[Graduate]: "Dear high tech company, I'd like to send you my resume."
 [Announcer 1]: Dear Graduate, sorry, Congress is going to give your job to

a foreign worker. [Graduate]: "But I've just finished four hard years of technical studies."

[Announcer 1]: Sorry, besides foreign workers will work for a lot less.
 [Announcer 2]: Is this any way to

treat American workers? But based on her record, Congresswoman Northrup is likely to vote

in favor of the Foreign Worker Bill. Call Congresswoman Northrup and tell her to save

our best jobs for American workers. Ask her to vote no on the Foreign Worker Bill.

[Announcer]: Jim Matheson can't decide what position to take on prescription drug coverage for seniors.

He doesn't support the common sense plan passed by the House of Representatives.

He doesn't support Bill Clinton's big government plan. Tell Jim Matheson

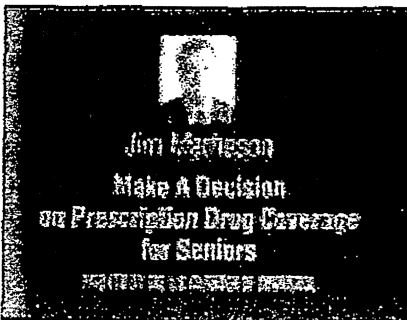

a big government plan is the wrong way to go. It gives seniors

no choice, and it could cause millions of seniors to lose the coverage

they already have. Tell Jim Matheson to make a decision.

This issue is too important to ignore. [PFB: US Chamber of Commerce]
