Tina,
You are absolutely right.

Thanks,
Kim

Subject: Registration for 18 year old.

Kim,

Can you verify for me that under the new VIVA law, people who will be 18 years of age by Election Day CAN register (while they are 17) and that it is only PReregistration - for those who will not be 18 by election day, and therefore, are ineligible to vote - that is now prohibited?

Thanks.
