The Public Interest Law Foundation Auction

March 3, 2022

Sponsored by The Public Interest Law Foundation and The Ohio State University Moritz College of Law
WELCOME

On behalf of the Board of Directors, the Executive Officers, and the dedicated members of the Ohio Public Interest Law Foundation (PILF), we would like to welcome you to the 2022 PILF Live and Silent Auction. Tonight's event is sponsored by The Ohio State University Moritz College of Law.

An incredible number of people have contributed to making this event a success. PILF is a student-run, nonprofit organization dedicated to promoting public service throughout the Moritz community. We strive to connect students who have hopes of working in public interest with opportunities to advance their goals. Through programs such as PILF Summer Fellowships, we bring students together with the innovative and dedicated legal professionals who practice public interest work in the community. All proceeds from tonight’s event will help fund our PILF Summer Fellowships.

PILF would not be where it is today without the efforts of our excellent faculty board members, Professor Arthur Greenbaum and Dean Paul Rose, and board members Dianna Parker, Sam Harton, Charley Kalfas, and Megan Murphy. In addition, this Auction would not be complete without our faculty auctioneers, Mike Brandly, Professor Katherine Kelly and Dean Kathy Northern. Finally, we extend our sincere gratitude to the College for its support of PILF and to Dean Lincoln Davies for his personal efforts in ensuring our continued success.

Moritz faculty, staff, and students, as well as countless members of the community have generously contributed all the items up for auction tonight. Thank you for your generous donations and thank you for your continued support of PILF.

Everything you see here tonight is the work of volunteers. Volunteers are the lifeblood of PILF. Students, faculty, and staff all dedicate their time and talents to make events such as this Auction possible. To everyone who has volunteered, we cannot thank you enough. Thank you for taking the time to attend our event. We truly hope that you enjoy yourself this evening, and we thank you for your continuous support of PILF.

Enjoy your evening and Happy Bidding!

Ruth Colker
2022 Excellence in Pro Bono Public Service Award

Professor Ruth Colker is one of the leading scholars in the country in the area of Constitutional Law and Disability Discrimination. She is the author of 16 books, two of which have won book prizes; and has also published more than 50 articles in law journals. Her work has been cited by the United States Supreme Court, she has worked for the U.S. Department of Justice, and has previously taught at other law schools. In 2014, she was appointed as a disability expert to develop recommendations for implementation of a consent decree between the United States Department of Justice and the Law School Admissions Council. Her work helped change the way the LSAC determines whether applicants are entitled to testing accommodations on the LSAT. She has also served on the National Board of the ACLU since 2013. Professor Colker is one of the premier legal scholars in the topics of disability and LGBTQ+ justice and has consistently engaged in scholarship and pro bono work in these areas. Beloved by her students, she teaches constitutional law through an expansive lens that reflects the values of PILF in supporting the most vulnerable.
Joe Maskovyak

2022 Public Sector Attorney Excellence in Public Service Award

Joe Maskovyak is a Moritz College of Law alum, currently working as the Affordable and Fair Housing Coordinator at the Coalition on Homelessness and Housing in Ohio. He started at COHHIO in August 2014 after having served on the COHHIO board for many years. He is a longtime housing advocate, starting his career at the Legal Aid Society of Columbus (LASC) where he became the managing attorney for housing and worked on behalf of low income housing clients in Franklin County. In 2007, he moved to the Ohio Poverty Law Center (OPLC) where he pursued legislative work around housing on the state and national level. Joe has established himself as a key member of the statewide network of affordable housing advocates and is an encyclopedia of housing law, which he consistently puts to work across the state of Ohio. He has been a steadfast and consistent supporter of PILF students both as an employer and community member.
Emily Dunlap received her J.D. from The Moritz College of Law in 2014 and is now a Senior Staff Attorney with Advocating Opportunity (“AO”), a legal services nonprofit organization that provides free representation and advocacy to over 200 survivors of human trafficking every year. Emily opened AO’s Columbus, Ohio office in 2015, where she continues to oversee daily operations. Emily represents survivors in a variety of legal matters including immigration, juvenile, domestic relations, post-conviction relief, and civil proceedings. She also provides technical consultation and training on anti-trafficking best-practices, court programming, and policy with an emphasis on a survivor-centered, human rights approach, eliminating the ways our systems and laws make people vulnerable to exploitation and trafficking. Outside of her work at AO, Emily consistently goes above and beyond in using her legal expertise to support the public interest. She has volunteered as a Legal Observer with the Columbus chapter of the National Lawyers Guild since 2016, and from 2017-2019, she supervised OSU law students representing clients in immigration detention in bonding proceedings. Additionally, she is a member of the Central Ohio Reach and Restore Coalition’s Legislative committee, the Ohio AG’s Human Trafficking Commission’s Legal and Legislative Subcommittee, and Freedom Network, USA, and a 2022 Fellow on the New Leaders Council (Columbus Chapter). During her time at Moritz, Emily held a leadership position in PILF, and she continues to support our organization by hosting PILF summer fellows and externs. We are honored to present this award to her at the same event she helped plan years ago.
AUCTION RULES

Registration

Upon entering the Auction, you will receive your bid number. Use only the bid number assigned to you for bidding on Silent and Live Auction items. You may ask a friend to proxy bid for you if you are unable to attend a part of either auction.

Silent Auction

The Silent Auction opens at 6:00 p.m. The minimum bid and minimum raise for each item is written on the bid sheet by the item. To be valid, bids must comply with these minimums and be legible.

To place a bid, sign your name and bid number with your bid amount on the bid sheet. Doing so constitutes a legal contract to purchase that silent auction item at the price you stated if your bid is the winning bid. The last (highest) valid bid entered prior to the section closing will be the winning bid.

The Auction Committee reserves the right to withdraw any item at any time without notice before the actual sale. In the event of a dispute, the Auction Committee shall act as final authority in determining the winning bid.

Live Auction

Live Auction bidding will begin at approximately 7:15 p.m. When bidding, please hold up your bid number toward the auctioneer. The Live Auction will continue until all items are sold.

If a group is bidding on one item, please designate one person to place your combined bid. Auction items will be awarded to one purchaser only.

A bid acknowledged by the auctioneer is a legal contract to purchase the item.

Payment

All items must be paid for at the check-out tables by the end of the evening. For your convenience, we gladly accept cash, check, Mastercard, Visa, and Venmo.

Pick-Up

Once you have paid for your winning items, you will be issued a receipt. Please present this receipt at the check-out table to claim your winning tangible items and/or certificates for services.

It is the responsibility of the purchaser to locate and remove his/her winning item(s) by the end of the Auction evening.

<td>#112</td>
<td>2015 William Selyem Vista Verde Pinot Noir</td>
<td>94</td>
<td>$90</td>
<td>This 35th anniversary vintage bottling is as excellent as ever, with aromas of black cherry, boysenberry, wild thyme and sagebush on the nose. The palate treads the same balance between dark fruit and chaparral spice, with baked red cherries, nutmeg, and star anise flavors.</td>
</tr>
<tr>
<td>#113</td>
<td>2015 Robert Young Cabernet</td>
<td>93</td>
<td>$70</td>
<td>This impressive red combines 80% Cabernet Sauvignon, 9% Petit Verdot, 8% Merlot and 3% Cabernet Franc, nearly all hillside fruit. Together they offer a spicy, lively palate of brown spice, toasted oak and dark, brooding black fruit, integrated and structured to a complete finish.</td>
</tr>
<tr>
<td>#114</td>
<td>2019 Aubert CIX Pinot Noir</td>
<td>98</td>
<td>$225</td>
<td>Medium to deep ruby-purple colored, the 2019 Pinot Noir CIX Estate sails out of the glass with Morello cherries, raspberry preserves, and rhubarb notes leading to a very earthy undercurrent of mossy tree bark, forest floor and truffles plus an emerging hint of wild blueberries. Full-bodied, rich, plush, and dangerously decadent in the mouth, the palate delivers loads of cerebral layers with a very long cinnamon and spice-laced finish. Best after 2024.</td>
</tr>
<tr>
<td>#115</td>
<td>2017 Sea Smoke Ten Pinot Noir</td>
<td>95</td>
<td>$125</td>
<td>Candied cherry and darker berry aromas meet with star anise, crumple purple flowers, and crushed slate on the intoxicating nose of this bottling from the estate biodynamically farmed monopole vineyard. Intense acidity and lavish tannins make for a simultaneously bright and rich expression on the palate, where black cherry and black raspberry are lofted by cardamom and mace.</td>
</tr>
<tr>
<td>#116</td>
<td>2016 William Seylem Russian River Valley Pinot Noir</td>
<td>92</td>
<td>$125</td>
<td>The beautiful garnet color of this wine is alluring. Prototypical in its aromatic profile, the 2016 Russian River Valley leads with dried rose petals, potpourri, red cherry, raspberry, and notes of Ceylon tea. Additional aromas of dried orange peel studded with cloves mix with vanilla bean and cedar shavings to perfectly compliment the primary fruit characteristics. Robust and rich on the tongue, the wine seems to fill every square inch of the palate. Flavors of maraschino cherry, ripe berries, and dried herbs combine to make a powerful flavor profile. The tannins are quite refined and convey a sense of sap and tenacity. Another excellent wine from a great growing region!</td>
</tr>
<tr>
<td>#117</td>
<td>2012 Nadia Cabernet</td>
<td>92</td>
<td>$25</td>
<td>Blueberries and purple fruits get distinct seasoning from maple syrup, licorice, crushed Italian herbs and minerality in this wine from the underappreciated Cuyama Valley. The palate is quite wound up, with blueberry, black lava rocks and unrelenting herb flavors just poking out. This will...</td>
