UNITED STATES OF AMERICA,

Plaintiff,

v.

THE STATE OF NORTH CAROLINA, et  
al.,

Defendants.

Civil Action No. 13cv861

**ORDER**

Plaintiff United States moves to expedite resolution of its "Motion in Limine to Exclude Improper Expert Opinion Testimony of Brian Neesby." (Doc. 266 in case 13-cv-861.)

Just recently, on June 4, the court entered an extensive pretrial schedule for consideration of motions based on the parties' negotiations and requests. (Doc. 256 in case 13-cv-861.) The United States' effort to expedite seeks to alter that schedule, also potentially opening the door to other parties' efforts to similarly advance or alter other scheduling deadlines.

The motion to expedite will be DENIED, and the court will consider the motions of the parties according to the schedule previously indicated.
