SB 14 Talking Points

LEGITIMATE STATE INTERESTS

- Deterring and detecting fraud
  - Deceased voters, felons, duplicate registrations, and non-residents remain on voter rolls (2007 State Auditor report found over 49,000 of these possible ineligible voters).
  - Fraudulent registration applications are rampant (over 6,000 applications by non-citizens rejected in Harris County from 2004-2007, 2008 ACORN and 2010 Houston Votes registration scandals made national news).

- Improving and modernizing election procedures
  - Majority of Texans have Driver’s License or qualified photo ID.

- Protecting public confidence and improving election integrity

- Fair and Equitable
  - Low burden that is equitably applied to advance the state’s interest of ensuring election integrity.
  - Non-discriminatory.
  - Equally applied.

(These points are taken directly from Supreme Court opinion describing Indiana’s "legitimate state interests" in adopting photo ID.)

MEASURES REQUIRED TO OFFSET BURDENS ON VOTERS

- Access to free photo ID cards.
  - Fee waived for those seeking id for voting purposes.

- Availability of provisional ballots and absentee ballots.
  - Provisional ballots, must present photo-id w/in 6 days for review by the early voting ballot board.

- Ensure that obtaining ID is no more inconvenient or burdensome than usual act of voting.
- Process of registering is still the same.
- Access to ID is maintained.

- Phase-in provision
  - SB 14 does not have a phase-in provision.
  - Instead, act will take effect in whole on 1/1/12.

- Education
  - Texas will pursue an aggressive voter education program as stated in SB 14.
