Exhibit 24
Tuesday (17 March) is the Presidential Preference Election for the Democratic Party candidate. The Presidential Preference Election is restricted to registered Democrats only. Voters who are registered with a party affiliation other than Democratic, including unaffiliated/independent voters, will not be able to participate. The Arizona Republican Party opted out of the Presidential Preference Election this year.

Polls are open from 6 a.m. to 7 p.m. Due to facility closures, some polling places have had to be relocated. For the most up-to-date information, visit my.arizona.vote/PortalList.aspx. If you need further assistance, please call the Citizen Contact 311 or 520-509-3555.

Due to the COVID-19 outbreak, extra precautions are being put in place. There will be hand washing facilities at each polling place and we request that voters wash their hands both before and after voting.
