If a majority of the votes are against the merger, then such merger shall not be effective unless approved by a majority of the qualified voters who vote thereon in a subsequent special election conducted under authority of this section.

Any action or proceeding in any court to set aside a special election held under authority of this section or the result thereof, or to obtain any other relief upon the ground that such election or any proceeding or action taken with respect to the holding of such election is invalid, must be commenced within 30 days after the day of such special election. After the expiration of such period of limitation, no right of action or defense founded upon the invalidity of the election or the result thereof shall be asserted, nor shall the validity of the election or of the result thereof be open to question in any court upon any ground whatever, except in an action or proceeding commenced within such period.

**SECTION 10.32.** This Part becomes effective January 1, 2014, and applies to special elections held on or after that date.

**PART 11. POLL OBSERVERS**

**SECTION 11.1.** G.S. 163-45 reads as rewritten:

"§ 163-45. Observers; appointment.

(a) The chair of each political party in the county shall have the right to designate two observers to attend each voting place at each primary and election and such observers may, at the option of the designating party chair, be relieved during the day of the primary or election after serving no less than 4 hours and provided the list required by this section to be filed by each chair contains the names of all persons authorized to represent such chair’s political party. The chair of each political party in the county shall have the right to designate 10 additional at-large observers who are residents of that county who may attend any voting place in that county. The list submitted by the chair of the political party may be amended between the one-stop period under G.S. 163-227.2 and general election day to substitute one or all at-large observers for election day. Not more than two observers from the same political party shall be permitted in the voting enclosure at any time, except that in addition one of the at-large observers from each party may also be in the voting enclosure. This right shall not extend to the chair of a political party during a primary until that party is participating in the primary. In any election in which an unaffiliated candidate is named on the ballot, the candidate or the candidate's campaign manager shall have the right to appoint two observers for each voting place consistent with the provisions specified herein. Persons appointed as observers must be registered voters of the county for which appointed and must have good moral character. No person who is a candidate on the ballot in a primary or election may serve as an observer or runner in that primary or election. Observers shall take no oath of office.

(b) Individuals authorized to appoint observers must submit in writing to the chief judge of each precinct a signed list of the observers appointed for that precinct, except that the list of at-large observers authorized in subsection (a) of this section shall be submitted to the county director of elections. Individuals authorized to appoint observers must, prior to 10:00 A.M. on the fifth day prior to any primary or general election, submit in writing to the chair of the county board of elections two signed copies of a list of observers appointed by them, designating the precinct or at-large status for which each observer is appointed. Before the opening of the voting place on the day of a primary or general election, the chair shall deliver one copy of the list to the chief judge for each affected precinct, except that the list of at-large observers shall be provided by the county director of elections to the chief judge. The chair shall retain the other copy. The chair, or the chief judge and judges for each affected precinct, may for good cause reject any appointee and require that another be appointed. The names of any persons appointed in place of those persons rejected shall be furnished in writing to the chief judge of each affected precinct no later than the time for opening the voting place.
on the day of any primary or general election, either by the chair of the county board of
elections or the person making the substitute appointment.

If party chairs appoint observers at one-stop sites under G.S. 163-227.2, those party chairs
shall provide a list of the observers appointed before 10:00 A.M. on the fifth day before the
observer is to observe. At-large observers may serve at any one-stop site.

(c) An observer shall do no electioneering at the voting place, and shall in no manner
impede the voting process or interfere or communicate with or observe any voter in casting a
ballot, but, subject to these restrictions, the chief judge and judges of elections shall permit the
observer to make such observation and take such notes as the observer may desire.

(d) Whether or not the observer attends to the polls for the requisite time provided by
this section, each observer shall be entitled to obtain at times specified by the State Board of
Elections, but not less than three times during election day with the spacing not less than one
hour apart, a list of the persons who have voted in the precinct so far in that election day.
Counties that use an "authorization to vote document" instead of poll books may comply with
the requirement in the previous sentence by permitting each observer to inspect election records
so that the observer may create a list of persons who have voted in the precinct so far that
election day; each observer shall be entitled to make the inspection at times specified by the
State Board of Elections, but not less than three times during election day with the spacing not
less than one hour apart.

Instead of having an observer receive the voting list, the county party chair may send a
runner to do so, even if an observer has not been appointed for that precinct. The runner may be
the precinct party chair or any person named by the county party chair. Each county party chair
using runners in an election shall provide to the county board of elections before 10:00 A.M. on
the fifth day before election day a list of the runners to be used. That party chair must notify the
chair of the county board of elections or the board chair's designee of the names of all runners
to be used in each precinct before the runner goes to the precinct. The runner may receive a
voter list from the precinct on the same schedule as an observer. Whether obtained by obse rver
or runner, each party is entitled to only one voter list at each of the scheduled times. No runner
may enter the voting enclosure except when necessary to announce that runner "s presence and
to receive the list. The runner must leave immediately after being provided with the list.

SECTION 11.2. The Joint Legislative Elections Oversight Committee shall study a
bill of rights for election observers to guarantee their right to help assist proper voting while
ensuring proper protection for voters and recommend to the General Assembly any legislation
it deems advisable. It may make an interim report prior to the date that the General Assembly
reconvenes the 2013 Regular Session in 2014 and shall make a final report before the
convening of the 2015 Regular Session of the General Assembly.

The study shall also examine the size of the polling place itself, its accessibility, and parking availability. It may make an interim report prior to the date that the General Assembly reconvenes the 2013 Regular Session in 2014, and shall make a final report before the convening of the 2015 Regular Session of the General Assembly.

PART 25. EARLY VOTING SITES WITHIN A COUNTY

SECTION 25.1. G.S. 163-227.2(b) and (g) read as rewritten:

"§ 163-227.2. Alternate procedures for requesting application for absentee ballot; "one-stop" voting procedure in board office.

... (b) Not earlier than the third Thursday before an election, in which absentee ballots are authorized, in which a voter seeks to vote and not later than 1:00 P.M. on the last Saturday before that election, the voter shall appear in person only at the office of the county board of elections, provided in subsection (g) of this section. A county board of elections shall
conduct one-stop voting on the last Saturday before the election until 1:00 P.M. and may conduct it until 5:00 P.M. on that Saturday. That voter shall enter the voting enclosure at the board office through the appropriate entrance and shall at once state his or her name and place of residence to an authorized member or employee of the board. In a primary election, the voter shall also state the political party with which the voter affiliates and in whose primary the voter desires to vote, or if the voter is an unaffiliated voter permitted to vote in the primary of a particular party under G.S. 163-119, the voter shall state the name of the authorizing political party in whose primary he wishes to vote. The board member or employee to whom the voter gives this information shall announce the name and residence of the voter in a distinct tone of voice. After examining the registration records, an employee of the board shall state whether the person seeking to vote is duly registered. If the voter is found to be registered that voter may request th at the authorized member or employee of the board furnish the voter with an application form as specified in G.S. 163-227. The voter shall complete the application in the presence of the authorized member or employee of the board, and shall deliver the application to that person.

... (g) Notwithstanding any other provision of this section, a county board of elections by unanimous vote of all its members may provide for one or more sites in that county for absentee ballots to be applied for and cast under this section. Every individual staffing any of those sites shall be a member or full-time employee of the county board of elections or an employee of the county board of elections whom the board has given training equivalent to that given a full-time employee. Those sites must be approved by the State Board of Elections as part of a Plan for Implementation approved by both the county board of elections and by the State Board of Elections which shall also provide adequate security of the ballots and provisions to avoid allowing persons to vote who have already voted. The Plan for Implementation shall include a provision for the presence of political party observers at each one-stop site equivalent to the provisions in G.S. 163-45 for party observers at voting places on election day. A county board of elections may propose in its Plan not to offer one-stop voting at the county board of elections office; the State Board may approve that proposal in a Plan only if the Plan includes at least one site reasonably proximate to the county board of elections office and the State Board finds that the sites in the Plan as a whole provide adequate coverage of the county’s electorate. If a county board of elections has considered a proposed Plan or Plans for Implementation and has been unable to reach unanimity in favor of a Plan, a member or members of that county board of elections may petition the State Board of Elections to adopt a plan for it. If petitioned, the State Board may also receive and consider alternative petition from another member or members of that county board. The State Board of Elections may adopt a Plan for that county. The State Board, in that plan, shall take into consideration factors including geographic, demographic, and partisan interests of the county. Any plan adopted by either the county board of elections or the State Board of Elections under this subsection shall provide for the same days of operation and same number of hours of operation on each day for all sites in that county for that election. The requirement of the previous sentence does not apply to the county board of elections office itself nor, if one-stop voting is not conducted at the county board of elections office, to the reasonably proximate alternate site approved under this subsection."

SECTION 25.2. G.S. 163-227.2 is amended by adding a new subsection to read:

"(g2) Notwithstanding the requirements of subsection (g) and (g1) of this section, for any county board of elections that provided for one or more sites as provided in subsection (g) of this section during the 2010 or 2012 general election, that county shall provide, at a minimum, the following:

"(1) The county board of elections shall calculate the cumulative total number of scheduled voting hours at all sites during the 2012 primary and general elections, respectively, that the county provided for absentee ballots to be applied for and voted under this section. For elections which include a presidential candidate on the ballot, the county shall ensure that at least the same number of hours offered in 2012 is offered for absentee ballots to be applied for and voted under this section through a combination of hours and numbers of one-stop sites during the primary or general election, correspondingly."
(2) The county board of elections shall calculate the cumulative total number of scheduled voting hours at all sites during the 2010 primary and general elections, respectively, that the county provided for absentee ballots to be applied for and voted under this section. For elections which do not include a presidential candidate on the ballot, the county shall ensure that at least the same number of hours offered in 2010 is offered for absentee ballots to be applied for and voted under this section through a combination of hours at one-stop sites during the primary or general election, correspondingly.

The State Board of Elections, to ensure compliance with this subsection, may approve a one-stop site in a building that the county board of elections is not entitled under G.S. 163-129 to demand and use as an election-day voting place, but may deny approval if a member of that board presents evidence that other equally suitable sites were available and the use of the sites chosen would unfairly advantage or disadvantage geographic, demographic, or partisan interests of that county.

SECTION 25.3. G.S. 163-227.2 is amended by adding a new subsection to read:

"(g3) A county board of elections by unanimous vote of the board, with all members present and voting, may submit a request to the State Board to reduce the number of hours established in subsection (g2) of this section for a primary or a general election. The reduction shall take effect for that primary or general election only if approved by unanimous vote of the State Board with all members present and voting."

PART 26. STANDARDIZE SATELLITE POLLING PLACE APPROVAL

SECTION 26.1(a). G.S. 163-130 reads as rewritten:

"§ 163-130. Satellite voting places.

A county board of elections by unanimous vote may, upon approval of a request submitted in writing to the State Board of Elections, establish a plan whereby elderly or disabled voters in a precinct may vote at designated sites within the precinct other than the regular voting place for that precinct. Any approval under this section is only effective for one year and shall be annually reviewed for extension. The State Board of Elections shall approve a county board's proposed plan if:

1. All the satellite voting places to be used are listed in the county's written request;
2. The plan will in the State Board's judgment overcome a barrier to voting by the elderly or disabled;
3. Adequate security against fraud is provided for; and
4. The plan does not unfairly favor or disfavor voters with regard to race or party affiliation."

SECTION 26.1(b). This section becomes effective January 1, 2014. All plans approved under G.S. 163-130 prior to that date shall be reviewed and adopted in accordance with G.S. 163-130, as amended by this section.

1. Whether to go to a plurality method of determining the result of the primary.
2. Whether to reduce the current forty (40%) percent threshold.
3. Whether to keep the forty (40%) percent threshold but also allow a smaller percentage if the margin between first and second place finisher is substantial.
4. Whether to have a different system for different offices such as United States Senator, Governor, and Lieutenant Governor and other offices.
It may make an interim report prior to the date that the General Assembly reconvenes the 2013 Regular Session in 2014, and shall make a final report before the convening of the 2015 Regular Session of the General Assembly.

The two candidates with the most votes in the special primary shall have their names placed on the ballot for the general election held on the same day as the general election for members of the General Assembly.

2. When the vacancy described in this section occurs less than 64 days before the date of the second primary, a general election for all the candidates shall be held on the same day as the general election for members of the General Assembly and the results shall be determined on a plurality basis as provided by G.S. 163-292 the "instant runoff voting" method shall be used to determine the winner. Under "instant runoff voting," voters rank up to three of the candidates by order of preference. First, second, or third. If the candidate with the greatest number of first-choice votes receives more than fifty percent (50%) of the first-choice votes, that candidate wins. If no candidate receives that minimum number, the two candidates with the greatest number of first-choice votes advance to a second round of counting. In this round, each ballot counts as a vote for whichever of the two final candidates is ranked highest by the voter. The candidate with the most votes in the second round wins the election. If more than one seat is to be filled in the same race, the voter votes the same way as if one seat were to be filled. The counting is the same as when one seat is to be filled, with one or two —
rounds as needed, except that counting is done separately for each seat to be filled. The first count results in the first winner. Then the second count proceeds without the name of the first winner. This process results in the second winner. For each additional seat to be filled, an additional count is done without the names of the candidates who have already won. In multi-seat contests, the State Board of Elections may give the voter more than three choices.

(3) If two or more candidates receiving the highest number of votes each receive the same number of votes, the board of elections shall resolve the tie in accordance with G.S. 163-182.8.
