will count in a trustworthy election process.

HARLESS: Absolutely, yes.

**REMARKS ORDERED PRINTED**

Representative Garza moved to print remarks between Representative Harless and Representative Garza.

The motion prevailed.

REPRESENTATIVE COLEMAN: Thank you, Ms. Harless, and you know you and I are really good friends.

HARLESS: We are.

COLEMAN: And I respect you greatly, and this is nothing personal to you.

HARLESS: I know that, and I appreciate that. Thank you, I feel the same.

COLEMAN: Do you know if the members who said that they represent people of color, did they come from districts that are a majority of color?

HARLESS: Say that one more time, the end part.

COLEMAN: Do they come from the districts that are majority of color? Do they have districts that are more people that are black and brown or other ethnicities than non black and brown?

HARLESS: I can't answer that, Garnet.

COLEMAN: Are they from majority minority districts? This is important for the record. You may not be able to answer it, but that is important for the record.

HARLESS: I would say that they probably think that their district is majority minority. I don’t know that, I'm not advised of that.

COLEMAN: Well, we're thinking it's not the case and they're speaking on behalf of their opinion, but in terms of how we do law in this state, it is based on the number of people who reside in a district and whether or not that is protected. Ms. Harless, is that true?

HARLESS: Say the last—

COLEMAN: The Voting Rights Act. Isn't that based on the number of people of color that reside in a district that are protected under the Voting Rights Act?

HARLESS: I'm not advised.

COLEMAN: Okay. So the answer is yes. You may not be advised, but I can tell you under the law that the answer is yes. I'm advising you that is the case.

HARLESS: Okay.
COLEMAN: Now, when you say that the individuals in this room did not believe that they were disenfranchised, is that because you didn’t hear them or you didn’t see them or you didn’t know that was the majority of the sentiment of the people who represent majority minority districts that actually were making comment on this floor? I know you may not be advised, but I can tell you right now and you can see that the majority of them do believe that they were disenfranchised, and they are the majority of the people in this house that are districts’ representatives from districts that are districts that are majority minority. Isn’t that correct?

HARLESS: I think the record speaks for itself. They’ve testified on record. We have transcripts of it. A lot of the communication—

COLEMAN: The record speaks for itself, but it’s clear that the members standing around me right now, and the members that have been there today actually did say that they believe this bill disenfranchised their constituents, and that disenfranchisement was a reason why they didn’t want to vote for this bill and thought this bill needed to be changed. And, since you aren’t advised I will let you know that is the case. Thank you, Ms. Harless, for doing such a great job on a difficult subject.

HARLESS: Thank you.

REASONS FOR VOTE

Numerous amendments to improve SB 14 would have made the bill more fair by reducing the risk of disenfranchising eligible, registered Texas voters. Unfortunately, the majority rejected amendments to expand the types of photo identification acceptable for voting. They rejected an amendment that would have allowed voters to sign an affidavit swearing to their identity, and to cast a provisional ballot with the assurance that their ballot would be counted if the signature on the affidavit matched the signature on the voter registration file. The majority also voted against exemptions for seniors, the indigent, people with religious objections, and women who have had their names changed due to marriage or divorce. High school students over 18 will not be able to vote with their school IDs. College students legally registered in Texas will not be able to vote with out-of-state driver’s licenses. In addition, this bill is a vast unfunded mandate on counties. SB 14 also unconstitutionally and illegally raids the Texas mobility fund. In light of our historic budget shortfall, this bill is fiscally irresponsible. Finally, these disadvantages of the bill must be weighed against its purported advantages in terms of reducing voter impersonation. In the absence of evidence of voter fraud of a type that would be prevented by the provisions in this bill, it is clear that this bill would do more harm than good to the integrity of our elections system.
