

DECLARATION OF ELOISE SIMMONS

My name is Eloise Simmons and I am over the age of 18 and fully competent to make this declaration. Under penalty of perjury, I declare the following:

1. I am a registered Georgia voter and resident in Peach county.
2. I am a United States citizen and am 69 years old. I have not been mentally incompetent by a judge, and I am not currently serving for a felony conviction.
3. I have been voting through absentee ballots for years because I cannot stand in lines for long periods of time. I have had three surgeries in the past few years. I also have a heart condition that I take medication for.
4. Because of my age and medical conditions, I have not been going to work much at all since March of this year.
5. I applied for my absentee ballot earlier in the spring but did not receive it for many weeks.
6. I kept calling about the status of my absentee ballot but was not given any answers about when it would arrive.
7. Finally, my daughter went to the elections office in Fort Valley and asked about the status of my ballot. She found out that they had sent my ballot to a post office box that I had not used in about twenty years.

9. Finally, I received my absentee ballot at the post office right before the election.

10. If my daughter had not gone to the elections office herself and found out about this problem, I don't know if I would have been able to vote in the June primary election.

I declare under penalty of perjury that the foregoing is true and correct.
