MEMORANDUM IN SUPPORT

This matter is presently stayed. The parties agree that the stay in this matter shall be lifted for the sole purpose of entering the requested order, and thereafter reimposed by agreement of the parties and the order issued by this Court pursuant to this motion.

On September 11, 2006, this Court ordered the “Boards of Election for each of the 88 Counties for the State of Ohio forthwith to preserve all ballots from the 2004 Presidential election, on paper or in any other format, including electronic data, unless and until such time otherwise instructed by this Court.” It has come to the attention of the secretary of state that some boards of elections are concerned about the ongoing expense and space limitations of continuing to maintain the 2004 presidential election ballots in accordance with this Court’s order. To lessen the burden on the respective boards of elections and to provide a central repository for records, the parties are jointly requesting that an Order be entered in this matter requiring the 88 county boards of elections to transfer to the custody of the secretary of state all ballots from the 2004 presidential election, on paper or in any other format, including electronic

data, previously preserved in accordance with the Court's September 11, 2006 Opinion and Order. It is the intention of the parties that the Court's Order shall require that the records be maintained by the secretary of state in a secure location pending the final resolution of this case, and an Agreed Order has been submitted for the Court's review and approval.

Respectfully submitted,
