Effective June 26, 2013, a voter must show one of the following forms of photo identification at the polling location before the voter may be accepted for voting: Driver’s license, election identification certificate, personal identification card or concealed handgun license issued by the Texas Department of Public Safety; United States Military identification card that contains the person’s photograph; United States citizenship certificate that contains the person’s photograph; or a United States passport.

The above identification must be current and not expired, or if expired, then it must have expired no more than 60 days before it is presented for voter qualification at the polling place. Please contact the Secretary of State or your local voter registrar for information concerning limited exceptions to the photo identification requirement for certain voters with disabilities or voters with religious objections to being photographed, and voters affected by certain natural disasters.

Please visit the Secretary of State’s voter information website at www votetexas.gov or call toll free at 1-800-252-8683. If any information on this certificate changes or is incorrect, correct the information in the space provided below, sign and return this certificate to the voter registrar.

I affirm the changes made to the left are correct.
