

SUPPLEMENTAL DECLARATION OF PENELOPE FRAZER REID

My name is Penny Reid and I am over the age of 18 and fully competent to make this declaration. Under penalty of perjury, I declare the following:

1. I received one absentee ballot for the original primary date.
2. I then received a second absentee ballot. However, the second ballot that I received contained an envelope with no back. So I had to use the envelope from the first ballot.
3. I decided to drop my completed absentee ballot at the post office. Even though I have been following social distancing guidelines and limiting my trips outside the home, I wanted to make sure my ballot was sent out properly.
4. Once I got to the post office, I dropped the ballot in a box outside the building. I did not want to risk going inside the building because I knew from a prior experience that even during the pandemic, people don't always stay six feet apart while waiting in line at the post office.
5. I did not have an issue with finding a stamp in my house to place on the absentee ballot envelope, but I'm starting to run out of stamps now, so I'm not sure how I will get more stamps when I don't have any more left.

I declare under penalty of perjury that the foregoing is true and correct.
