**SUPPLEMENT TO ORDER GRANTING MOTION
FOR PRELIMINARY INJUNCTION**

This Court granted Plaintiff's Motion for Preliminary Injunction on November 15, 2018. ECF No. 46. Intervenor-Defendant the National Republican Senatorial Committee filed a notice of appeal, also on November 15, 2018. ECF No. 47. Acknowledging the continued pendency of that appeal, this Court assumes that the parties do not require further action from it at this time. The parties should provide notification on or before November 30, 2018, if this impression is in error.

This Court further acknowledges receipt of updated signature mismatch numbers from Defendant Detzner. ECF No. 72. This Court directs Defendant Detzner to collect from all 67 counties the number of ballots that were cured

following the entrance of the order and to file such on or before November 30, 2018, in the same format that information was previously provided signature mismatch numbers. If the information forthcoming by that date is incomplete, Defendant Detzner should supplement it once per week until this Court has information from all 67 counties. Defendant Detzner should notify this Court if he is unwilling to collect and provide this information on the included timeline.

SO ORDERED on November 19, 2018.
