Desired Precinct Election Official Conduct

Precinct election officials should treat voters in a professional manner, work efficiently with each other, and resolve problems so that voters can vote with ease and privacy. Precinct election official activity should not distract voters from their business at the polls.

Unacceptable Precinct Election Official Conduct:

- Precinct election officials may not campaign at the polling location or attempt to influence voters or other precinct election officials regarding their vote for or against a candidate or issue;
- Precinct election officials may not wear or disseminate any campaign literature or paraphernalia including, but not limited to, literature, sample ballots, slate cards, campaign badges, campaign clothing or campaign buttons;
- Precinct election officials may not introduce into the polling location, or use during their working time, items that might distract them from managing the polls (i.e., laptops not provided by the board of elections, newspapers, iPods or other music players, cell phones for personal use, radios, televisions, etc.);
- Precinct election officials may not solicit contributions for raffle tickets or sell anything at the polling location, such as baked goods, candy, crafts, etc.;
- Precinct election officials may not place any food or drink on the check-in table, or on or near voting equipment or supplies;
- Precinct election officials may not engage in any other activities identified as illegal or unacceptable according to the board of elections, the Secretary of State, or state or federal law; and
- Precinct election officials may not refuse to enforce election laws, especially the laws that apply to precinct polling locations (R.C. 3501.33, R.C. 3501.35).

Arranging the Polling Location

Precinct Election Officials Work as a Team to Make Sure:

- Precinct election officials can observe voters as they enter the polling location, go through the voting process (but not observe how a voter votes), and leave the polling location;
- Every step of the voting process is open to a voter's view once he or she enters the polling location (except viewing how another voter votes);
- Voters, including people with disabilities (i.e., using a wheelchair, walker, crutches, cane, scooter, service animal, a friend's arm, other mobility aids, etc.) can easily get into and out of the polling place, and have access to any voting device;
- Voters can move easily from the check-in table to the place they are to receive their ballot or vote, and to the exit;
- Machines or voting compartments are arranged so that voters can vote privately, to ensure a secret ballot;
- Directional signs are posted so that voters can find the voting area from the main entrance;
- The flags are placed at the entrance (one larger flag) and 100 feet from the entrance to the polling location (two smaller flags);
- All required signs and the Official Precinct Voter Registration List are prominently posted inside the polling location; and
- Tables and materials are organized efficiently, and all necessary voting supplies are easily accessible to precinct election officials.

Necessary Security Procedures:

- Inspect voting machines for physical damage and check tamper-proof/tamper-evident seals, seal numbers, and security wires, making sure the seals and wires have not been changed since the equipment or supplies left the board of elections;
- Maintain control over all voting machines and all associated materials and supplies;
- Ensure that the memory card slot on every voting machine is protected from unauthorized use or tampering before the start of voting and throughout Election Day (if applicable);
- Keep a record, including a tally, of all voters who enter the polling location, and keep a record, including a tally, of all ballots issued, including provisional ballots and soiled or defaced ballots;
- Document any incident that may affect the election results, such as machine problems, voters who signed the Signature Poll Book but left the polling location without voting, delays in opening the polling location, and any other incidents you think could have an impact on the election — especially on tallying the votes or reconciling voting materials, equipment or supplies;
- Report any suspicious activity in or around the voting machines to the board of elections;
- Complete every form legibly and completely;
- Follow chain of custody procedures for voting materials are followed; and
- Return the correct materials to the board of elections office or other assigned location on Election Night.

People Allowed in the Polling Location

The Following People Are Allowed in the Polling Location:

- An election official;
- A police officer;
- A person reviewing the 6:30 a.m., 11:00 a.m. or 4:00 p.m. list of registered electors, otherwise known as the Official Precinct Voter Registration List;
- A voter;
- A voter's child, who is not yet of voting age;
- A person assisting another person to vote;
- An observer bearing a certificate of appointment; and
- Journalists.

Persons Checking the Official Precinct Voter Registration List:

- Any person may enter the polling location for the sole purpose of checking and taking notes from the Official Precinct Voter Registration List that is posted at 6:30 a.m. and updated at 11:00 a.m. and 4:00 p.m. Such persons may not wear any campaigning clothes or accessories and may not interfere with or disrupt the election.
- Such persons may not remove the posted Official Precinct Voter Registration List, and election officials should be careful to place the list in a manner that it cannot be removed unnoticed by an election official.

Persons Assisting Voters:

- A voter may ask for assistance in marking the ballot because of blindness, disability or illiteracy. Voters who require assistance may have a person of their choice or two precinct election officials – each from a different political party – assist them. The elector may choose anyone he or she wants to provide the assistance, other than the elector's employer, an agent of the elector's employer, or an officer or agent of the elector's union, if any, or any candidate whose name appears on the ballot (R.C. 3505.24).
- Prior to Election Day a voter may designate an attorney-in-fact, who is a person eligible to sign all election-related documents on behalf of the voter. Such signing must be done in the voter's presence. The attorney-in-fact designation is specific to Ohio election law and not a general power of attorney. If such an attorney-in-fact is on file with the board of elections, it is required to be noted in the Signature Poll Book or on the Poll List (R.C. 3501.382(B)(2)).

Observers:

- Must be appointed by political parties or groups of candidates at least 11 days prior to Election Day to observe the

conduct of the election in the polling location.

- Upon arriving at the polling location, must have his or her Certificate of Appointment of Observer (Form 215, Form 217, or Form 220) verified by a precinct election official and must take the observer's oath.
- Are allowed to be in the polling location before, during, and after hours of voting.
- Are permitted to move freely about the polling place to the extent that they do not engage in prohibited activity. They are not permitted to observe at precincts to which they are not duly appointed.
- May not use any electronic or communication device or any audio/visual recording device in any manner that impedes, interferes with, or disrupts an election, or in any way intimidates a voter, risks violating the secrecy of the ballot or voter privacy. Observers using a cellular or digital telephone, walkie-talkie, or any other wired, wireless, or satellite audio communication device to discuss the election or a perceived problem with the administration of the election may not do so within the polling place.
- May use communication devices and audio/video devices in and about the polling place subject to the following conditions:
 - The devices must be set so as to produce no noise (low volume vibration settings are permitted).
 - The devices may not be used to take photographs, videos, or to record or transcribe any conversations inside the polling place (a camera is considered a device for purposes of these instructions).
 - The observer may not have an audible conversation inside the polling place using a communications device or audio/video device.
 - The observer may send and receive text messages, e-mail communications, instant messages, and similar other non-verbal, electronic communications using a communications device or audio/video device.
 - The observer may not use the communications device or audio/video device in any manner that creates a disruption or disturbance within the polling place.
- Are not permitted to interfere with precinct election officials doing their jobs or otherwise slow down the operation of the polling location, or to interact with voters in a matter that interferes with or disrupts an election. Please contact the board of elections for further clarification and instructions if this situation arises.

Journalists:

- Journalists are granted reasonable access to polling places during elections. The First Amendment of the U.S. Constitution has been interpreted as allowing this access to media. However, the presence or activities of the media may not interfere with precinct election officials' activities, interfere with the election or voters as voters exercise their right to vote, may not intimidate voters or jeopardize the secrecy of a voter's ballot.
- While serving as a precinct election official or voting location manager your primary responsibility is to lawfully manage your polling location and your focus should be directed to this task. You are encouraged to inform the county board of elections if the media visits your polling location instead of providing an interview to the media, if requested.

The Following People ARE NOT Allowed in the Polling Location:

- Pollsters;
- Candidates or campaign workers who are campaigning or electioneering;
- A person(s) collecting signatures for a petition; and
- A person or group distributing food.

Pollsters

Pollsters conducting exit polling are not allowed inside the polling location. They are permitted to be outside the polling location – even within 100 feet of the entrance – but they should not interfere with or disrupt the election, or otherwise violate the law. Further, persons conducting exit polls at a polling location may not wear anything that may be construed as campaigning for or against any candidate or issue on the ballot.

Campaigning

The polling location is a neutral zone. Campaigning is part of the political process but is prohibited within 100 feet of the entrance to a polling location or within 10 feet of voters waiting in line, if the line extends past the 100-foot boundary. Voters must be free to make their choices without pressure from candidates, campaigns, precinct election officials, or fellow voters – even if those fellow voters are friends or family.

Precinct election officials should not discuss the candidates or election issues among themselves or with voters. Voters themselves, should not attempt to promote or oppose a candidate or ballot issue while in the polling location.

Candidates, campaign workers, and other persons entering the polling location must remove or cover all campaign garb and paraphernalia before entering. A voter who refuses to remove or cover up campaign garb or paraphernalia **must be allowed to vote**, if the voter is entitled to do so (R.C. 3501.33). However, you must report any such incident to the board of elections.

Collecting Signatures Inside a Polling Location

Occasionally, groups may station persons outside of a polling location to gather signatures on a petition. Persons are not permitted to collect signatures inside of a polling location or within the neutral zone outside of the polling location (i.e., within the area marked by the placement of two small U.S. flags). However, there is no prohibition against collecting signatures outside the neutral zone.

Distributing Food and Campaigning Inside a Polling Location

Campaigning, displaying campaign material or distributing food inside of the neutral zone of a polling location is prohibited. However, nothing in Ohio's election laws prohibit a person or entity from campaigning, displaying campaign material, or distributing food outside of the neutral zone of a polling location (i.e., outside of the flags marking the 100-foot barrier or beyond 10 feet from any elector waiting in line to vote, if the line to vote extends beyond the flags).

Ohio law prohibits anyone from procuring or offering money or other valuable things to or for the use of another, with the intent that it or part thereof shall be used to induce such person to vote or to refrain from voting (R.C. 3599.01). Food, discounts, and other such

inducements are “things of value” for purposes of the election law statutes on bribery.

Problems With Conduct at a Polling Location

Precinct election officials must contact the board office or the appropriate law enforcement official immediately if they experience a problem with the conduct of any person at a polling location.

Challenging Voters

On Election Day, voters may be challenged at the check-in-table **ONLY** by a precinct election official or the voting location manager and only for the following reasons:

- The voter is not a resident of the precinct;
- The voter is not a resident of Ohio;
- The voter is not a U.S. citizen;
- The voter is not of legal voting age; or
- **In Partisan Primary Election Only:**

If a precinct election official has personal knowledge that a voter is not affiliated with or a member of the political party whose ballot he or she has requested, the precinct election official may challenge the voter and ask the voter to complete the Statement of Person Challenged as to Party Affiliation (Form 10-W or 10-X).

Personal knowledge requires more than just a notation of party affiliation in a board record such as a poll book. You must not rely solely on information contained in the poll book to challenge an elector’s party affiliation.

Such challenges will be rare, and a voter is required to complete Form 10-W or Form 10-X only if he or she is challenged.

If the challenged voter completes the Statement of Person Challenged as to Party Affiliation (Form 10-W or 10-X), then the voter’s choice of ballot is added in the Signature Poll Book by marking the appropriate political party whose ballot was requested by the voter. The voter is then given a regular ballot or appropriate ballot permission slip or device for the political party ballot of his or her choice.

If the challenged voter refuses to complete the Statement of Person Challenged as to Party Affiliation (Form 10-W or 10-X), then the voter **MUST** vote the voter’s choice of political party ballot provisionally. The voter is then given the provisional ballot for the voter’s choice of political party.

If challenged by a precinct election official for one of the first four reasons above, the prospective voter should complete the Affidavit-Oath-Examination of Person Challenged (Form 10-U).

- If the voter completes the Form 10-U and a majority of the precinct election officials is able to determine that the voter is eligible to cast a ballot, the voter must be given a regular ballot.
- If the voter refuses to complete the Form 10-U, the voter must vote a provisional ballot, and the precinct election official will need to make a note on the Precinct Elections Officials Problems and Corrections page or Precinct Election Officials Notes page that is included in your precinct election official kit.
- If a majority of the precinct election officials is unable to determine the person’s eligibility to cast a ballot, the precinct election officials shall provide a provisional ballot (see Provisional Ballots Section) to the person.

Check in Each Voter Using the Following Steps:

1. **Ask the voter to provide his or her name, current address, and a valid form of ID (see Voter ID Requirements Section).**
2. **Locate the voter's name in the Signature Poll Book.**

NOTE: If the voter legally changed his or her name and the voter's prior name is in the Signature Poll Book, ask the voter to provide proof of the legal name change (e.g., a marriage license or a court order that includes the voter's current and prior names) and have the voter complete and sign Form 10-L. At this point, the voter may cast a regular ballot, as long as the voter is registered to vote in that precinct and provides proper ID.

If the voter legally changed his or her name and does not have proof of the legal name change, he or she must cast a provisional ballot.

3. **If the voter's name IS NOT in the Signature Poll Book, review the Supplemental Voter List to find the voter's name (if applicable).**

NOTE: When using an e-pollbook if you swipe the voter's driver's license and their record cannot be found, you MUST manually enter the voter's name into search to verify if the voter is registered and in the correct polling location and precinct. Also in the event of technical failure or difficulty finding name, you must use backup paper Signature Poll Book.

4. **If the voter's name is in neither the Signature Poll Book, nor the Supplemental Voter List (if applicable), check the Precinct Voting Location Guide (R.C. 3505.181 (E)(1)), to verify if the voter's current address is in, or out of, the precinct.**
 - If the voter's address is in your precinct, the voter must cast a provisional ballot in your precinct (see Provisional Ballots Section). Each provisional voter must complete the Identification Envelope-Provisional Ballot Affirmation (Form 12-B) and precinct election officials must give each provisional voter a Provisional Ballot Notice (Form 12-H).
 - If the voter's address is outside of your precinct, use the County Street Directory to determine the correct precinct, direct him or her to the correct precinct or polling location using the Precinct Voting Location Guide, explain to him or her that a provisional ballot cast in the wrong precinct cannot be counted, and provide him or her with the telephone number of the board of elections in case the individual has questions (R.C.3505.181(C)(1)). If the voter still insists on voting in the wrong precinct after being directed to the correct precinct or polling location, the voter must cast a provisional ballot. If the voter is in the correct polling location but the wrong precinct and insists on voting in the wrong precinct, the precinct election official must complete the Provisional Voter Precinct Verification (Form 12-D) and attach it to the voter's provisional ballot envelope. This form demonstrates that the precinct election official directed the voter to the correct precinct and that the voter refused to go there to vote (See Provisional Ballots Section). Each provisional voter must complete the Identification Envelope-Provisional Ballot Affirmation (Form 12-B) and precinct election officials must give each provisional voter a Provisional Ballot Notice (Form 12-H).
5. **If the voter's name is in the poll book but the voter forgot his or her ID or cannot provide it (see Voter ID Requirements Section), the voter MUST cast a provisional ballot (see Provisional Ballots Section).**
 - Each provisional voter must complete the Identification Envelope-Provisional Ballot Affirmation (Form 12-B) and precinct election officials must give each provisional voter a Provisional Ballot Notice (Form 12-H).
6. **If the voter's eligibility to vote is challenged (see Challenging Voters Section) by precinct election officials, the voter should complete the Affidavit-Oath-Examination of Person Challenged (Form 10-U).**
 - If the voter completes the Affidavit-Oath-Examination of Person Challenged (Form 10-U) and the precinct election officials are able to determine that the voter is eligible to cast a ballot, the voter must be given a regular ballot.
 - If the voter refuses to complete the Affidavit-Oath-Examination of Person Challenged (Form 10-U), the voter must vote a provisional ballot and the precinct election official will need to make a note on the Problems and Corrections page or Precinct Election Official Notes page that should be in your precinct election official kit. Each provisional voter must complete the Identification Envelope-Provisional Ballot Affirmation (Form 12-B) and precinct election officials must give each provisional voter a Provisional Ballot Notice (Form 12-H).
 - If the precinct election officials are unable to determine the person's eligibility to cast a ballot, the precinct election officials shall provide a provisional ballot (see Provisional Ballots Section) to the person. Each provisional voter must complete the Identification Envelope-Provisional Ballot Affirmation (Form 12-B) and precinct election officials must give each provisional voter a Provisional Ballot Notice (Form 12-H).
7. **If the voter's name IS in the Signature Poll Book with no notations or instructions, and the voter shows valid ID, then the voter may vote a regular ballot.**
 - The voter must sign the Signature Poll Book.
 - The precinct election official must issue the ballot or appropriate ballot permission slip, or device to the voter and direct him or her to the appropriate booth or machine in the polling location.
8. **If a voter is unable to SIGN his or her own name in a Signature Poll Book, the voter has the following options:**
 - If the voter can, he or she should make his or her legal mark, such as an "X," on the signature line in the Signature Poll Book. The voter must then have the precinct election official who watched the voter make his or her legal mark write the voter's name on the signature line in the Signature Poll Book following the voter's mark (R.C. 3505.18(B)).
 - Instead, the voter can have his or her attorney-in-fact sign the voter's name for him or her. In order to have an attorney-in-fact, the voter must have completed and filed the correct forms with the county board of elections before Election Day (Form 10-F or Form 10-G). If that voter has an attorney-in-fact on file with the board of elections, the attorney-in-fact's signature will be on file, and it will be noted in the Signature Poll Book or on the Poll List. The voter must have his or her attorney-in-fact accompany him or her to the polling place. The attorney-in-fact should be allowed to sign the voter's name in the Signature Poll Book, in the presence and at the direction of the voter. The signature of the attorney-in-fact should be examined, and if it appears on its face to conform to the attorney-in-fact's signature pre-printed in the Signature Poll Book, the voter should be given a regular ballot (R.C.3505.18 (B)).
 - An attorney-in-fact is different from a power of attorney. In order for a person with power of attorney to sign election forms for another person, a valid appointment as an attorney-in-fact must be on file with the county board of elections.
9. **If a voter is unable to MARK his or her ballot, the voter has the following options:**
 - Any elector who declares to the voting location manager that the elector is unable to mark the elector's ballot by reason of blindness, disability or illiteracy may be accompanied into the voting booth and given assistance (R.C. 3505.24). The elector may choose anyone he or she wants to provide the assistance, other than the elector's employer, an agent of the elector's employer, or an officer or agent of the elector's union, if any. Assistance shall not be rendered for causes other than blindness, disability or illiteracy, and no candidate whose name appears on the ballot shall assist any person in marking that person's ballot (R.C. 3505.24).
 - The elector also may request and receive assistance in marking the ballot from two election officials of different political parties.
 - Any person who provides assistance to a voter in marking the ballot is forbidden by law from providing any information on how he or she voted.

Issuing a Ballot as Part of the Voting Process During a Primary Election

Use the following additional procedures when issuing a ballot as part of "processing voters":

- Ask the voter: Which ballot would you like – a political party ballot or an "issues only" ballot?
- Most voters will know which type of political party ballot they will want. But, if a voter asks, "What are my choices?" then you should explain the political party ballot choices, if any.
- Once the voter indicates his or her choice of ballot (political party or issues only):
 - Record the voter's choice of ballot in the Signature Poll Book by marking either (1) the appropriate political party for the ballot requested by the voter, or (2) that the voter requested an issues only ballot;
 - Give the voter the proper ballot or appropriate ballot permission slip/device; and
 - Direct the voter to the appropriate voting location in the polling place.

Primary Information Reminders

By requesting a political party's ballot, the voter becomes affiliated with the political party for which ballot the person votes. This designation can only be changed by requesting a different political party's ballot at the next partisan primary election.

Make sure to enter into the Signature Poll Book which political party's ballot is voted by a voter, regardless of whether or not there is a change in party affiliation.

At the end of the day, you will complete the bottom portion of Form 10-X for any pages which may not have been completely filled in earlier in the day.

17-Year-Old Voters

- A 17-year-old elector, who will be 18 years of age on or before the next general election, may vote only on the nominations of candidates at the primary election. This is because they will be eligible to vote at the general election for the candidate(s) nominated by the primary election for these offices.
- A 17-year-old, may NOT vote on any question or issue on the primary election ballot, such as a school tax levy, charter amendment, local liquor option, etc.
- Voters who are 17 years old as of the primary election are also not permitted to vote on any of the following:
 - Presidential Delegates or Alternate Delegates
 - State Party Central Committee
 - County Party Central Committee
- 17-year-old voters will be identified as such in the Signature Poll Book.
- Before giving the 17-year-old voter his or her ballot or ballot permission slip/device, advise the voter that he or she can vote for candidates for nomination only and not for any questions or issues on the ballot.

NOTE: If your county does NOT provide a unique ballot for 17-year-old voters, you must give the following items to a 17-year-old voter:

- A regular optical scan ballot;
- Instructions on the proper method for marking and returning the ballot; and
- An envelope into which the voted ballot can be placed and segregated from the other regular ballots so that the board can review the ballot to ensure that no votes for which the 17-year-old voter is ineligible to cast are counted.

Determining What Type of Ballot Should Be Provided to a Voter on Election Day

1. **REGULAR BALLOTS:** If a voter meets ALL of the following criteria, the voter is to be provided a regular ballot:
 - The voter's name and address are correctly listed in the Signature Poll Book; and
 - The voter provides valid ID.
 - If the voter changed his or her name and provides proof of the legal name change (e.g., a marriage license or a court order that includes the voter's current and prior names), the voter may complete and sign a Notice of Change of Name (Form 10-L) and cast a regular ballot, as long as the voter is registered to vote in that precinct.
 - If the voter has moved within the precinct, he or she must also complete a Voter Registration Form in order to change his or her address in the county's voter files and vote a regular ballot.
2. **PROVISIONAL BALLOTS:** If a voter meets ONE or MORE of the following criteria, the voter is to be provided a provisional ballot:
 - The voter's name is not found in the Signature Poll Book or the Supplemental Voter List;
 - The voter does not provide or is unable to provide proper or valid ID;
 - The voter has changed his or her name and did not provide proof of a legal name change;

- The voter has moved from one Ohio precinct to another without updating his or her voter registration by the registration deadline (30 days prior to the election);
- The voter has changed his or her name and moved from one Ohio precinct to another without updating his or her voter registration by the registration deadline (30 days prior to the election);
- The voter was challenged before the election, a hearing was held, and the challenge was found by the board of elections to have merit;
- The voter is marked (flagged) absentee or provisional in the Signature Poll Book, which indicates the voter may have already received a ballot before Election Day;
- The voter is marked (flagged) in the Signature Poll Book because a Notice of Registration (Acknowledgment Notice Form 10-J) sent to the voter was returned as undeliverable; and or

NOTE: The voter must show valid proof of identity, and the voter **MUST** vote a provisional ballot.

- The voter is marked (flagged) that he or she was challenged before the election, and the hearing was postponed until after the day of the election.

NOTE: No absentee ballots can be accepted at the polling location on Election Day. The voter must return it to the office of the county board of elections before 7:30 p.m. on Election Day.

Write-In Candidates

The board of elections will provide you with a list of names of candidates and offices that are officially eligible as write-in candidates. These candidates' names do not appear on the ballot, whether printed or electronic, but voters may write in names from this list if they choose.

This list is not to be posted, but it must be shown to voters if they request to see it.

Time Limits

The permissible time limit for a voter to occupy a voting compartment or use a voting machine is 10 minutes. However, a voter should be given a reasonable amount of time to mark and check his or her ballot. The 10 minute time limit does not apply to any voter requiring the use of an accessible voting machine.

If a voter seems to be taking an unusually long period of time while in the voting compartment, two precinct officials of different political parties may inquire, in a polite and professional manner, if the voter requires assistance.

Voter Identification Requirements

Types of Valid ID

There are several types of valid ID that permit a person to vote a regular ballot if he or she is in the correct precinct.

1. **Photo ID:** Any document issued by the U.S. government or the State of Ohio that meets ALL the following criteria is an acceptable photo identification:

2. **Military ID:** Valid military identification cards or copies of such cards must be accepted whether or not they contain a name or address. However, this form of ID must still allow a precinct election official to determine that it is the military ID card of the person who is presenting it for the purpose of voting.
3. **Utility Bill:** Must contain correct name and current address of the voter.

Prohibited Types of ID

Ohio law prohibits the following forms of ID to be accepted by precinct election officials:

- Driver's license or photo identification card issued by a state other than Ohio;
- Social Security card;
- Passport;
- Birth certificate, unless voter still lives at the house where he or she resided at birth, and the birth certificate contains that home address, in which case this is acceptable as an other government document;
- Insurance card; or
- Any registration acknowledgment notice from the county board of elections.

NOTE: An Ohio driver's license or state ID card with an old address IS ACCEPTABLE as a valid form of identification necessary to cast a regular ballot when the voter's current address is printed in the Signature Poll Book (see ID Poster in Precinct Supply Kit).

Provisional Ballots

Provisional Ballots

Provisional ballots are ballots that are used by voters whose identities cannot be verified by required identification (see Voter ID Requirements Section) or in situations where there may be a question about a voter's eligibility to vote on Election Day in your precinct. The law provides specific situations where a provisional ballot should be issued.

Before providing a voter with a provisional ballot, make sure that the voter's address is in your precinct. If not, you must direct the voter to the correct precinct. The precinct may be another table in the same building as your precinct, in which case you should direct the voter to the correct table for the voter's correct precinct.

Reasons Under Ohio Law for Issuing a Provisional Ballot

- If the voter's name does not appear in the Signature Poll Book or the Supplemental Voter List, and the voter is in the right precinct.
- If the voter's name does not appear in the Signature Poll Book or the Supplemental Voter List, and the voter is in the wrong precinct.
- If the voter has changed his or her name, cannot provide proof of the legal name change, and did not complete Notice of Name Change (Form 10-L).
- If the voter has moved into your precinct and did not update his or her registration with the board of elections by the voter registration deadline (30 days prior to the election).
- If a flag or notation stating the voter requested an absentee ballot or voted an earlier provisional ballot appears in the Signature Poll Book.
- If the Signature Poll Book shows that a Notice of Registration Acknowledgment Notice (Form 10-J) sent to the voter was returned as undeliverable.
- If the voter does not have or is not able to provide a valid ID at the check-in table.
- If the voter's signature, in the opinion of the majority of all four precinct election officials, does not substantially conform to the signature in the Signature Poll Book.
- If the voter's eligibility to cast a ballot has been challenged (see Challenging Voters Section) by the precinct election officials, and the voter refuses to complete the Affidavit-Oath-Examination of Person Challenged (Form 10-U).
- If the voter's eligibility to cast a ballot has been challenged before the election, and the hearing was postponed until after the day of the election.
- If the precinct election officials are unable to determine the person's eligibility to cast a ballot.

Issuing Provisional Ballots

- The Identification Envelope — Provisional Ballot Affirmation (Form 12-B) must be given to the voter.
- The voter must complete the Provisional Ballot Affirmation (Form 12-B). In order to be eligible to be counted, a provisional ballot affirmation must include the voter's printed name, valid signature, date of birth, current address and acceptable identification.

NOTE: The completed Identification Envelope - Provisional Ballot Affirmation (Form 12-B) will serve as a voter registration update form for the provisional voter so that the voter's residential address will be printed in the Signature Poll Book for future elections.

- If the voter is in the wrong polling place, the voter should first be directed to his or her correct polling place, given the telephone number for the board of elections in case the voter has questions, and told that a ballot cast in the wrong precinct cannot be counted. If after directing the voter to his or her correct polling place the voter demands to vote in your precinct, he or she **MUST** vote a provisional ballot.
- If the voter is in the correct polling place but the wrong precinct and insists on voting in the wrong precinct, the precinct election official must complete the Provisional Voter Precinct Verification (Form 12-D) including all of the steps listed below to demonstrate that he or she directed the voter to the correct precinct and the voter refused to go there to vote:
 - a. Find the voter's address in the Voting Location Guide.
 - b. Write the name or number of the voter's correct precinct in the space provided.
 - c. Write the name and address of the voter's correct polling place if different from the polling place where you are located.
 - d. Instruct the voter to go to his or her correct precinct.
 - e. Instruct the voter that casting the wrong-precinct provisional ballot in this precinct would result in all votes on the ballot being rejected.
 - f. Sign Form 12-D.
 - g. Write the precinct name/number.
 - h. Write the polling place name.
 - i. Attach the completed Form 12-D to the voter's provisional ballot envelope.
- Precinct election officials must provide to every provisional voter a copy of the Provisional Ballot Notice (Form 12-H) at the time the voter casts his or her provisional ballot.
- After the voter has marked his or her ballot, the voter must place the voted ballot inside the Identification Envelope – Provisional Ballot Affirmation (Form 12-B). The envelope containing the voted ballot must then be placed by the voter in a secure ballot box or bag provided by the board of elections.

NOTE: Under no circumstances shall a provisional ballot be fed into a precinct count optical scanner used by voters to cast regular ballots.

Provisional Ballots

Voter Ballot Error

The following applies to paper ballots only:

- If a voter tears, soils, defaces, or erroneously marks a ballot, the voter may return it to a precinct election official and a second ballot must be issued to the voter. Before a voter turns in a torn, soiled, defaced, or erroneously marked ballot, the voter must fold it to conceal any marks the voter made.
- If the voter tears, soils, defaces, or erroneously marks a second ballot, the voter may return it to the precinct election official and a third ballot must be issued to the voter. In no case may more than three ballots be issued to a voter.
- When you receive a returned torn, soiled, defaced, or erroneously marked ballot, write “Defaced” on the back of the ballot and place the stub and the ballot in the separate containers provided.
- No voter voting a paper ballot may leave the polling place until he or she returns to a precinct election official every ballot issued to him or her, regardless of whether or not the voter has made any marks on the ballot.

Officially Closing the Polls

At 7:30 p.m., the official closing time, one precinct election official should loudly declare, “The polls are closed!” If people are waiting to vote at closing time, they must be allowed an opportunity to vote. To accommodate voters waiting in line:

- Move the line inside the locked door of the polling location, if possible; or
- Place a precinct election official after the last person who is in line at 7:30 p.m. to prevent additional people from joining the line.

Court Orders

If there is a court order to keep your polling location open past 7:30 p.m., you will need to know who the last person in line was at 7:30 p.m. You must then make sure of the following:

- Voters who were already in line at 7:30 p.m. get to vote a regular ballot.
- All voters who arrive at the polling location to vote between 7:30 p.m. and the court ordered closing of the polling location vote a provisional ballot.
- These provisional ballots must be kept separate from other provisional ballots voted during the regular voting hours in case the court decision is later overturned. Note on each Identification Envelope — Provisional Ballot Affirmation (Form 12-B) that the provisional ballot was cast after 7:30 p.m. pursuant to a court order. To do so, write “After Close of Polls by Order of the Court” on the provisional envelope.

After the Voters Have Left the Polling Location

To properly close the polling location, the following tasks must be completed:

- Record or count and record the total number of regular ballots voted (per local BOE instructions).
- Count and record the total number of paper provisional ballots cast by voters who arrived between 6:30 a.m. and 7:30 p.m.
- **In case of a court order only**, count and record the total number of provisional paper ballots cast by voters who arrived after 7:30 p.m.
- Count and record the total number of soiled or defaced paper ballots.
- Count and record the total number of unvoted paper ballots.
- Count and record the total number of signatures in the Signature Poll Book or, if using electronic poll books, the PEOs

must follow the instructions provided by the board for recording the number of signatures.

- Post precinct results at the polling place as directed by the board of elections.
- Record all ballot statistics (e.g., regular, provisional, soiled and defaced, unvoted) on the Balance/Reconciliation Sheet provided by the board of elections.
- Double-check ballot statistics, and sign the Closing Certificate and Election Day Balance/Reconciliation Sheet.
- Bring in the flags and take down signs inside and outside the polling location.
- Close out and pack up the voting equipment following the directions provided by your board of elections.
- Securely pack ballots and supplies and immediately return them to the board of elections, or your designated drop off location.
- Post precinct results at the polling place as directed by the board of elections.
- Record all ballot statistics (e.g., regular, provisional, soiled and defaced, unvoted) on the Balance/Reconciliation Sheet provided by the board of elections.
- Double-check ballot statistics, and sign the Closing Certificate and Election Day Balance/Reconciliation Sheet.
- Bring in the flags and take down signs inside and outside the polling location.
- Close out and pack up the voting equipment following the directions provided by your board of elections.
- Securely pack ballots and supplies and immediately return them to the board of elections, or your designated drop off location.

Transportation of Ballots

The ballots and required voting materials and supplies are to be transported to the board of elections by a voting location manager with a precinct election official, employee, or appointee of the board to whom an oath was given and who is a member of a different political party than the voting location manager. Please also refer to specific transport instructions provided by your board of elections for more details.

Accessibility for Voters With Disabilities

Accessibility for Voters With Disabilities

Under both state and federal law, Ohio polling locations are required to be accessible to people with disabilities. The board of elections verified the accessibility of the voting location for voters with disabilities before selecting it as a polling location.

To do your part to help ensure voters with disabilities can access the polling place, travel the route from the accessible parking space(s), through the accessible entrance; make sure the route to the voting area inside the polling place and the voting area itself is also accessible.

- If equipment is provided by the board of elections to temporarily mitigate any barrier (e.g. temporary parking sign(s), cones for designated parking space(s), ramp(s), etc.) check that you have properly set it up, if required by your board of elections; and
- If an alternate/separate entrance is being used specifically for accessibility, ensure that it is unlocked.

Common Barriers to Accessibility:

- Lack of vertical signage or access aisles at accessible parking spaces;
- Sidewalks without curb-cuts;
- Steps at polling place entrances;
- Thresholds or steps that have an extreme change in height;
- Gravel, grates, or cracks in sidewalks;
- Heavy interior doors;
- Doors not operable with a closed fist, (i.e., round door knobs, thumb operated handles, etc.)
- Tripping hazards, such as loose mats or unsecured electrical cords; and
- Obstructions that protrude from the wall and are undetectable by a cane or are sitting in a walkway that make maneuvering difficult.

If you find that accessibility is lacking, you should notify the board of elections and be on the alert that voters with disabilities may need additional assistance in accessing the polling location.

Assisting a Voter With a Disability:

As a precinct election official, it is your duty to assist and accommodate voters who have disabilities to find the most suitable method for them to cast a ballot. Be prepared to provide assistance to a voter with a disability when necessary.

Accommodating people with disabilities is mostly a matter of clear communication and common sense.

General Guidelines for Communicating With Voters With Disabilities:

- Always speak directly to the voter with a disability, not to a companion or an interpreter. Face the voter while speaking clearly, slowly and expressively in a normal tone.
- Offering to shake hands when introduced to people with limited hand use or an artificial limb is acceptable.
- Always identify yourself as a precinct election official.
- If you offer assistance, wait until the offer is accepted, then listen and wait for instructions.
- Treat adults as adults. Never patronize a voter with a disability.
- Never distract a service animal. They are working.
- Relax. Don't be embarrassed if you use common expressions such as "See you later" or "Walk over here" when

speaking to a person with a disability.

Interacting With Voters Who Have Speech Impairments:

- A voter who cannot speak may give a name and address simply by providing identification to the assisting precinct election official, who then reads the name and address out loud.
- If you do not understand something do not pretend that you do. Ask the voter to repeat what he or she said and then repeat it back.
- Follow the voter's cues to determine whether speaking, gestures, or writing is the most effective method of communication.
- When speaking, do so calmly, slowly, and directly to the voter. Do not shout. Face the voter at all times as many speech-impaired voters will be able to understand by reading the movement of your lips as you speak.
- Ask questions that require only short answers or a nod of the head.
- Be patient.

Interacting With Voters Who Are Deaf or Hearing Impaired:

- To get the attention of a voter who is deaf, tap him or her on the shoulder or wave your hand.
- Identify who you are (i.e., show your name badge).
- Look directly at the voter when communicating.
- When speaking, do so calmly, slowly and directly to the voter. Do not shout or exaggerate. Face the voter at all times.
- Communicate in writing, if necessary.
- If not understood at first, repeat or rephrase your thought.

Interacting With Voters Who Are Blind or Visually Impaired:

- As soon as you come into contact with the voter, identify yourself and state that you are a precinct election official.
- When giving directions to navigate the voting location, be as specific as possible and indicate obstacles in the path of travel.
- Visual impairment or blindness does not equal a hearing impairment. It is not necessary, or courteous, to raise the volume of your voice when addressing a person who is visually impaired, even if you are trying to be helpful.
- If you are asked to guide a person with a visual impairment, offer your arm instead of grabbing theirs.

Interacting With Voters Who Have Mobility Impairments:

- Make sure chairs are available for voters with mobility-type disabilities and/or voters who are elderly, have a serious illness, or are pregnant and cannot stand for a long period of time.
- Do not lean or hang on a person's wheelchair. This device is an extension of their body.
- Place yourself at eye level when speaking with someone in a wheelchair. Try to sit or kneel at the same level as the person in a wheelchair.
- Ask the voter if he or she wants assistance before trying to help.

NOTE: The best advice for assisting voters with special needs is to do for that person what you would want done for you and to treat that person as you would want to be treated.

Dear Precinct Election Official:
