

SUPPLEMENTAL DECLARATION OF DANIEL KIRSLIS

My name is Daniel Kirslis and I am over the age of 18 and fully competent to make this declaration. Under penalty of perjury, I declare the following:

1. I voted by absentee ballot in the primary election that was held on June 9, 2020.
2. I had no idea how many stamps I was supposed to put on the envelope. The last time I used the postal service before this was over a year ago when I had to return a package. I had to go to the post office to help me figure out how to do that.
3. This time, I didn't have the option of going to the post office to ask them if I had the right amount of postage. I have been social distancing as much as possible because of the pandemic and did not want to go to the post office to figure this out.

I declare under penalty of perjury that the foregoing is true and correct.

Daniel Kirslis
