

Keyboard Navigation Instructions for Tableau Visualizations on the Drugs on the Ballot Page

Using the Year Filter

- *Accessing the Filter:*
 - Left-click on the dropdown selection for the Year filter to access the full list of available years, 1996 through 2024.
 - The year filter is applicable for both the ***Marijuana Ballot Measures Over Time*** and the ***Marijuana Legalization Over Time*** dashboards.

Viewing States by Legalization Type and Ballot Measure Outcome

- *Viewing States by Legalization Status:*
 - Using the ***Marijuana Legalization Over Time*** dashboard, users can identify the legalization status of states by referring to the color-coded key provided for each status type.
 - Users can identify the legalization status of states by referring to the color-coded key provided for each status type.
- *Viewing States by outcome and status of applicable ballot measures:*
 - Using the ***Marijuana Ballot Measures Over Time*** dashboard, users can identify the legalization status of states by referring to the color-coded key provided for each status type.
 - Users can identify the legalization status of states by referring to the color-coded key provided for each status type.
- *Filtering states by legalization status and ballot measure outcome:*
 - To filter which states are displayed on the map, left-click on the status type in the key.
 - To filter multiple status types, hold the CTRL key on your keyboard and left-click on each type of status or outcome you want to include in the selection.
- *Resetting the Filter:*
 - Press the ESC key on your keyboard to remove the selection and return the dashboard to displaying all states that are included in our analysis.

Keyboard Navigation Only

- *Navigating Through the Dashboard:*
 - Use the TAB key to move through the elements of the dashboard.
- *Selecting a Year Filter:*
 - Press ENTER on the Year filter to expand the list.

- Navigate through the list of years using the up and down arrow keys on your keyboard.
- *When you've identified the year you want to select, press ENTER on your keyboard.*
- *Adjusting the year using the slider tool:*
 - Use TAB to access the year slider tool.
 - To change the year, use the left and right arrow keys, or the up and down arrow keys on your keyboard.

Additional Information

In the ***Marijuana Legalization Over Time*** dashboard, users can identify how many states currently have medical marijuana and adult use programs by using the counts in the margin below the year filter. Users can also view information specific to each state by hovering over the desired state in the map. Information includes: legalization status, ballot measure status, marijuana-related criminal justice provisions, social equity, and if that state provides for adult use home cultivation.
