II. PRESIDENTIAL CANDIDATES

A. Nevada has no requirement for filing as a presidential candidate and no presidential primary. [NRS293.150-293.163] [Rules 13.A.-E., & H.]

B. Each presidential candidate shall certify in writing, to the State Democratic Chair, the name[s] of his or her authorized representative[s] by January 7, 2008. [Rule 11.D.[1]]

C. Each presidential candidate [including uncommitted status] shall use his or her best efforts to ensure that his or her respective delegation within the state delegation achieves the affirmative action goals established by this Plan and is equally divided between men and women. [Rule 6.1.]

III. SELECTION OF DELEGATES AND ALTERNATES

A. INTRODUCTION

1. Nevada has a total of thirty-three [33] delegates and four [4] alternates. [Call, I. & Appendix B.]

2. The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2008 Democratic National Convention [“Rules”], the Call for the 2008 Democratic National Convention [“Call”], the Regulations of the Rules and Bylaws Committee for the 2008 Democratic National Convention [“Regs.”], the rules of the Democratic Party of Nevada, the Nevada election code, and this Delegate Selection Plan. [Call, II.A.]
B. DISTRICT-LEVEL DELEGATES AND ALTERNATES

2. District-level delegate positions will be allocated to presidential preferences through a proportional representation system based on a three-tier caucus system, with the first determining step on January 19, 2008 [non-binding presidential preference], precinct meetings in each county of CD I, CD II and CD III. [Rules 10.A & 12.A.]

3. The January 19, 2008 non-binding presidential preference caucus will be conducted in public venues and with limits on the amount of time allowed for candidate debates so that each caucus may be run efficiently and participants time respected. Caucus goers will indicate their presidential candidate choice and the results announced for each candidate. The precinct caucus chair will make three announcements: (1) the number of participants needed to reach viability; (2) the results from this initial round; and (3) those presidential candidates that did not meet the threshold. Caucus goers that were not viable will participate in another round and the results will be announced for each candidate. The presidential candidates meeting threshold requirements will be assigned delegate positions at the county convention. To fill these positions, participants will group by presidential preference and elect the appropriate number of delegates for that presidential preference, to the county convention.

Party business will also be conducted at the precinct caucus including platform planks to submit to the county convention.

Nevada will hold At-Large-Precincts where there is a large concentration of shift workers so that these voters have every possible opportunity to participate in a precinct caucus. The Nevada Party will establish separate At-Large-Precincts after determining the shift worker population in any county containing a large number of shift workers. These At-Large-Precincts are designed for shift workers who work during and within one hour of the caucus and could not otherwise return to their home precincts to caucus. Once all caucus participants have been assembled then in all At-Large-Precincts the attendance will be reported to the State Party by the caucus convener via a toll free telephone number or via the internet; and the number of delegate positions to the county convention from each At-Large-Precinct will then be calculated and be assigned based on actual attendance at each At-Large-Precinct caucus. Following the announcement of how many delegate positions have been assigned to the At-Large-Precinct, the caucus goers will proceed to caucus based on presidential preference as described above.
The Nevada Democratic Party shall work with the business community to maximize the ability of workers to have time off to attend their precinct caucus.

4. Allocation of District-Level Delegates and Alternates

a. The district-level delegates and alternates shall be elected by a three-tier caucus system.

[1] First determining step is January 19, 2008, Precinct Meetings - elect delegates to County Convention [NRS]

[3] A non-binding Presidential Preference Poll will be conducted at the precinct caucuses based on the written pledges of support.

[4] Delegates to the County Convention are elected by precinct caucus participants. State law provides the election of one delegate per 50 registered Democratic voters. [NRS] All Nevada Democratic registered attendees become automatic delegates should the maximum number of delegates not be met. Delegates are not bound to their declared Presidential Preference at the precinct caucuses.

c. Election by CD I, CD II and CD III of delegates to the State Convention will occur at the County Conventions. State law provides the election of one delegate per 150 registered Democratic voters in each Congressional
district. [NRS] All Nevada registered Democratic attendees become automatic delegates should the maximum number of delegates not be met. Delegates are not bound to their declared Presidential Preference at the County Convention.

a. Potential Delegates and Alternates must file an intent to run as a delegate to the National Convention and pledge of support by 10:00 a.m., April 18, 2008. All delegates must sign a binding Presidential Preference Pledge of Support or uncommitted status by 10 a.m., April 19, 2008.

10. Fair Reflection of Presidential Preference

At the third tier, the State Convention this determination will be made by 12 p.m. [noon], April 19, 2008 and an announcement made to the convention prior to caucus meetings and elections and to presidential representatives. [a] In the case where the presidential candidate has only one

In such a case, notwithstanding Rule 17.D.[2], the State Party Committee shall, at the time of a subsequent permanent replacement, replace a delegate with a person of the opposite sex, in order to return the delegation to equal division of men and women. [Reg. 4.33.]

b. Temporary Replacement of a delegate: [Rule 17.D.[3]]

[1] A temporary replacement occurs when a delegate is to be absent for a limited period of time during the convention and an alternate temporarily acts in the delegate’s place.

Secretary’s official confirmation, but prior to the commencement of the
2008 Democratic National Convention, acknowledgment by the Secretary
of the new DNC member certification shall constitute verification of the
corresponding change of unpledged candidates. [Call.IV.C.2.b.]

c. In no case may an alternate cast a vote for an unpledged delegate.

SELECTION OF STANDING COMMITTEE MEMBERS

A. INTRODUCTION

1. Nevada has been allocated one [1] member[s] on each of the three [3] standing
committees for the 2008 Democratic National Convention [Credentials, Platform
and Rules], for a total of three [3] members. [Call. VII.A. & Appendix D.]

2. Members of the Convention Standing Committees need not be delegates or
alternates to the 2008 Democratic National Convention. [Call. VII.A.3.]

3. These members will be selected in accordance with the procedures indicated
below. [Rule 1.G.]

B. SELECTION OF MEMBERS

1. Selection Meeting

a. The members of the standing committees shall be elected by a quorum of
Nevada’s National Convention delegates, at a meeting to be held on April
20, 2008. [Call. VII.B.1.]

b. A quorum shall consist of no less than fifty percent [50%] of the state’s
delegates to the National Convention. [Rule 14]

c. All members of the delegation shall receive timely notice of the time, date
and place of the meeting to select the standing committee members. [Call
VII.B.1.]

2. Allocation of Members

a. The members of the standing committee allocated to NEVADA shall
proportionally represent the presidential preference of all candidates
[including uncommitted status] receiving the threshold percentage used in
the state’s delegation to calculate the at-large apportionment pursuant to
Rule 12.E. of the Delegate Selection Rules. [Call. VII.C.1. & Reg. 5.7.]

b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to NEVADA. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one [1] position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two [2] positions, etc. [Call. VII.C.2.]

c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one [1] additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. [Call. VII.C.3.]

d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three [3] standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. [Call. VII.C.4.]

3. Presidential Candidate Right of Approval

a. Each presidential candidate, or that candidate’s authorized representative[s], shall be given adequate notice of the date, time and location of the meeting of the state’s delegation authorized to elect standing committee members. [Call. VII.D.1.]

than one person for each slot awarded to such candidate for members of
standing committees. [Call. VII.D.2.]

4. Selection Procedure to Achieve Equal Division

a. Presidential candidates [including uncommitted status] shall use their best
efforts to ensure that their respective delegation of standing committee
members shall achieve NEVADA'S affirmative action goals and that their
respective members are equally divided between men and women. [Rule
6.1 & Reg. 4.10.]

Each position on each standing committee shall be assigned by gender.
For example, the first position on the Credentials Committee of the
presidential candidate with the most standing committee positions shall be
designated for a [male], the second position for a [female], to be
determined, and the remaining positions shall be designated in like
fashion, alternating between males and females. Positions for presidential
candidates on each committee shall be ranked according to the total
number of standing positions allocated to each such candidate. After
positions on the Credentials Committee are designated by sex, the
designation shall continue with the Platform Committee, then the Rules
Committee. Presidential preference will determine preferred member and
gender sequence after results of previous elections are evaluated.

[1] A separate election shall be conducted for membership on each
standing committee at 12:00 p.m. [noon], April 20, 2008.

[2] The membership of the standing committees shall be as equally
divided as possible under the state allocation; if the number is
even, the membership shall be equally divided between men and
women; if the number is odd, the variance between men and
women may not exceed one [1], and the advantaged gender must
remain constant for the three [3] standing committees. [Call.
VII.E.1.]

[3] The positions allocated to each presidential candidate on each
committee shall be voted on separately, and the winners shall be
the highest vote-getter[s] of the appropriate sex.

documents related to the state’s delegate selection process will be prepared and
the Affirmative Action Committee will distribute them in the various delegate
districts not later than October 10, 2007. [Rule 1.H.]

The State Party shall take all feasible steps to encourage persons to register and to
to vote as Democrats and will seek to ensure simple and easy registration
procedures. [Rule 2.C.]

C. EFFORTS TO PUBLICIZE THE DELEGATE SELECTION PROCESS

1. Special attention shall be directed at publicizing the delegate selection process in
the state. Such publicity shall include information on eligibility to vote and how
to become a candidate for delegate, the time and location of each stage of the
delegate selection process and where to get additional information. The foregoing
information will also be published in the state party newspaper. The Party
organization, official, candidate, or member calling a meeting or scheduling an
event, shall effectively publicize the role that such meeting or event plays in the
selection of delegates and alternates to the Democratic National Convention.

2. Newspapers, radio and television will be utilized to inform the general public
how, when and where to participate in the delegate selection process.
Specifically, this information should provide details as to how to qualify to run as
a delegate candidate. Special effort shall be directed to the major daily
newspapers, radio and television stations by the State Democratic Chair,
Affirmative Action Committee members and staff. Regular releases during the
delegate selection process to all other media sources, weekly newspapers, and
wire services should complete timely coverage. [See Exhibit 1] [Rules 4.B.[3] &
6.D.]

3. A priority effort shall be directed at publicity and education among the
Democratic Party’s constituencies.

a. Information about the delegate selection process will be provided to
minority newspapers and radio stations, ethnic press, Native American,
Asian/Pacific American, Spanish-speaking and other non-English press,
radio stations and publications, and women’s organizations, student
newspapers, LGBT press, disability press, and any other specialty media in
the state that is likely to reach the Democratic constituency groups set

b. The State Party shall be responsible for the implementation of this publicity effort. [See "Exhibit #1."] For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of County Central Committee meetings, Affirmative Action Committee meetings, social events, town meetings and rallies, precinct meetings, County Conventions, State Convention and Affirmative Action workshops, shall be effectively publicized, bilingually where necessary, to encourage the participation of minority groups. [Rules 5.C. & 6.D.]

4. Not later than August 15, 2007, a press kit shall be made and provided to each daily and weekly newspaper as well as to the electronic media. The press kit will include:

a. a summary of all pertinent rules related to the state’s delegate selection process;

b. a map of delegate districts and how many delegates will be elected within each district;

c. a summary explaining the operation and importance of the 2008 Convention; and

d. materials designed to encourage participation by prospective delegate candidates.

D. REPRESENTATION GOALS

1. The State Party has determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian/Pacific Americans in the state’s Democratic electorate. These constituency percentages shall represent minimum goals for representation in the state’s convention delegation. [Rule 6.A.]

</tbody>

2. When selecting the at-large portion of the delegation, the demographic composition of the other delegates [district-level, pledged PLEO, and unpledged] shall be compared with the State Party's goals in order to achieve an at-large selection process which helps to bring about a representative balance.

[b] In order to continue the Democratic Party's ongoing efforts to include groups historically under-represented in the Democratic Party's affairs, priority of consideration shall also be given to other groups by virtue of race/ethnicity, age, sexual orientation or disability. [Rules 5.C., 6.A.[3] & Reg.4.7]

3. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for the State Party to conduct outreach activities as recruitment, education and training. [Rule 6.A.[3]]

E. OBLIGATIONS OF PRESIDENTIAL CANDIDATES TO MAXIMIZE PARTICIPATION

1. Presidential candidates shall assist the NEVADA Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan. [Rule 6.H.]

2. Each presidential candidate must submit a written statement to the State Democratic Chair by January 7, 2008 or 30 days following a candidate's announcement for late entries of presidential candidates, which indicates the specific steps he or she will take to encourage full participation in NEVADA'S delegation selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate. [Rule 6.H.[1]]

3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. [Rule 6.H.[2]]
4. Presidential candidates [including uncommitted status] shall use their best effort to ensure that their respective delegations within the state’s delegate, alternate and standing committee delegations shall achieve the affirmative action goals reflected in the Affirmative Action Plan and that the respective delegations of each presidential candidate shall be equally divided between men and women. Furthermore, presidential candidates shall use their best efforts at the district-level to approve delegate and alternate candidates who meet applicable equal division and affirmative action considerations in order to achieve the affirmative action goals and equal division for their respective delegations. [Rule 6.1. & Regs. 4.10.]

VIII.
CHALLENGES

A. JURISDICTION AND STANDING

1. Challenges related to the delegate selection process are governed by the Regulations of the DNC Rules and Bylaws Committee for the 2008 Democratic National Convention [Regs., Sec. 3.], and the “Rules of Procedure of the Credentials Committee of the 2008 Democratic National Convention.” [Call., Appendix A.]

2. Under Rule 20.B of the 2008 Delegate Selection Rules, the DNC Rules and Bylaws Committee has jurisdiction over challenges pertaining to the submission, non-implementation and violation of state Delegate Selection and Affirmative Action Plans [Rule 19.B.]

3. The Rules and Bylaws Committee has jurisdiction to hear and decide any challenge provided that it is initiated before the 56th day preceding the date of commencement of the Democratic National Convention shall be processed in accordance with the “Rules of Procedure of the Credentials Committee of the 2008 Democratic National Convention. [Call., Appendix A.]

4. Challenges to the credentials of delegates and alternates to the 2008 Democratic National Convention initiated on or after the 56th day preceding the date of commencement of the Democratic National Convention shall be processed in accordance with the “Rules of Procedure of the Credentials Committee of the 2008 Democratic National Convention.” [Call., Appendix A]

5. Any challenge to the credentials of a standing committee member shall be considered and resolved by the affected standing committee in accordance with Appendix A of the Call for the 2008 Democratic National Convention. The Rules
and Bylaws Committee shall have jurisdiction over challenges brought before the 56th day preceding the date of the commencement of the Democratic National Convention. [Call. VII.B.5.]

6. Copies of the Regulations of the Rules and Bylaws Committee and/or the Call for the 2008 Democratic National Convention, including the Rules of Procedure of the Credential Committee [Appendix A], shall be made available by the State Party upon reasonable request.

7. Standing: Any group of fifteen [15] Democrats with standing to challenge as defined in Reg. 3.2 or the Call [Appendix A, Sec. 2.A.], may bring a challenge to this Plan or to the implementations of this Plan, including its Affirmative Action provisions.

B. CHALLENGES TO THE STATUS OF THE STATE PARTY AND CHALLENGES TO THE PLAN

1. A challenge to the status of the Nevada State Central Committee as the body entitled to sponsor a delegation from that state shall be filed with the Rules and Bylaws Committee not later than thirty [30] calendar days prior to the initiation of the state’s delegation selection process. [Rule 19.A. & Reg. 3.4.A.]

2. A challenge to the state’s Delegate Selection Plan shall be filed with the Chair of the Nevada Democratic Party and the co-chairs of the Rules and Bylaws Committee of the DNC within fifteen [15] calendar days after the adoption of the Plan by the State Party. [Reg. 3.4.B.]

3. A challenge to a Plan must be brought in conformity with the Rules and the Regs., which should be consulted for a detailed explanation of challenge procedures.

C. CHALLENGES TO IMPLEMENTATION

1. A challenge may be brought alleging that a specific requirement of an approved Plan has not been properly implemented. Jurisdiction over all challenges initiated in a timely fashion shall reside with either the Rules and Bylaws Committee or the Credentials Committee of the National Convention [See Section VII.A.above]. However, the Rules and Bylaws Committee may provide advice, assistance or interpretations of the Delegate Selection Rules at any stage of the delegate selection process. [Reg. 3.1.C.]

2. An implementation challenge brought before the Rules and Bylaws Committee is initiated by filing a written challenge with the State Party Committee and with the
Rules and Bylaws Committee not later than fifteen [15] days after the alleged violation occurred. The State Party has twenty-one [21] days to render a decision. Within ten [10] days of the decision, any party to the challenge may appeal it to the Rules and Bylaws Committee to process it. The request must be made within ten [10] days after expiration of the above twenty-one [21] day period. [Regs. 3.4.C., E., & H.]

3. Performance under an approved Affirmative Action Plan and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If a state party has adopted and implemented an approved affirmative action program, the state party shall not be subject to challenge based solely on delegation composition or primary results. [Rule 6.B.] The procedures are the same for challenges alleging failure to properly implement the Affirmative Action section of a Plan, except that such challenges must be filed not later than thirty [30] days prior to the initiation of the state’s delegation selection process. [Reg. 3.4.C.]

4. Depending on the appropriate jurisdiction [see Section VII.A. above], implementation challenges must be brought in conformity with the Regulations of the Rules and Bylaws Committee or the Rules of Procedure of the Credentials Committee, which should be consulted for a detailed explanation of challenge procedures.
