Rabbi Brian Strauss, Congregation Beth Yeshurun, Houston, offered the invocation as follows:

Almighty God and universal father over all of mankind, we are gathered here to deliberate and make difficult decisions concerning the welfare of our fellow Texans. As we begin, we beseech Your divine assistance, and we pray that You cast the rays of Your divine guidance upon all assembled here, our Lieutenant Governor, Senators, and all others who sacrifice every day to make Texas a better place. Help us, O Lord, to give a full measure of devotion with sincerity and honesty to those problems—political, social, and economic—which continue to knock upon the doors of humanity. Enable us to reflect and to discuss the matters before us in a spirit of wisdom, intelligence, and in the light of Your eternal truth. We beseech You, eternal God, to help us concentrate our efforts toward the eradication of hatred, prejudice, selfishness, poverty, and all forms of human suffering. O Lord, may goodwill and peace belong to all; and one day, may the people of this great state proclaim in unison: All people are deserving of our help as we are all created in the image of God. To this, let us say, Amen.

REMARKS

Senator Van de Putte: Thank you, Mr. Chairman, and thank you, Mr. President. The Senate Democrats, including those who represent districts in which minority voters are electing candidates of their choice, and who also speak on behalf of minority voters in this state, have made clear their unanimous opposition to the voter ID legislation. That opposition remains. And no matter the specific time of passage of this bill, the outcome is inevitable and our opposition remains firm. In the interest of
continuing debate on the legislation during appropriate hours, however, and to avoid late night debate, which the public would find more difficult to observe, we will not oppose a vote to suspend the 24-hour layout requirement. Debate on this legislation was in the Committee of the Whole consisting of all 31 Members of the Senate. Thus, we see little compelling need for such layout requirement, which typically exists to give those Senators not on the relevant committee opportunity to review legislation. All 31 Senators have had ample opportunity to review the bill, which is the purpose of having a layout requirement. Thank you, Mr. Chairman.

Senator Duncan: I appreciate the fact that we’re working together to try to move this bill and we’ve talked and worked a lot, but the only thing in your statement that I might have exception to is the fact that all Members of this Senate represent minority voters. And, I want to make clear that that is a statement of this whole body and not just of one political party or another. So, with that understanding, I will go ahead and not have an objection. And, I’d like my comments put in the record, if we could.

Senator Whitmire: Senator Duncan, I want to clarify in your comments to Senator Van de Putte before you pose the question, really a comment. You said that you felt like all Members on the floor were attempting to move the bill forward.

Senator Duncan: That’s correct.

Senator Whitmire: Okay, well, I want to strongly disagree with you that that’s not the position of the opposition. We’re not voting for this rule, or this motion because we’re trying to move this bill forward. We’re trying to move the process forward and the only, and the distinction is we’ll do it at 9:20 tonight or at three o’clock this afternoon, but we’re going to do everything we can to stop this bill.

Senator Duncan: I understand that.

Senator Whitmire: But we want to have the discussion in the middle of the afternoon versus the middle of the morning.

Senator Duncan: That wasn’t my, that, that really--

Senator Whitmire: I know.

Senator Duncan: —wasn’t what I intended to say.

Senator Whitmire: You understand.

Senator Duncan: I just, I was intending to, I, I was objecting to the statement to the extent--

Senator Whitmire: I respect that.

Senator Duncan: —it said that, you know, that it implied that not all Members of this body represent minority interests. That was my objection and that’s what I wanted in the record.

Senator Whitmire: Certainly, and I think you have a right to make that record and I heard your feelings, but I could not allow your comment that we’re all, 31 of us, attempting to move this bill forward, on the record, without making it very clear that that’s not the way we feel towards voting for this motion, which allow us to bring it
up immediately. We're very much opposed to the bill, which you will get to witness in a moment. But we do think it good judgment to go forward at this point, versus going into the mid-part of the next morning.

Senator Duncan: I think we can all agree on that and I think we understand that. I had only one objection to the statement and I made that objection.

Question — Shall the Motion In Writing be adopted?

The President requested the Secretary of the Senate to again read the Motion In Writing.

MOTION IN WRITING

The Secretary of the Senate again read the following Motion In Writing:

Mr. President:

I move to suspend all necessary rules to take up and consider SB 14 at this time.

FRASER

Senator Fraser withdrew the Motion In Writing.

MOTION IN WRITING

Senator Fraser offered the following Motion In Writing:

Mr. President:

I move to suspend Senate Rule 5.11 and Senate Rule 7.12 to take up SB 14 at this time, which is set as a special order for 9:20 p.m. today.

FRASER

The Motion In Writing was read and was adopted without objection.

SENATE BILL 14 ON SECOND READING
