You will soon receive an ID for voting!

In about a week, you will receive either a Wisconsin ID card or a paper receipt in the mail.

Either one can be used as ID to vote.

If you apply the week before the election or the week of the election (October 31st through November 10th), paper receipts will be sent via overnight mail, so you will receive it the day after you apply.

A Wisconsin ID looks like a driver's license. The paper receipt looks like this:

A Wisconsin driver license or ID card is acceptable photo ID for voting.

DMV does not have information regarding voter eligibility, poll locations, voter registration information or other election information. Please contact your local election officials or county clerk for election information. The Wisconsin Elections Commission is another useful source of information.
