APPENDIX

Table 1

The following table lists the number of voter registration application records for which the following was true on November 4, 2014:

- The record displayed an application date that was on or after January 1, 2014; and
- The record reflected that the application had not yet been processed and the record had not been added to the list of registered voters because it was either:
 - (1) in the incomplete queue on November 4, 2014, or
 - (2) in the review queue on November 4, 2014 after having previously been in the incomplete queue.

This data excludes 10,476 records for which no race information was available.
