MEMORANDUM

Re: Primary Election Update

Over the last 18 hours, unprecedented chaos and confusion have reigned over Ohio’s election system.

The Ohio legislature must provide an Act to respond to our local elections officials, precinct workers, candidates and most importantly, Ohio’s voters, that provides clarity and certainty regarding Ohio’s primary election.

No Ohio voter should ever wonder when they will have the opportunity to exercise their constitutional right to vote.

The date of Ohio’s primary election is set by state law and, as the Secretary of State has acknowledged, the legal authority to change the date rests with the Ohio General Assembly – not the courts and not via executive fiat. So too does the process and manner in which the election is conducted.

Therefore, I am contacting Republican House members and the Minority Leader is contacting Democratic House members to determine their ability to attend a session to “legally” adopt, change or extend Ohio’s 2020 primary election.

Just as some of the edicts declared by the Health Director have confused Ohio’s citizens, so have her edicts presented challenges for our system of government. I have talked with Attorney General Yost regarding the legal issues surrounding limits on gatherings of 50 or greater and their applicability to the Ohio General Assembly. I have requested that the attorney general seek relief from the limits. We also believe as a constitutional matter the limits ordered by the Ohio Department of Health do not apply to the legislature as a separate branch of government and as they would unlawfully restrict constitutionally-protected political speech.
