healthcare for seniors. He's working to add prescription drug

benefit to Medicare. And make sure medicines are available for every

senior who needs them. Without the medicine, I

would not be where I am. And

[Woman 1]: "Like a lot of people I admire Jim Langevin, but when it comes to the issues that we

care about he just doesn't understand." [Woman 2]: "His record is clear,

Jim Langevin voted to end a woman's right to choose and now

he's trying to confuse the issue and trying to confuse us." [Woman 3]: "Our health and

privacy are at risk and they're too important for us to be anything but sure.

Jim Langevin isn't listening to us and he sure isn't leading."

[Woman 2]: "Call Jim Langevin, tell him he can't take away our rights."

[Announcer]: America was outraged when two New Jersey teenagers checked into a Delaware hotel and delivered and exposed of

their newborn baby in a dumpster. Most Americans couldn't believe that

this defenseless human life could be so coldly snuffed out. But incredibly, if a doctor

had been present that day in Delaware and delivered the infant; all but one inch from full

birth and then killed him it would have been perfectly legal.

Instead of murder or manslaughter, it would have been called a partial-birth abortion.

Killing late in the third trimester, killing just inches away

from full birth. Partial-birth abortion puts a violent death on thousands of babies

every year. Your Senators, Russ Feingold and Herb Kohl
