It is the intent of the State Election Board to increase the level of participation in the elective process in the State of Georgia by encouraging the registration of voters within the State. It is the intent and purpose of the State Election Board, within the parameters of the law, to make voter registration in Georgia as convenient and as easy as practicable while retaining the necessary controls to prevent abuse of the system and fraud in the elective process. To this end, the State Election Board has promulgated these rules and regulations.

(a) Deputy registrars appointed by each county board of registrars shall meet the following qualifications:

(f) When employers or business owners request the use of their place of business as a registration place, registration shall be conducted only in that part of the place of business which is open to the general public. Such part of the place of business shall be considered to be open to and frequented by the general public if it is an area which is maintained for use by the general public and is known to serve the general public for the purpose of conducting business or engaging in other transactions with the business.

The board of registrars shall inform such persons that registration may be conducted only at such times as are designated by the board of registrars, precleared by the United States Department of Justice, and advertised as required by law.

(m) The board of registrars shall instruct deputy registrars in the law and procedure for registration prior to the administration of the oath of office to the deputy registrars. Such training shall include the duties and obligations of deputy registrars, the proper completion of registration applications, the proper security of registration applications, the protection of the integrity of the registration process, and the taking of oaths of registrants and the procedures for appeal upon rejection of the applications for registration.

(n) The Secretary of State shall provide the board of registrars of each county manuals for the use of deputy registrars which include simple instructions on the rules and procedures for the proper conduct of voter registration. The form and content of these manuals shall be determined by the Secretary of State. The board of registrars shall provide each deputy registrar with a copy of the manual.
