VOTER ID BILL SUMMARY  
SB14 (82R engrossed)  

SUMMARY  

SB14 would give Texas arguably the strictest photo ID law in the country. A review of the US Supreme Court's approval of Indiana's photo ID law and the DOJ's approval of Georgia's photo ID law indicate that SB14 is likely to be upheld under both constitutional review and Section 5 Voting Rights Act review.  

SB14 requires a voter to provide one of six acceptable photo IDs on election day (TX DL, DPS ID card, military ID, passport, citizenship certificate, or CHL), except that there is an opportunity to opt out of the photo ID requirement for people who are over age 70 when the law takes effect or who provide a signature affirming that they are disabled, indigent, or have a religious objection to being photographed and therefore cannot get a photo ID.  

If a person does not have acceptable ID on election day, they may cast a provisional ballot and return to the voter registrar within six days with acceptable ID and have their ballot counted.  

The criminal penalties for attempting to vote fraudulently are increased.  

There are several provisions requiring training of poll workers and notice and education for the public in multiple languages and formats. The education and training efforts begin now, but the new ID requirements will not apply until the 2012 primary election. The Secretary of State has federal HAVA funds available to pay for the education and training efforts.
